Chapter 3691

At this time, it is not appropriate to yell, as it seems that yelling will destroy the sacredness of this moment!

David's body slowly fell, and then he walked in front of Zeng Nian'an!

"Master Zeng, let's see if this is the intensive technique of your Tianmo Sect!"

David handed the jade slip of the technique to Zeng Nian'an!

"Yes, yes!" Zeng Nian'an took the jade slip of the exercise method and nodded excitedly like a child!

With the intensive skills, their Heavenly Demon Sect can continue to pass it on!

"If so, I hope that Master Zeng will keep his promise and give me the Heavenly Demon Stone!"

David said calmly!

It was for the Tianmo Sect that David went to help the Tianmo Sect get the intensive skills. Otherwise, how could he go to the cave! But

it was precisely because of this that David knew the whereabouts of the Blood Demon. He also received the help of the Blood Demon in the cave and broke through to the third level of the Tribulation Realm!

David knew that if it weren't for the aura left by the Blood Demon on the Jade Slip of the Kung Fu, it would have been impossible to break through to the third level of the Tribulation Realm just by relying on the Heavenly Demon Dragon Ginseng!

After hearing David's words, Zeng Nian'an was stunned, and then said with an embarrassed face, "Mr. Chen, I...I..."

Zeng Nian'an didn't know what to say to David. After all, in exchange for the Heavenly Demon Stone, this was what he had promised!

But now that David has taken out the intensive skills, he can't take out the Heavenly Demon Stone!

"Mr. Chen, the Heavenly Demon Sect can't get the Heavenly Demon Stone!"

At this time, Sect Leader Jiang stepped forward and helped Zeng Nian'an out of the siege!

"What's going on?" David frowned!

"Someone just snatched the last Heavenly Demon Stone from the Heavenly Demon Sect, so now Master Zeng is afraid that he won't be able to get the Heavenly Demon Stone."

Sect Master Jiang said!

"Who is it?" David was stunned!

"Mr. Chen, he is the ancestor of the Ning family. He came out of the cave and kidnapped the master of the Zeng clan, and then got the Heavenly Demon Stone."

Zhe Yan stepped forward and said!

Only Zhe Yan knows Ning Zhi and knows his identity!

"It turns out it's Ning Zhi's family. Man, it seems like he's not waiting for me outside! "

When David heard that it was Ning Zhi who had taken it away, he wasn't too surprised!

After all, Ning Zhi is different from other enemies. This guy's IQ is a bit high, and he often doesn't play according to the routine!

"Mr. Chen, I'm really sorry, but don't worry, I will immediately send out all the disciples of the Heavenly Demon Sect to look for the Heavenly Demon Stone. After I find the Heavenly Demon Stone, I will hand it over to Mr. Chen as soon as possible! Zeng

Nian'an said with shame!

After all, his promise was not fulfilled, which made him very uneasy!

“No, I'll look elsewhere!” “

David shook his head!

David knew that there was a Heavenly Demon Stone in Guanghan Palace. As long as he found Guanghan Palace, he could get the Heavenly Demon Stone!

But where Guanghan Palace was, the Blood Demon didn't tell him. He just said it was on Heavenly Demon Mountain. !

But this Heavenly Demon Mountain is thousands of miles long, stretches across the entire Southern Territory, and spans countless counties and cities. How long will it take to find it!

“Mr. Chen, do you know where there is a Heavenly Demon Stone?” “

Sect Leader Jiang asked in confusion!

David nodded and said, “Sect Leader Jiang, do you know where Guanghan Palace is?” “

“Guanghan Palace?” When Sect Master Jiang

heard this, he shook his head and said, “I don't know. Could it be that there is a Heavenly Demon Stone in Guanghan Palace?” “

“right!” David said!

“I have never heard of this Guanghan Palace. Isn't it in the Southern Region? But if it wasn't in the Southern Region, how could there be a Heavenly Demon Stone?” “

Zeng Nian'an doesn't know where the Guanghan Palace is!

“It seems that I can only find it slowly. The Guanghan Palace is on Tianmo Mountain. “

David was also helpless. After all, Guanghan Palace has only been rebuilt for more than half a year. It's normal that many people don't know about it!

“Mr. Chen, although we don’t know about Guanghan Palace, there is a place that we should probably know about. “

said Sect Leader Jiang!

