

Chapter 5335

Regarding buying a house in Tomson,

Nanako never planned to hide it from Charlie from the very beginning.

Her only thought was to come to Aurous Hill early to give Charlie a small surprise.

As for the matter of buying a house, she hoped to tell him frankly.

Charlie really didn't expect Nanako to buy a house in Tomson, so he asked her curiously:

"When did it happen? Which household did you buy?"

Nanako said with a smile: "I bought an apartment on the second last floor of a building."

As she said that, Nanako said again: "Actually, I wanted to buy a more classical villa,"

"But Tanaka-san has been here for a few days and has not found a suitable house,"

"So yesterday he just bought a high-rise temporarily."

Charlie nodded lightly, and said with a smile:

"We will be neighbors from now on, and you are welcome to settle in Aurous Hill."

For Nanako, although Charlie had always been very fond of her.

He has a good impression, and there is nothing wrong with it.

In his heart, he has always regarded her as a confidante,

Whose personality and conversation are the most suitable for his temper?

And since Nanako bought a house in Tomson,

It means that she will definitely come to Aurous Hill often in the future,

Which is naturally a happy thing for him.

Nanako said a little shyly: "I may not come to China too often for the time being,"

"And the family still has some things to deal with, but if the time is right in the future,"

"I can also consider gradually moving the company to China."

Charlie nodded, and said seriously: "If you really have such an idea,"

"It's okay. In the future, whether it is the Wade family or my own business,"

"There will be many places where I can cooperate with the Ito family."

For Nanako, Charlie naturally has some preferences.

This is why he also hopes that she can live in Aurous Hill forever.

Moreover, Nanako has always had no reservations about Charlie,

And Charlie integrated the shipping resources of the Su family to establish ISU Shipping.

Nanako not only took out all the shipping resources of the Ito family,

But even he took without hesitation the shares in this company for generations,

And Charlie also hopes to find a suitable opportunity to repay the Ito family in the business.

Nanako was worried that coming to Aurous Hill by herself would bring inconvenience to Charlie,

But unexpectedly, Charlie not only hoped that she would live in Aurous Hill for a long time,

But also hoped that she would transfer the enterprise center here,

Which made her very happy,

The plan to shift the focus of the enterprise to Aurous Hill can finally be officially put on the agenda.

So, she couldn't hide the joy in her heart and said:

"If Mr. Wade welcomes me, I will make good preparations when I go back this time."

Charlie smiled and said, "Of course I welcome you."

Nanako smiled sweetly, nodded, and said: "Then I Just make a good plan with Odosan,"

"It's just that the huge industry and team, I want to transfer them to Aurous Hill step by step,"

"I'm afraid it will take at least one or two years to complete,"

"The first task is to choose a site in Aurous Hill."

Charlie said indifferently: "This is simple. The Emgrand Group has many properties in Aurous Hill."

"When I held the pill auction, I also asked the Song Group to develop a lot of commercial real estate."

“At that time, the Ito family can choose from these properties.”

“If you don’t even like it, you can use it temporarily,”

“And at the same time cooperate with Aurous Hill officials to buy a piece of land and build your own slowly.”

Nanako knows that Charlie has made a lot of money through the Rejuvenation Pill auction,

And a large part of it is used in Aurous Hill for investment and development,

She subconsciously asked: “Mr. Wade, will the Rejuvenation Pill auction be held next year?”

“If Rejuvenation Pill continues to operate, Aurous Hill will definitely attract a large number of top foreign-funded enterprises to settle in.”

“Maybe it will at that time create a new financial center!”

Charlie sighed, shook his head, and said,

“Next year’s Rejuvenation Pill Auction is not going to be held for the time being.”

Then he said: “Actually, I still have a serious problem.”

“It hasn’t been resolved yet if we hold the Pill Auction again,”

“I’m afraid it will burn us if we continue,”

“We will have to wait to resolve this confidant’s trouble.”

Before going to the United States this year,

When the Rejuvenation Pill auction was held, Charlie didn’t know the existence of the Warriors Den.

Fortunately, this year's Rejuvenation Pill Auction was held for the first time,

And most of the people who got the news were those traditionally rich people,

Who were helped by the old Nordic queen to fool them, but the real top rich did not appear.

His uncle came to the auction at that time,

It's just his personal behavior, not the decision to settle down.
