

Chapter 5356

All the viscera and six internal organs were in pain from the shock of the huge impact.

Tianqi inside heard his granddaughter yelling, and he didn't care about Charlie's order to wait behind, so he ran out anxiously to see what happened.

However, when both the grandfather and granddaughter looked at Charlie and Mateo, they found that they were still at this moment.

Mateo's face was ferocious, and his right fist hit Charlie's face hard.

Charlie, on the other hand, looked indifferent, just stretched out a middle finger in his right hand, and easily blocked Mateo's fist in front of him.

Mateo's expression also changed from murderous and ferocious at this time, too bewildered, panicked, and horrified...

He couldn't believe it. It is easy to resist with a middle finger!

And the gesture of raising the middle finger is a universal body language. Seeing this gesture is equivalent to hearing the other party say: fcuk you, or you are an idiot.

However, despite his ever-changing expressions, the only thing he couldn't change back to was his previous arrogance.

As Charlie's smile became more playful, his heart became more fearful.

At this moment, he swallowed hard to moisten his dry and sore throat due to tension.

Afterward, he murmured subconsciously: "How is this possible...how is this possible...I am an eight-star warrior..."

After finishing speaking, he suddenly raised his head and looked at Charlie in fear: "You... who are you..."

Charlie smiled: "In the past, when people asked me this question, I would usually tell him, I'm someone he can't afford."

Mateo asked subconsciously: "Then... what about now..."

Charlie sarcastically said with disdain: "Now I'm also someone you can't afford, it's still useless to ask?"

Mateo realized that he was being tricked by Charlie again, but at this moment, even if he was being tricked by him, he didn't have any anger in his heart, only fear.

Because Mateo has deeply realized that Charlie's strength is no longer in the same rank as him, not even in the same world.

The ancients said that the gnat may shake the tree, which perfectly interprets his mood at this time.

Mateo took a step back subconsciously, like a three-year-old child who has made a mistake, and said in fear:

"I don't know Taishan, I offended Master Wade... I hope Master Wade will be merciful..."

Charlie looked at Mateo and calmly said: "Come on, let me give you a chance to ask the question you just asked again."

Mateo was stunned for a moment, then hurriedly bowed and said: "Master Wade, I am like an ant in front of you, how dare I offend you and ask Your identity..."

Charlie said with a smile: "Look, when you are not given a chance, you just try to act forcefully, but when you are given a chance, you are cowardly again, it is useless, Milo."

Mateo Trembling with fright, he knelt down on the ground with a thud, and said in a trembling voice, “Master Wade calm down...I really dare not be presumptuous in front of you...”

Charlie smiled and said calmly: “I heard that, You came to Aurous Hill to find clues to a Pill?”

After hearing this, Mateo felt even more heartbroken!

At this moment, he finally understood: “It turns out that I have been targeted by this Master Wade for a long time... I naively thought that I had set up a trap for Tianqi, but I didn’t expect that I was put into a trap by this man instead!”

At the same time, he couldn’t help wondering: “Not many people know about the fact that I came to retrieve a special pill! Except for the people in An’s family, only Sara brought the magic medicine to An’s family that day... Could it be? This Charlie, does he know them?!”

Thinking of this, a flash of lightning suddenly struck Mateo’s mind, and he suddenly realized, tremblingly said: “Master Wade...you...you are the one who made the Rejuvenation Pill?!”

The corners of Charlie’s mouth rose slightly: “You’re pretty smart.”

Mateo bowed his head when he heard this, and said in an extremely devout voice: “Mateo, the thirty-ninth generation successor of Taizhen Dao, pays homage to his master!”

Charlie curled his lips: “I’m not from your Taoist sect, let alone a guru.”

Mateo was very surprised: “You...you are not from the Taoist sect?! But... but the art of alchemy is the secret of the Taoist sect! Can you refine alchemy? The magical medicine like Rejuvenation Pill must have been deeply passed down by the Taoist sect, how could it not be a Taoist...”

Charlie snorted: “Alchemy is not a Taoist patent, who said that only Taoist people can refine it? What’s more, Although you are a member of the Taoist sect, is the alchemy you made reliable?”

“If it is reliable, you might not be able to get my blood-scattering heart-saving pill to save the old man of the An family that day, right?”

Mateo was ashamed, bowed his head, and confessed: “What Master Wade said is very true, sitting down and watching the sky, but I don’t know that there is a higher and wider world outside the door, and I still look at Master Wade...”

Charlie nodded: “Don’t say, although you are not young, this is an admission of a mistake. The attitude is quite good.”

Mateo’s old face was hot and red with embarrassment, but he could only continue to say: “The sage said, knowing the mistakes can make a big difference, but I have little talent and learning, but I don’t know how to deal with the big class. If I don’t have a correct attitude now, how can Master Wade be merciful...”

Charlie said with a smile: “You don’t want to trick me here, I didn’t say to be merciful to you.”

“Yes yes yes...” Mateo nodded his head and said respectfully: “I have no eyesight and provoke Master Wade first. No matter how Master Wade punishes this subordinate, I dare not be dissatisfied...”

Charlie with a slight smile nodded and said, “Okay, what you said is good. Next, it’s time to see the actual action. Where’s the medicine cauldron you used as a bet? Take it out.”

Mateo was stunned. At this moment, the inner struggle.

Seeing his hesitation, Charlie snorted and said with a smile, “What? It’s already this time, why can’t you be willing to admit defeat?”

Mateo shuddered violently!

At this time, he finally realized a reality, that is, his life is in danger now, what’s the use of guarding the medicine cauldron?

Thinking of this, he made up his mind, took off the cloth bag from his body, held it in front of Charlie with both respectful hands, and said humbly:

“Master Wade, this is a medicine cauldron that has been passed down for nearly a thousand years in the lower division. I would like to give it to you as an apology!”

Charlie didn't take the cloth bag, but looked at him with interest, and asked, “Do you really want to give it to me?”

Mateo gritted his teeth and said respectfully: “Yes, I really want to give it to Master Wade!”

Charlie asked him with a smile: “Is it true?”

Mateo nodded: “It is true!”

Charlie asked again: “You don't regret it?”

The painful blood gushed out like a fountain, but he still nodded heavily: “No... I don't regret it!”

Charlie smiled with satisfaction: “Since you are so sure, then I will reluctantly accept it!”