“Where is it? “David was overjoyed!

It would be much easier if we knew the location of Guanghan Palace!

Chapter 3692

“Sect Master Jiang, are you talking about Wantong Pavilion?”

Zeng Nian’an asked!

“Exactly, I think Wantong Pavilion must know where Guanghan Palace is.”

“Let alone a sect, even if there is a mouse in the Southern Territory, Wantong Pavilion will know it.”

Sect Leader Jiang nodded. !

“Sect Master Jiang, what is this Wantong Pavilion?”

David asked in surprise!

“Mr. Chen, Wantong Pavilion is the largest transportation organization in the entire Southern Territory. As long as you are willing to spend money, there is nothing you can’t understand. Moreover, Wantong Pavilion also has its own airship, allowing people to easily travel through Tianmo Mountain. Across the entire Southern Territory.”

“It is precisely because Wantong Pavilion is running around in the Southern Territory, so it knows more things than others. We only need to go to Wantong Pavilion to inquire, and maybe we can know about Guanghan Palace. The specific location.”

Sect Leader Jiang explained after David!

“I understand...” David nodded!

It sounds like the Wantong Pavilion's and Ji Yun's family's industries should be the same, they are all engaged in airship business and transportation!

However, Ji Yun's family does not sell information, and it sounds like it is not as big as Wantong Pavilion!

Being able to set up such a large transportation network in the Southern Territory and sell information, then the master of Wantong Pavilion must be no ordinary person!

"Mr. Chen, I can take you to Wantong Pavilion to try your luck, but you have to change your appearance first. I'm afraid many people are looking for you now."

Sect Master Jiang said!

"Okay!"

David nodded, and then his aura changed, and David turned into a middle-aged man!

"Mr. Chen, although our Heavenly Demon Sect does not have the Heavenly Demon Stone you need, you will definitely need a lot of spiritual coins to go to Wantong Pavilion. I have some purple gold spiritual coins here. This purple gold spiritual coin can be worth a million ordinary spiritual coins. I hope Mr. Chen will accept it."

Zeng Nian'an took out a bag of purple gold spirit coins and said!

David was not polite and directly told The Zijin Spirit Coin was taken over. After all, Ji Yun was not around, so it would be very inconvenient for David to spend money!

After saying goodbye to Zeng Nian'an, David and the others set out on the road to Wantong Pavilion!

This journey was smooth, but the way Jiang Yulian and Zhe Yan kissed each other made Zheng Jian hate him more and more!

Zheng Jian didn't say anything along the way, his face was ashen, and David saw Zheng Jian's performance!

After marching for a day and a night without rest, David and the others finally arrived at Wantong Pavilion!

After looking at the huge city in front of him, David was a little confused!

I saw the words Wantong Pavilion written on the city!

“Is this... is this Wantong Pavilion?”

David asked in surprise!

He thought that Wantong Pavilion was just a sect, not very large, but now what appeared in front of him turned out to be a huge city!

And this city is much larger than the Demon Imperial City!

It can't be that such a big city is Wantong Pavilion, right?

“Mr. Chen, this is Wantong Pavilion. This entire city belongs to Wantong Pavilion. Wantong Pavilion is considered the richest sect in the entire southern region. Now, in addition to transporting and selling information, Wantong Pavilion also engages in... Some of the auctions are all novelties bought from various places.”

Sect Leader Jiang explained!

“Wantong Pavilion is so rich, isn't it afraid that someone will take notice of it?”

David asked in surprise!

After all, there is no order in the world of heaven and earth. If you don't have strong strength, you won't be able to keep so much wealth!

“Mr. Chen, it's okay in the Southern Territory, especially in the Tianmo Mountain area. No one dares to mess around.” “

What's more, the master of Wantong Pavilion is also very powerful. The dragon can't see its tail. No one has seen the master of Wantong Pavilion.”

“And this Wantong Pavilion cooperates with many sects and has branches in various places, so no one provokes Wantong Pavilion!”

Sect Leader Jiang continued to explain. !

Chapter 3693

David nodded, and then several people walked into Wantong Pavilion!

After walking into Wantong Pavilion, there were many monks and many shops selling goods on the street. It was very lively. This was the busiest city that David had seen in the world of heaven and man!

