

## Chapter 5333

Wendy's strength shocked Mrs. Willson, and at the same time, couldn't help but feel a chill down her back.

She was startled because she did not expect that Wendy, who has always been led by her own nose, has become more and more powerful since she became the manager of the etiquette company. She has even made it clear that the family will listen to her from now on;

As for the chills on her back, it is because she just realized today that Wendy has never forgiven what she did back then, and the reason why she doesn't care about her is that she doesn't want to think about not taking revenge on her, it is mainly because she is old.

Mrs. Willson is not a fool. She knows that in a family, whoever has the money has the right to speak for the whole family.

She is old and has no assets, and even supporting herself has become a problem. In this case, it is impossible for her to continue to run the Willson family.

And if she wanted to live without worrying about food and clothing, she naturally couldn't anger Wendy.

So, she could only honestly say, "Wendy... Don't worry, grandma is no longer the grandma she used to be... From now on, I will never do things that are good or bad again. From now on, everything in this family will be up to you.."

Wendy saw that the old lady's attitude was sincere, and the anger on her face dissipated a lot. She nodded and said, "Grandma, I'm going to send father and brother to the hospital first. Asking you to take care of them. It's unrealistic, you should rest at home for the next few days, and I will ask the nurses to take care of them at the hospital, and after mom comes out, I will ask mom to go to the hospital to help."

Mrs. Willson also knows that in her own situation, let alone going to the hospital to take care of her son and grandson, even if it is about cooking for them, she is a little powerless, so as long as she doesn't make any trouble, she is making a contribution to the family.

So she nodded without thinking and said, “Don’t worry, Wendy, there is still a lot of firewood, rice, oil, and salt at home. Ymom also bought a lot of chicken, fish, meat, and eggs earlier, which is enough for my temporary living needs.”

Harold thought of something and quickly said, “Wendy, you have to drive away mom’s Mercedes-Benz! That car is still parked in front of Charlie and Claire’s house!”

Wendy said blankly, “I want to drive you! I won’t go there now.”

Harold was in a hurry, and hurriedly said, “You drive that car to our house first, and when I recover later, I will naturally drive that car...”

Wendy turned her head and looked contemptuously at him, she said in a cold voice, “You may not have watched the news. The short video platform where Mom live broadcasted the goods has already issued a statement, asking Mom to return all the live broadcast income, and is ready to start legal proceedings.”

“In other words, every penny from Mom’s live broadcast must be returned. Including the Mercedes-Benz big g, the car is already second-hand, and there will definitely be a gap between the discounted amount and the purchase amount, and the money she wasted on time and the money she spent on ordering Rolls-Royce Cullinan will all be big holes that she will fill in in the future, and if she can’t make up for these holes, she will probably become a douchebag in the future.”

“Ah?! “Harold suddenly said in horror, “Mom has worked so hard for so long, can’t even keep the car?!”

Noah and Harold were sent to the hospital, and Horiyah’s dream of getting rich was officially broken.

...

The next day, August 5th.

Nanako, her father, and her aunt took the private jet of the Ito family and flew to Aurous Hill in the morning.

Arriving at Aurous Hill at random, there are maids carefully selected by Nanako from home, as well as a large number of high-end flowers purchased from all over Japan.

In the field of agriculture, the Americans are good at genetic modification, while the Japanese are good at breeding, and Japan is more proficient in high-end categories. Many high-end fruits that can be named are all cultivated in Japan, from the Fuji apples in the early years to the current sunny apples. Wang grapes, red-faced strawberries, and spring tangerines, the island country really has a set in this regard.

And the flowers Nanako brought are also the top varieties carefully cultivated in the local area, which are not only plump and beautiful but also very fresh.

Since Koichi Tanaka arrived in Aurous Hill a few days ahead of Ito's family, a team was specially arranged to pick him up today.

When the Ito family left the airport by car, the flowers that arrived at random were also transported away by multiple refrigerated trucks prepared in advance.

Although Charlie was the only thing in her heart, Nanako chose the Shangri-La Hotel as her first stop.

