

## Chapter 5332

Jacob said with a smile: “Oh, look at you, let’s go! My pants are all on!”

After Elaine gave up the idea of buying firecrackers to celebrate, Wendy rushed to the police station and brought Noah, Harold, and the old lady out of the police station.

Tonight, when Wendy was having a meeting at the company, she received news that her mother had an accident, so she drove a company car and hurried home, but before she got home, the police called her and asked her to go to the police station.

So she hurried to the police station again, and after going through the formalities, she picked up her father, brother, and grandma.

On the way back, Wendy was driving, the old lady was sitting in the co-driver, Noah and Harold were slumped in the back seat, bound by seat belts.

In the car, the old lady kept crying, muttering: “The Willson family is over...It’s completely over...”

Harold also had tears in his eyes and scolded through gritted teeth: “That stinky b!tch Elaine. Damn it! Our family has been ruined by her! The whole family’s chance to stand up has been ruined by her!”

Noah also gritted his teeth, and said coldly: “When I recover, I will definitely find a chance to abolish her! If I don’t take revenge, I, Noah Willson, will swear that I will not be a human being!”

Harold said without hesitation: “Dad! Count me in then! I want her life too!”

“Enough!” Wendy who was driving suddenly turned the car over. Stopped by the side of the road, shouted angrily, and reprimanded: “You don’t have a long memory, do you forgot how you were paralyzed? How dare you go to trouble her?”

When the father and son heard this, immediately withered down.

The reason why they were paralyzed was that they wanted to find an opportunity to take revenge on Elaine, but unexpectedly, Cynthia was also tied up in the beauty salon by mistake, and finally ended up with their hands and feet amputated.

Harold recalled back then, although he still had lingering fears in his heart, he still muttered a little dissatisfied: “Anyway, I can’t swallow this breath! Originally, our family could become billionaires! Maybe it will be worth billions in a few years! But Let Elaine do this, it’s all fcked up! How can you let me be reconciled!”

Wendy said very seriously: “Brother, don’t daydream here! I said long ago that the live streaming that mom made was a thunderbolt, and it would explode sooner or later! And the later it explodes, the more powerful it would have been.” Do you know why you and dad can come out today? It’s because the thunderstorm was early!”

“And you are really paralyzed in bed! If you follow up like what mom said in the video and pretend to be terminally ill. Then if mom had to be sentenced, you two had to go in too! At that time, when people go to prison, all the money they earn will be confiscated!”

Harold said indignantly: “There are too many people selling misery and live broadcasting goods. I didn’t see anyone was arrested.”

Wendy said angrily: “mom, isn’t she being arrested now?! Do you still want to wait for yourself to be caught too?”

Harold said angrily: “Wendy... I’m your Brother! Why are you trying so hard to hate me...”

Wendy said in a very dissatisfied tone: “Brother, if you are still so incompetent in the future, then I don’t care about you!”

After finishing speaking, she raised her volume again, and said: “If no one in the family is successful, then I will move out from home tomorrow, and no one will care about you in the future!”

Noah said quickly: “Wendy, don’t be angry, it’s not a day or two for your brother to be incompetent, don’t follow him like that...”

Wendy sighed, and said angrily: “Dad, I have already persuaded mom not to use such crooked brains for money! When you targeted Second Aunt back then, the end was already miserable enough Don’t make the same mistakes again, but she just won’t listen!”

“I told you at the time that my income is getting better and better. You and brother have not been able to get good treatment before, which has delayed a lot, but now that I have some money,”

“I can send you to the hospital for proper treatment and recovery, but mom just wants to keep you by her side to live broadcast the misfortune, and as a result, both of you have not recovered from your injuries, and she has tossed herself into this...”

Noah also sighed melancholy: “Wendy, you are right...”

Wendy was silent for a moment, as if she had made some decision, she suddenly restarted the car, turned right at the next intersection where she should go straight, and then said: “Forget it! I’ll send you two to the hospital now! You two should heal your injuries quickly, and after you recover, go out and find a serious job!”