Moreover, in Wantong Pavilion, in addition to human monks, there are also beasts and a small number of demon cultivators walking on the street, which is rare!

Nowadays, other places in the Heavenly Realm are resisting demonic cultivators everywhere. Only the Tianmo Mountain area can be so friendly to demonic cultivators!

Sect Master Jiang took David and the others into an attic that didn't look very impressive!

"Mr. Chen, this is where Wantong Pavilion sells information. Even though this place is inconspicuous, the information coming out from here is very explosive." "

Some people who are looking for the location of their enemies and the location of their treasures will come here. , there are even people who come here to investigate information about their Taoist companions."

Sect Master Jiang followed David in a low voice!

Chen Pingdao didn't want to know any gossip information, he just wanted to know the specific location of Guanghan Palace.

There are rooms of different sizes in the attic, and there is a small sign hanging on the door of each room!

"Mr. Chen, please wait a moment. I need to make an appointment first."

Sect Master Jiang said to David!

David nodded, "Go ahead..."

Sect Master Jiang walked into a small room and walked out after staying there for more than ten minutes!

“Mr. Chen, the appointment is in the afternoon, we need to wait...”

Sect Leader Jiang said!

“Then wait!”

David is not in a hurry, and Feng Mo is not particularly anxious about needing the Heavenly Demon Stone, as long as he can find the Heavenly Demon Stone for Feng Mo!

“Mr. Chen, since we have to wait, why don’t we take a walk around Wantong Pavilion...”

Jiang Yulian suggested!

In fact, Jiang Yulian still wanted to follow Zhe Yan around casually, but she was afraid that Sect Master Jiang would not agree, so she followed David.!

“Okay, just in time to see if there’s anything good.”

David smiled and nodded!

Since David is also talking about wandering around, Sect Master Jiang can’t say anything!

A group of people were walking casually on the street. Jiang Yulian held Zhe Yan’s hand and looked around curiously!

After all, their Soul Demon Sect is not as prosperous as here!

“Sect Master Jiang, are you Sect Master Jiang of the Soul Demon Sect?”

At this time, a middle-aged, fat man came over with a smile, looked at Sect Master Jiang and asked!

The man’s face looked a little uncomfortable, and his eyes were glowing red, as if he was on the verge of mental collapse!

Sect Master Jiang looked at the man in front of him, frowned slightly, and said in confusion, “Yes, it’s me. Who are you?”

“Sect Master Jiang, it turns out to be you. What a coincidence. I was about to send someone to the Soul Demon Sect to invite you. What about you?”

“I am the elder of Wantong Pavilion, and my surname is Xia.”

The middle-aged man quickly introduced himself!

Upon hearing that it was the elder of Wantong Pavilion, Sect Master Jiang instantly became polite.

After all, an elder of Wantong Pavilion, regardless of status, is no worse than him, the leader of the Soul Demon Sect!

What’s more, they came to Wantong Pavilion to ask for something. It would be much easier if Elder Xia could help.

“It turns out to be Elder Xia. How disrespectful and disrespectful. I wonder what Elder Xia wants to do with me?”

Sect Leader Jiang asked in confusion!

“Sect Master Jiang, it’s a long story. If you have time, I hope you can come and sit in the humble house!”

Elder Xia extended an invitation to Sect Master Jiang!

Sect Master Jiang looked at David, then nodded and said, “That’s fine, I’ll have nothing to do now.”

Upon hearing Sect Master Jiang agreed, Elder Xia became happy and his face became much better!

“Master, I’m just taking a look around with Brother Yan, so I won’t follow...”

Jiang Yulian wanted to follow Zhe Yan for more walks, so she didn’t plan to go to Elder Xia’s house!

Chapter 3694

“Don’t run around!” Sect Leader Jiang also agreed!

Along the way, he watched the behavior of Jiang Yulian and Zhe Yan, and knew that these two people liked each other and would soon get together!

Sect Master Jiang is not a stubborn person. If his disciples can find the other half to practice Taoism together, he will support it!

Demon cultivators are also human beings, they also have emotions and desires, and they also need to express their emotions!

“Master, I also plan to go shopping...”

The Zheng family saw that Jiang Yulian and Zhe Yan wanted to continue shopping, and he did not plan to go to Elder Xia’s house!