However, Ito Yuhiko did not go to Shangri-La but was taken by Hiroshi Tanaka to Tomson. Before the wedding, Ito Yuhiko did not plan to go to Shangri-La, because he is also a well-known figure in Japan after, and he is worried that his secret to rejuvenating his legs will be exposed to too many people.

When Nanako's convoy arrived at Shangri-La, Issac got the news.

Knowing that she was coming, he immediately called Charlie and reported the news to him.

When Charlie heard that Nanako was coming, the first reaction in his heart was naturally a very pleasant surprise. Just as Claire went to the company, his mother-in-law forced his father-in-law to drive and take her out to get some fresh air. He was the only one at home, so he simply drove to the Shangri-La Hotel.

And Ruoli has been preparing for her parents' wedding in the sky garden of Shangri-La since yesterday. She knows that her mother has not been easy these years, so she wants to do her best to create an unforgettable event for the wedding.

Because the sky garden of Shangri-La is usually not open to the public, this time it was especially used for the wedding of Zynn and Roma, so Ruoli also had enough time to make on-site preparations in the early stage, unlike many popular hotel banquet halls, which are only allowed the night before the wedding. Start to arrange, the time is particularly hasty.

At this time, she was discussing the plan of the set with the project leader of the wedding company, when she suddenly saw Nanako walking in with a group of maids, she went forward in surprise and said, “Miss Ito, came here so early? I thought you would arrive tomorrow or the day after tomorrow.”

Nanako smiled and said, “On the eighth is the wedding of uncle and aunt, how can I come too late.”

“I brought a lot of flowers, and the staff will bring them up one after another later, and I will show you how to match them on the spot, and see which feeling you prefer.”

Ruoli asked subconsciously, “If you arrange the flowers now, I’m afraid it won’t last three days. Oh, my god?”

Nanako said with a smile, “The flowers I brought this time are specially used to discuss the plan with you. I have already arranged the flowers for the wedding. I will carefully select and prune the branches on the morning of the 7th.”

“They will be transported to Aurous Hill by air, and I have already told the supplier that the flowers cut in the morning of the 7th should not be fully bloomed so that all arrangements will be made on the evening of the 7th, and the flowers will be given enough water. It only takes one night, and the flowers can be guaranteed to be in the best state for the wedding on the 8th!”

Ruoli said with a look of surprise, “This... prepare two batches of flowers in this way, and they are all airlifted the cost will be too high?”

Nanako patted her hand and smiled slightly, “This cost is not worth mentioning to the Ito family, so don’t worry too much about it. Our goal is to let uncles and aunts hold a perfect wedding, a few flowers are nothing.”

Ruoli was moved in her heart, and said very reverently, “Miss Ito, thank you so much...”

Nanako shook her head and said with a smile, “After what happened to my parents, We are friends now, why are you being so polite to me?”

Ruoli nodded lightly, she understood the meaning of Nanako’s words, her mother and Nanako’s father were disabled people with amputations until they got Charlie’s pill in the United States at the same time, and it was that experience that made the two of them quickly get acquainted.

So, Ruoli asked Nanako, “Excuse me, is Mr. Ito here?”

“He went to the residence to rest, and he asked me to convey that he will definitely come to congratulate on the wedding day.”

After that, she asked Ruoli again, “Is Aunt He here?”

“For the wedding dress, Ms. Song arranged for a designer to come here to tailor it for her, and Mr. Chen arranged for a presidential suite to facilitate preparations for the wedding in the next few days.” Nanako nodded and smiled, “That’s fine, let Aunt He take care of herself, The wedding scene will be arranged by us juniors.”

Ruoli nodded slightly, and then asked Nanako, “By the way, Ms. Ito, did you tell Mr. Wade in advance when you came here today?”

“No.” Nanako slightly said shyly, “He must be busy, so I didn’t tell him in advance.”

Ruoli smiled and said, ” Even if you don’t tell him, Mr. Chen will tell him as soon as possible. Mr. Wade values you so much, maybe he is on the way here now.”

Nanako said with a blushing face, “I don’t know... I think Mr. Charlie also attaches great importance to you...”

Ruoli said in a rare and shy way, “I... The situation is different from yours...I am Mr. Wade’s subordinate, and you are Mr. Wade’s confidante...”

