

Chapter 5135

At this time, Charlie, in his heart can not help but think of his own third aunt, who he did not know.

And in his mind, he could not help but rely on the clues provided by Reverend,

As well as his own imagination outlined the tragic life of that woman.

During her teenage years as well as her youth,

It is likely that she had been studying hard in order to change the fate of her entire family.

Her father had probably experienced the tragedy of the dead soldiers firsthand,

So he must have instilled in her at a very young age the belief in studying hard to save the whole family.

And she must have lived up to his expectations by getting into a top university with her hard work.

At this time, because she excelled in her studies and was also very good externally,

The Warriors Den gave her the difficult and significant task of preparing to approach his uncle, Martel An.

Duncan once told Charlie about the process of his aunt's acquaintance with his uncle.

Back then, uncle was in his second year of his master's degree at Harvard University,

While he had just entered Harvard for his master's degree.

The two met over a clichéd drama of a hero saving a woman, while uncle,

Through his contact with her, was surprised to find that this woman catered to all his requirements for the opposite sex,

Both internally and externally.

The An family and Duncan, too, because of speculation, the young aunt was probably,

At that time, a secret informer was deliberately planted by the enemy on the young uncle's side.

But according to Duncan, after the death of his aunt,

This matter is only a speculation that has no way to be confirmed.

However, now one can be sure that their speculation is 100% accurate.

Although his uncle was twenty-two or three years old when she met my him,

It is likely that she had been trying to become the kind of woman that his uncle would have liked,

And even become obsessed with when she was fifteen or sixteen years old.

It took years of preparation for her to fall in love at first sight with her uncle at Harvard University.

The naive uncle thought he had found the one,

But what he didn't know was that it was all just an elaborate play around him.

He has been with this woman for nearly twenty years,

This woman gave birth to two daughters, a family of four seemingly affectionate,

But he never dreamed that this woman with him for twenty years,

From the day he saw her, her mouth has always been filled with highly toxic dentures.

The husband who has been with her for twenty years,

Having two biological daughters, has not been able to stop her from selling her life for the Warriors Den.

On the day of Sara's New York concert, this woman acted as an inside informer,

Cooperating with the dead soldiers of the Warriors Den to exterminate the entire An family.

Only, Charlie did not know if this woman and her two daughters,

Were on the Warriors Den's kill list in the first place.

If they were also on, then wonder if this uncle was clear in her own mind.

However, from the last moment, she decided to bite her teeth and choose to commit suicide,

Her heart, even to death, did not escape the control of the Warriors Den.

And her suicide is likely to protect her family members who are still controlled by the Warriors Den.

This, too, is where Charlie feels that the Warriors Den is the most powerful.

Just when Charlie was feeling emotional in his heart,

Someone knocked on the door and said respectfully outside the door,

"Lord Envoy, in half an hour, our ship will be docking."

Charlie sensed that this person was not a martial arts expert,

So he said to Reverend in a very low voice, "Send him away."

Reverend nodded and spoke, "All right, I know, you go to work."

"As you wish!" The other party answered, turned around, and left the floor.

Charlie then asked Reverend, "These people on the ship, are they all your people?"

"No." Reverend shook his head: "The bodyguards on this ship are all Turkish Cavalry Guards,"

"As for these crew members, they are all some peripheral members,"

"Only responsible for sailing the ship, they don't know anything about the specifics."