Sect Master Jiang glanced at Zheng Jian, then nodded and said, “You have to be honest and don’t cause trouble for me!”

After telling Zheng Jian, Sect Master Jiang took David and left with Elder Xia! Soon

, led by Elder Xia, several people arrived in front of a magnificent mansion!

An elder has such a luxurious mansion, which shows that Wantong Pavilion is really rich!

“Sect Master Jiang, please come inside...”

Elder Xia invited Sect Leader Jiang and David in!

Just entering the courtyard, Sect Leader Jiang was slightly stunned, then looked around and said, “Elder Xia, is there a magic circle in your mansion? Why do I feel that there is a force suppressing the soul in my body?”

David also felt it. As soon as he entered the courtyard, there was a force that seemed to be restraining the soul, and it was difficult for even the consciousness to spread here!

“Ten Thousand Souls Array, how come there is such a vicious formation here?”

Demon Lord Chiyun said in David’s sea of consciousness!

“Ten Thousand Souls Formation? What kind of formation is this?” David asked curiously.

Although David also felt the existence of the formation, he didn't know what specific formation it was and what its function was!

“This Ten Thousand Souls Array is a formation that nourishes the soul, but few people know that every full moon night, this Ten Thousand Souls Array will absorb souls, leaving people with less souls, and the absorbed souls will be The person who casts the spell refines it.”

“The reason why this formation is vicious, because on the surface it looks like a beneficial array, but in fact it does a lot of harm behind the scenes. “

Demon Lord Chiyun was explaining to David!

After hearing Demon Lord Chiyun's explanation, David couldn't help but tremble in his heart!

He didn't understand who dared to lay such a vicious plot in the elder's mansion of Wantong Pavilion. Formation!

“Sect Master Jiang is right. Someone has indeed set up a formation in my mansion, and it was the formation master that I paid a high price for. “

“It's just because the little girl's spirit has always been weak, and she will lose her spirit from time to time. Even if she is a little frightened, her spirit will leave her body and it is difficult to return to her place. In order to suppress the little goddess's spirit from leaving her body and nourish her soul, we specially asked someone to arrange it. This magic circle. “

I didn't expect Sect Master Jiang to see through it at a glance. Sect Master Jiang is indeed a member of the Soul Demon Sect, and his research on souls is thorough!” “

Elder Xia is just flattering to Sect Master Jiang!

When Sect Master Jiang heard this, he immediately understood why Elder Xia was looking for him!

“Elder Xia, is it possible that after setting up this magic circle, my little girl's spirit is still weak and she often loses her soul? ? “

Sect Master Jiang asked Elder Xia!

“Yes, yes, yes, I really have no choice but to ask Sect Master Jiang for help. I know that your Soul Demon Sect’s research on souls is the best. “

“And doesn’t your Soul Demon Sect have soul-fixing beads, soul-nurturing stones, etc.? “

Elder Xia said!

“Elder Xia, please let me take a look at my little girl’s condition and then make a diagnosis! “

Song Master Jiang said!

“Okay, okay, please come inside...”

Elder Xia nodded repeatedly and led Sect Master Jiang into a small courtyard, which was full of flowers and plants!

Opening the door, Elder Xia invited Sect Master Jiang in. Going in, just when David wanted to go in, he was stopped by Elder Xia!

“The little goddess has a weak soul. It is really not suitable to meet strangers for fear of being frightened. “

Elder Xia stopped David outside!

Chapter 3695

After all, David now looks like a middle-aged man with a full beard, which makes him look a bit scary!

“Elder Xia, this is my friend. He is also very knowledgeable about souls. He will not scare your daughter.”

Sect Master Jiang said quickly!

When Elder Xia heard this, he agreed to let David enter the house! I saw a girl of fifteen or sixteen years old lying on the bed in the room. Her face looked a little pale, and her eyes were dull, as if she was a little stupid!

Although the girl's facial features are very beautiful, her dull eyes make her a little ugly!

With just one glance, David knew that this girl was in a desperate state.

Sect Leader Jiang stepped forward, took out a crystal clear stone from his arms, and then gently turned it around the girl!

Soon, the stone emitted a faint light, and the light became brighter and brighter!