Nanako looked at her and asked curiously, “Is it really just a subordinate?”

Ruoli For a while, said unnaturally, “It’s really just a subordinate...Mr. Wade has saved me many times and helped me so much. Naturally, I will always follow him to repay his kindness to me. So naturally, I am his subordinate...”

Nanako nodded slightly, and said with a smile, “Actually, I envy you more, as his subordinate, at least you can see him often, unlike me, it is not easy to see him.”

Ruoli was slightly taken aback when she heard this.

Originally, she was very envious of Nanako. After all, anyone with a discerning eye could see that although Charlie also had many confidantes, he had a special preference for her.

But if you think about it carefully, what Nanako said is not unreasonable.

She usually lives in Japan, and it is really not easy to meet Charlie. Unlike herself, she is in Aurous Hill, so there are naturally many opportunities to meet him.

Just when she was sighing in her heart, there was a sound of high heels, and Zhiyu, who was wearing a professional suit and looking very capable, walked in quickly.

Seeing her coming, Ruoli quickly said to Nanako, “Miss Ito, my sister is here, you should know her too, right?”

Nanako smiled and nodded, “I know, after all, we are both are shareholders of ISU.”

Zhiyu had already walked quickly in front of Ruoli at this time, and Ruoli said happily, “Sister, why are you here?”

Zhiyu said with a smile, “Dad is getting married. As his daughter, I must come here.”

Then, she looked at Nanako, smiled, and said, “Miss Ito is here, long time no see.”

Nanako nodded, and said with a smile, “Long time no see, Miss Su.”

Zhiyu Looked around, she asked Ruoli, “Ruoli, isn’t dad here?”

Ruoli said with some embarrassment, “Well... Dad is in the presidential suite... to accompany mom... to try on the wedding dress.”

Zhiyu nodded slightly, she asked again, “Is Mr. Wade there?”

She said in a low-key manner, “I asked Mr. Wade to give brother a chance to come back to attend the wedding...”

“Brother is still on his way to kowtow. Dad is getting married. As the eldest son, he should be there, but I don’t know Wade. Do you agree, sir...”

As soon as the words fell, she heard a familiar voice that often sounded repeatedly in her dreams,

“Since Ms. Su wants Zhifei to come to the wedding, then I will arrange for someone to pick him up!”

Hearing this voice, the three women followed the voice and saw that Charlie had already stepped into the sky garden.

The expressions of the three women were unconsciously excited at this moment.

But because they knew that Charlie was talking about Zhiyu’s brother, Ruoli and Nanako just smiled at Charlie and didn’t speak.

Zhiyu was overjoyed, and quickly confirmed with Charlie, “Mr. Wade, you mean, can you bring my brother back?”

“Yes.”

Charlie nodded, and said calmly, “But it can only be for the wedding, the wedding ends, and he will continue his unfinished punishment.”

Zhiyu asked subconsciously, “Then... Mr. Wade, if brother comes back to attend the wedding, after the wedding,”

“He will still return to the place where he was picked up before, or start everything from the beginning?”

Charlie smiled and said, “Of course, he will go back to where he came from, how could I let him start from the beginning.”

Zhiyu immediately breathed a sigh of relief, and said gratefully, “Thank you, Mr. Wade, for your generosity. Then I will arrange for someone to pick him up...”

Charlie waved his hand, “I’ll let Issac pick him up, your brother’s movements, Issac’s subordinates have been watching, and they can pick him up at any time,”

“Besides, he’s been away for so long, lives and sleeps all day long, and has no contact information on him, so it will be difficult for you to find him in a while.”

“Okay...” Zhiyu nodded, and said respectfully, “Then I will trouble Mr. Wade.”

Charlie said, “I’ll make arrangements now, and if it’s quick, he will be able to arrive in Aurous Hill tonight.”

Zhiyu mustered up her courage and asked, “That... Mr. Wade... can I ask you one more thing...”

Charlie nodded and said, “Say it to me.”

Zhiyu pursed her lips, and said quietly, “You know, mom has been living in Aurous Hill since the divorce, and she missed her brother very much during this time, so I think brother will come back this time, You can let him meet mom too.”
