

Chapter 5149

After Leroy left the office, Charlie did not let the next person come in immediately,

But took out his cell phone and sent a message to Joseph,

Asking him to land immediately according to the original plan and wait around at the back side of the copper mine.

At this time, Joseph had already brought the elites of the Cataclysmic Front,

As well as those seven Cavalry guards, five-four-seven and others, to the Cyprus coastline by boat.

According to Charlie's orders, they moored at a location less than ten kilometers from the coastline and waited.

And in the two hours that followed, Charlie did as he had shared,

And interviewed the remaining Cavalry Guards' heads of various ranks.

This also allowed him to test out four more treacherous people one after another who,

Like Shane Ma, intended to rat on the organization in exchange for its approval.

And Charlie continued to use the same rhetoric he used when he snubbed Shane,

Making them think they had taken great credit and sending them off to develop their own underlings,

Making sure that all of their people, at a later stage of public dosing,

Held a towel in their left hand so that Charlie could identify them.

At this moment, more than two hundred Cavalry guards, have invariably divided into two camps.

Those who were willing to follow Leroy and others to fight against the Warriors Den,

And for freedom were ready to take over the entire copper mine.

However, there were still some Cavalry guards who could not wait to prove their sincerity in this "test".

They were all gathered in Shane's office, and Shane couldn't hide his excitement,

As he told them what had happened before and then said with great enthusiasm:

“Today, thanks to my cleverness, I found something strange in the antidote,”

“And only then did I inadvertently pass Lord’s test,”

“In case I had a brain fever and was like Leroy and the others,”

“Who wanted to take advantage of this opportunity to leave the control of the organization.”

“I’m afraid we’ll all be finished!”

These people who were chosen by Shane were just as eager as he was to climb higher,

And higher in the organization, so after hearing what had happened, they were all both grateful and excited.

In their opinion, to successfully pass the test of the Lord was a huge opportunity in itself,

And by seizing this opportunity, everyone would definitely be able to receive the organization’s commendation.

So, a group of people excitedly expressed their loyalty to Shane,

And one of them said excitedly, "Lieutenant Banner Chief, oh no, the future Lord Commander,"

"When you soar to greatness in the future, don't forget us, your loyal men!"

Shane laughed and patted his chest, "Don't worry, brothers, we will seize this opportunity today,"

"And the important positions of the entire Cavalry Guard will definitely be ours."

"Important positions are not assumed, certainly give priority to us loyal subjects who have passed the test,"

"By then, we can all overall go further!"

Once the people heard this, they were even more excited,

And each of them already started to calculate in their hearts,

Calculating what kind of huge rewards they could reap after this test.

At this time, the chairman's voice came out from the radio:

"Attention all Cavalry guards, gather at the staff auditorium in ten minutes,"

“The special envoy will distribute the latest antidote for everyone!”

When Shane heard the broadcast, he stood up excitedly and said ambitiously,

“Brothers, the time has come to build a career! Everyone, go back and take a towel,”

“And hold it in your left hand, after the Lord Special Envoy sees it,”

“He will know that we are all absolutely loyal to the organization!”

Someone asked him, “Brother Ma, is it not a bit strange for us to hold a towel in our hands,”

“In case others ask, how should we answer?”

Shane said casually: “What do they do if someone asks, say the weather is hot,”

“Have a towel to wipe sweat, as for them to believe you do not care, anyway it is just a towel, what can they guess?”