Sect Leader Jiang frowned and immediately put the stone away!

"Elder Xia, your daughter is no longer weak in spirit now. She is obviously missing a soul. The loss of the soul is irreversible unless the soul can be recovered."

Sect Master Jiang said with a solemn face!

"How is it possible? I paid a lot of money to hire someone to set up a soul-nurturing array just to protect my daughter. How could I lose my soul?"

Elder Xia couldn't believe it!

"Elder Xia, can I ask who set up this soul-nurturing array you mentioned?"

David asked!

"I spent a lot of money to invite the formation master from the Central Region. This soul-nurturing formation can indeed nourish the soul, and can also solidify the soul and lock the body, preventing the soul from leaving the body. You can feel it as soon as you enter the courtyard! "

Elder Xia said!

"Elder Xia, may I ask how long you have been setting up this soul-nurturing array?"

David continued to ask!

“It’s been about a year...” Elder Xia recalled!

“One year...”

r> David frowned slightly, thinking a little!

After a while, David said, “Elder Xia, what you have set up in your mansion is not a soul-nurturing array, but a ten-thousand-soul array. This is a very vicious array. Although you can’t see anything usually, this array will On a full moon night, absorb people’s souls!”

“Presumably your daughter’s lost soul was absorbed by this Ten Thousand Souls Array...”

David’s words made Elder Xia freeze on the spot, with disbelief on his face!

“This... this is impossible, how did you know?”

Elder Xia looked at David doubtfully!

“Elder Xia, in addition to his research on souls, this friend of mine is also a senior formation master, so what he said is completely credible,”

said Sect Leader Jiang!

Seeing Sect Master Jiang say this, Elder Xia was frightened!

“What...what should I do? Isn’t my daughter going to be like this dementia all her life?”

Elder Xia panicked, then tightly grabbed David’s hand and said, “Please help me, fellow Taoist, you As long as I get my daughter’s soul back, no matter how much money you ask, I will promise you!” “

I am just a daughter, and I can never let her become like this...”

“Elder Xia, don’t worry, I’ll try first Let’s try it. If your daughter’s soul is really sucked away by the formation and remains in the formation, I can save it, but if the soul has been refined, then there is nothing I can do.”

David said truthfully!

After all, David also knows whether this Ten Thousand Soul Array can refine the soul of Elder Xia’s daughter!

If it is refined, it will really be over. With David's current strength, there is no way to restore Elder Xia's daughter!

"Okay, okay, try it quickly..."

Elder Xia nodded repeatedly and asked David to try it quickly!

David didn't say anything more, but walked directly to the yard!

Immediately afterwards, David waved his hand, and several rays of spiritual light hit the formations, and then the formations in the entire mansion circulated and lit up continuously!

Chapter 3696

"I'm going to look for Miss Xia's soul in this Ten Thousand Souls Array. If I can find the best one, if I can't find it, I will destroy this array. If I let this great array run, I'm afraid it won't take more than a few years. Elder Xia's family will all become dementia!"

David said!

Elder Xia looked at the formation that was constantly flashing light and nodded quickly!

David's skills are much better than others!

David slowly walked towards the center of the formation, and with a ripple in the void, David's figure disappeared.

When Sect Leader Jiang saw this, he broke into a cold sweat for David!

David appeared in a void at this moment, and everything he looked around was a vast expanse of white.

There were only faintly shining array patterns, letting David know that he was in the Ten Thousand Souls Array!

“Boy, you are brave enough. You don’t know anything about the Ten Thousand Souls Array and you dare to rush in. Aren’t you afraid that you won’t be able to get out?”

Demon Lord Chiyun asked curiously!

“Of course I’m not afraid anymore. I understand. I still have you, right? I can’t get out, and you’re trapped here too. I think you don’t want to be trapped either!”

David said with a faint smile!

Demon Lord Chiyun was stunned for a moment, and then smiled bitterly, “Good boy, you are trying to trick me, but although this Ten Thousand Soul Formation is vicious, it is indeed child’s play to me!” “Now

I will open Tianming for you. Eyes, under the eyes of Tian Ming, all illusions have nowhere to hide, and all illusions will disappear!”

David was stunned, with incredible expression in his eyes!