Noah nodded and said dejectedly: “To be honest, I’ve been lying on the bed for half a year, and I’m going crazy. I’ll go find a job after I’m done...”

After finishing speaking, he looked at Harold again, and said: “Harold, you have been fooling around for half your life, it’s time to do something! When the time comes, both of us will look for a job together, and neither of us can sit idle at home and eat free food!”

Harold also knew that his dream of being a rich second generation had been shattered, so he could only nod his head, choked up, and said: “I know Dad... I will work hard when I recover from my injury...”

Mrs. Willson is a fine person. She knew that Horiyah could not stand up now, and she might have to rely on Wendy in the future.

In addition, seeing that her son and grandson had already expressed their opinions to Wendy, she hurriedly said to Wendy:

“Wendy, why don’t grandma go to the supermarket to find a job, even if I still pull plastic bags for others? At least I can share some income with the family...”

Wendy shook her head and said seriously: “Grandma, don’t go out to work anymore, you are so old, and my current income is enough to support you, so you stay at home and take care of yourself.”

The old lady breathed a sigh of relief when she heard this, and at the same time she was a little thankful, after all, she was old, and it would be difficult for her to adapt to work again.

No one at this age wants to run around for a living anymore, and the old lady is the same. And when she heard that her granddaughter was willing to provide for her, she was very satisfied.

However, Wendy’s tone suddenly became serious at this time, and she said seriously: “Grandma, I have something to say first. You must not engage in those petty thoughts about family politics when you are at home from now on!”

The old lady quickly argued: “Wendy, I don’t engage in any family politics...”

Wendy said seriously: “Grandma, when our grandfather was still there, we were quite united. He treated my father and second uncle like a bowl of water, grandpa won’t show a preference for me, my brother, or sister Claire, but after grandpa left, you took over the Willson family and immediately started to isolate the second uncle’s family with my parents and my brother and me.”

“Not only did one family become two families, but even the Willson family’s business plummeted. Later, the company went bankrupt and closed down, and even the house was gone, so now we can only rely on others!”

After speaking, Wendy immediately added: “Of course, this is not your responsibility alone. My father, mom, my brother and I are all responsible. I was young and ignorant at the time, and I targeted sister Claire and brother-in-law everywhere. I did a lot of wrong things and took a lot of detours.”

“Fortunately, I now know where my mistakes are, and I have changed my mind and started a new life.”

“Therefore, my career is now steadily improving. If our family can realize the mistakes we made back then, make good corrections in the future, and the days in the future will definitely be better.”

The old lady had an embarrassed expression, but she also said a little indignantly: “I targeted your second uncle’s family at the beginning, mainly because Claire was full of rebelliousness. I wanted her to divorce Charlie, but she just won’t listen...”

Wendy immediately said in a cold voice: “Fortunately, Sister Claire didn’t listen to you! If she had listened to you and divorced Charlie and married Wendell, then she would have been married to Wendell now.”

“I’m afraid they had nothing like us! Although the Zhang family was good at the beginning, they went bankrupt a long time ago. You don’t know this! And look at how happy Claire is now! The villa they live in is not a charity from others.”

“And my brother-in-law is also a prominent figure in the city, with him around, no one will dare to bully Claire’s family!”

Wendy choked with red eyes and said, “I used to listen to you for everything. Yes, but look at how many detours I have been led by you. At first, you asked me this and that man one after the other and ruined my reputation.”

“No one is chasing me now! mom managed to escape from the black coal mine, and it was you who took the lead in isolating her and insulting her,”

“So that our family has come to this end step by step! All these prove that you have no ability to be in charge of the Willson family at all!”

Mrs. Willson’s face flushed with embarrassment, she wished she could break through the cracks in the ground and get in.

Wendy wiped her tears at this time, and said very forcefully: “From today on, I will have the final say on everything in the Willson family!”

“I hope you put away those thoughts and stop making trouble! As long as you can live a calm and down-to-earth life,”

“I will definitely give you a pension, but if you still can't fix what you have, then I'm sorry, even if you go to court to sue me, I won't support you anymore!”
