

Chapter 5274

Claire hesitated for a moment in her heart.

She felt that it was inappropriate for her mother to go to Buddha to pray for blessings for the live broadcast,

Not to mention that she hadn't been to the company for so long, and she wanted to go back and have a look.

So she said to her: "Mom, why don't you let Charlie go with you?"

Elaine said with a look of embarrassment on her face:

"That is... you should go with Mom, I'm sorry It's inappropriate to use my good son-in-law,"

"If he has any opinion on me in his heart... Besides, my legs and feet are inconvenient now,"

"And I have to walk on crutches, so it's not appropriate to let good son-in-law support me..."

"I don't want him and your father to know, just come with me, if it doesn't work, we'll start early,"

"Leave home at seven o'clock, and arrive at the place at half past seven,"

"And you go to work after I worship the Buddha, at nine o'clock It's not too late to be able to go to the company, is it?"

In the eyes of Elaine today, Charlie is already the pillar of the whole family,

So she doesn't dare to waste Charlie's patience with her, such as live broadcasting goods.

Although she felt in her heart that she could definitely do it,

She really didn't want people around her to know about it before it was done,
Especially if she didn't do it after they knew it, it would be too embarrassing.

Tonight's first live broadcast encountered Waterloo.

She also wanted to go to Qixia Temple to worship the Buddha and ask for a blessing.

If Charlie accompanied her, she is also worried that Charlie would look down on her.

After all, she also knew very well that she did a lot of hip-pulls when she went to America this time

Which caused Charlie a lot of trouble. Hearing what she said,

Claire also knew what she was worried about.

While helpless, she also wanted to try her best to help her mother maintain her disgraceful image.

So, her heart softened, and she said, "Okay, let's leave early tomorrow."

...

At this moment.

Zijin Villa.

The whole mountain has been plunged into darkness at this time.

Although there are dim lights in the courtyard on the third floor,

The trees are dense after all, and there is basically no light to be seen from the outside.

At this time, in the courtyard on the top floor of the Villa,

Maria was using her pair of flawless fragrant shoulders to break open the fresh rose petals,

Floating on the surface of the hot spring pool, causing ripples on the water surface.

Then, with her incomparable figure, she stepped on the stone steps in the water,

And slowly walked up to the bluestone beside the hot spring pool.

At her feet, in a bronze incense burner, a plate of seal incense made of old sandalwood is burning,

And the green smoke slowly rises with a refreshing woody fragrance.

Maria wrapped herself in her bathrobe unhurriedly, squatted down slightly with her legs sideways,

Picked up the incense burner, held it in both hands, and returned to the room.

After bathing and burning incense, she put on a clean and plain robe,

Gently pulled her long hair behind her head, and took out a satin-wrapped object from a carry-on package.

She slowly opened the silk and satin, and lying in it was the wooden sign brought from Norway,

With words written on it: The spiritual tablet of my late father Warren Lin.

She respectfully placed the spiritual tablet on the altar,

Then lit three more sticks of incense and after three respectful prostrations,

She inserted the incense into the incense burner in front of the spiritual tablet.

Afterward, she knelt down on both knees, looked at the spiritual tablet with both eyes, and said respectfully:

“Father, Maria has arrived in Aurous Hill safely, and she was lucky to find the person she was looking for.”

“You said before that you always wanted to come to Qixia Mountain to worship your ancestors,”

“But you could never fulfill your wish, I will go to Qixia Mountain to worship the ancestors of the Lin family early tomorrow morning,”

“I hope your spirit in heaven will know!”