David knew the power of Tian Ming Eye. When he was chased by Qi Peijia in the battlefield of gods and demons, he had no way to escape because of that day Ming Eye!

After Qi Peijia opened the Tianming Eye, David had nowhere to escape!

I didn’t expect that Demon Lord Chiyun would open the Eyes of Heaven and Darkness to him!

David was about to open his mouth to say thank you, but he heard Demon Lord ChiyunHe continued, “Don’t be too happy first. I will open the Heavenly Eyes for you. It does not mean that you have the Heavenly Eyes. As long as I leave your sea of consciousness, you will not be able to open the Heavenly Eyes.”

” If you really want to learn Tianming Eye, I will tell you the technique when the time comes, and you have to practice hard on your own. If I were not a remnant soul now, it would not be difficult to teach you Tianming Eye!”

“It’s a pity for me. Now it is just a ray of remnant soul. It would be great to help you open the Tianming Eye. There is no way to pass it on to you.”

The words of Demon Lord Chiyun made David's excitement instantly turn into depression!

It turns out that Tian Mingyan still needs Demon Lord Chiyun to be in his sea of consciousness!

It is impossible for Demon Lord Chiyun to be in David's Knowledge Sea all his life, which means that David's Tianming Eye is only temporary!

"The temporary one is not bad, please help me open it!"

David said after thinking about it!

Demon Lord Chiyun nodded, and then a red light shot out from David's sea of consciousness, following David's eyebrows and shining around!

Between David's eyebrows, a scar that looked like an eye appeared!

At this moment, David looked around. It was no longer white, but gray, and the atmosphere became a lot more depressing!

But under the gray, there were several dark shadows. David took a quick look and realized that these dark shadows were human souls!

In addition to Elder Xia's daughter, there are also other people's souls. These souls are trapped here, wandering aimlessly!

Seeing this, David breathed a long sigh of relief!

If these souls are refined, it will be over. Now that they have not been refined, David can take the soul of Elder Xia's daughter out!

But just as David was walking towards the soul of Elder Xia's daughter, he was suddenly pulled by a suction force!

Then I saw a beam of light shining on those souls, and those souls showed painful expressions!

Chapter 3697

“Boy, the refining of the Ten Thousand Souls Array has started. You must break the Ten Thousand Souls Array, otherwise these souls will disappear soon!”

Demon Lord Chiyun warned David!

David nodded, and the dragon-slaying sword instantly appeared in his hand, and then a sharp sword light swung towards the place where the light shone!

David now has no time to find the formation’s eye, so he can only forcefully break the Ten Thousand Souls Formation!

boom!

Wherever the sword light reached, there was a loud noise, the large array of patterns began to flash continuously, and countless brilliance lit up chaotically!

At the same time, Sect Leader Jiang and the others who were outside saw the large formations flashing continuously and causing chaos. They guessed that it must be David!

Everyone is worried about David!

“Deploying such a vicious formation is really embarrassing for our formation masters. Let me break it for you...”

David shouted angrily and swung the dragon-slaying sword in his hand again!

Accompanied by a dragon roar, terrifying power struck the formation pattern. The entire formation began to flicker and was about to collapse!

Outside, Sect Master Jiang and the others could vaguely see David’s figure in front of the flashing formation!

“You nosy bas*...”

Suddenly there was an angry curse, and then a man wrapped in aura appeared!

The man has no physical body, he is obviously a ray of soul left in the formation!

The man at this moment stared at David angrily!

“It turns out that you set up this vicious formation. Since the other party gave you money, you still set up such a vicious formation to harm people. Today, you will do justice for God.”

David pointed his sword at the man and said with cold eyes!

“There is no morality in the world of heaven and humans. There is no need for you to pretend to be a big-tailed wolf here. If you ruin my good deeds, I will kill you.”

The man gritted his teeth and said with anger!

“Hahaha, you are so ridiculous. Are you going to kill me with just this remnant of your soul?”

“Leave your name and I will come to you when I have time. Even if you don’t kill me, I won’t either.” Leave a harmful guy like you behind!”

David laughed, his eyes full of contempt!r>

The man also knew that there was no way he could kill David, he was just bragging just now!

If David could be killed by his remaining soul, it would be impossible to break through the Ten Thousand Soul Formation!

“Zhongyu Liangyi Sect, Gu Tianchao...”

After the man finished speaking, the remnant soul instantly turned into a stream of light and rose into the sky!

He couldn’t really fight David!

“What rushed out?”

Sect Leader Jiang suddenly shouted!

Everyone looked and saw a stream of light rising into the sky from the formation!

As this stream of light flew by, the Ten Thousand Souls Array collapsed and disappeared!

The soul of Elder Xia’s daughter suddenly appeared in front of everyone!

Looking at his daughter's soul, Elder Xia was surprised and happy!

“Daughter, daughter...”

Elder Xia said excitedly!

“Elder Xia, your daughter's soul is too weak and must return to her original form immediately...”

After David finished speaking, he rushed into the room with the soul of Elder Xia's daughter!

Then a breath headed towards Elder Xia's daughter!

Along with this breath, the soul also entered the body of Elder Xia's daughter!

After her soul returned to her body, Elder Xia's daughter's face looked much better, and her eyes became brighter!

“Daughter, are you okay...”

Elder Xia rushed over!

“Dad, why are there so many people?”

Elder Xia's daughter said a little scared when she saw so many people in the room!

“Don't be afraid, these people are here to treat you.”

Elder Xia comforted!

“Elder Xia, your daughter has just passed away and needs more rest. We'd better not disturb her!”

After David finished speaking, he winked at Sect Master Jiang and walked out of the room!

Not long after, Elder Xia also walked out!

After seeing David, Elder Xia stepped forward and saluted and said, “Fellow Taoist, thank you so much. Without you, my Xia family would have suffered from the intrusion of the Thousand Soul Array!”

Chapter 3698

“Elder Xia is so polite. I didn’t know that Elder Xia invited people from the Liangyi Sect in the Central Region to set up the magic circle?”

David asked!

He just wanted to know whether the identity the guy reported was true!

“Yes, I didn’t expect to spend so much money, only to be deceived!”

Elder Xia looked angry!

“Zhongyu Liangyi Sect is also a well-known formation sect. I didn’t expect to do such a thing.”

Sect Master Jiang couldn’t help but sigh after hearing this!

“No matter what happens in the Heaven and Human Realm, it is not surprising. Among the five regions of the Heaven and Human Realm, only our Southern Region is relatively peaceful. I heard that the other four regions are in constant disputes.” “

I don’t know what it is . It’s time for the five great domain lords to appear and take care of the order in the heaven and human world!” Elder Xia

sighed softly!

“It’s not certain whether the five domain lords are there or not. They haven’t shown up for hundreds of years!”

Sect Master Jiang also sighed!

“Don’t worry about this big thing anymore. Sect Master Jiang, are you okay with coming to my Wantong Pavilion?”

Elder Xia asked!

After all, if nothing goes wrong, there is no way that Sect Master Jiang would have traveled thousands of miles to come here!

“There are indeed some things that I want to inquire about from Wantong Pavilion!” Sect Master Jiang said!

“What’s the matter?”

“Mr. Cheng wants to find Guanghan Palace, but he doesn’t know the specific location, so he wants to spend money to find out at Wantong Pavilion.”

“We’ve already made an appointment, it’s our turn in the afternoon!”

Sect Master Jiang said truthfully!

“It turns out I’m trying to find out information. This is easy to do. I’ll take you there. If you have any questions, just ask. You don’t need to make an appointment.” “

I have a token here. If anything happens in the future, you can go to Wantong Pavilion at any time. Find out, as long as you have this token, you don’t have to wait!”

Elder Xia took out a dark token and handed it to David!

David was not polite and took the token. After all, he would inevitably have to find Wantong Pavilion to inquire about some things in the future!

But just when Elder Xia was about to take David and the others to ask for the news directly, suddenly a disciple of Wantong Pavilion ran over!

“Elder Xia, someone is making trouble on the street, please go over and take a look!”

the Wantong Pavilion disciple said anxiously!

“How dare someone make trouble in Wantong Pavilion? I’m tired of living.”

Elder Xia was furious, then looked at David and Sect Leader Jiang and said, “You two, wait a moment, I’ll be back soon!”

Elder Xia followed Wantong Pavilion. The disciple left in a hurry!

David and Jiang Sect Master had nothing to do, so they followed them, wanting to see who dared to cause trouble in Wantong Pavilion!

At this moment on the street, a group of people formed a circle!

Inside, more than a dozen Wantong Pavilion disciples surrounded a man and a woman!

Flames were rising from the man's body, his eyes were red, like a beast, he had lost his mind!

And the woman hugged the man tightly to prevent him from hurting others impulsively!

"You brave boy, you dare to cause trouble in my Wantong Pavilion. I think you are impatient."

Elder Xia arrived and slapped him without hesitation!

"Elder Xia, please show mercy..."

At this time, Sect Leader Jiang and David arrived!

After seeing that the man and woman turned out to be Jiang Yulian and Zhe Yan, they immediately rushed forward!

"Sect Master Jiang?" Elder Xia was stunned when he saw Sect Master Jiang rushing towards him!

"Elder Xia, these two are my disciples, please show mercy..."

Sect Master Jiang said!

When Elder Xia heard this, he quickly took a closer look and found out that it was the person who had been with Sect Leader Jiang from the beginning!

When he invited Sect Master Jiang, the two of them were with Sect Master Jiang.

But now Zhe Yan's whole body was burning with flames, and the two of them looked a little embarrassed. Elder Xia couldn't tell the difference for a while!

"Sect Master Jiang, I'm really sorry, but what's going on with your two disciples?"

Elder Xia asked with a slight frown!

Chapter 3699

“Elder Xia, let me ask...”

After Jiang Sect Master finished speaking, he hurried over and asked Jiang Yulian, “Yulian, what’s going on?”

“Master, someone secretly attacked Brother Yan, Yan The supreme fire soul in brother’s body has been taken away, I’m trying to suppress it, otherwise brother Yan will go crazy.”

Jiang Yulian held on to Zhe Yan and said very anxiously!

“How could this happen?”

Sect Leader Jiang was stunned! Chen

Ping also stepped forward at this moment and grabbed Zhe Yan with one hand. A wave of heat entered Zhe Yan’s body, and Zhe Yan slowly calmed down!

“Mr. Chen, I... the fire soul in my body was forced out and taken away...”

Zhe Yan said very weakly!

Zhe Yan is a demon cultivator of the Yan Demon lineage, and the supreme fire soul in his body can be said to be the most important. Without the supreme fire, it would be difficult for Zhe Yan to survive!

It seems that the other party knew Zhe Yan’s identity and did this on purpose!

“Who is the other party?” David asked with a cold face!

“I don’t know him. He’s a young man. He seems to be practicing fire-based skills, but he’s not a demon cultivator.”

Zhe Yan said and suddenly fainted!

Seeing this scene, Sect Leader Jiang quickly took out a soul-fixing bead and stuffed it into Zhe Yan’s mouth!

Now Zhe Yan's natal soul has been taken away. If he cannot retrieve it in a short time, Zhe Yan's life will be in danger!

"This soul-fixing bead can only protect his life for a while. We must find out who captured Zhe Yan's soul."

Sect Master Jiang said with a frown!

David was also very anxious at the moment. Where were they going to find the person who had captured Zhe Yan's soul?

"Sect Leader Jiang, I should know who the person who just mentioned practicing fire-based skills is."

At this time, Elder Xia spoke!

"Who is it?"

Sect Master Jiang asked quickly!

"I'll take you to find him. This guy hunts demon cultivators of the Balrog lineage everywhere and absorbs their souls to practice." "

I didn't expect that among your disciples, there are also demon cultivators with ultimate fire."

Elder Xia He said very puzzledly!

After all, Master Jiang's Soul Demon Sect is a sect that specializes in soul cultivation. How come you have a demon cultivator from the flame demon lineage!

When Sect Master Jiang heard this, he quickly explained awkwardly, "Actually, this Zhe Yan is my disciple's double cultivator..."

When Jiang Yulian heard this, her face immediately turned red!

Although she and Zhe Yan fall in love, the two have not officially become a Taoist couple yet!

There is no dual cultivation. Now that Sect Leader Jiang said this, Jiang Yulian was very shy!

But she was very happy, as it proved that Sect Master Jiang agreed with her following Zhe Yan!

“Oh, that’s it. Let’s leave without further ado!”

Elder Xia personally took Sect Master Jiang and David to find that person!

“Zongzhu Xia, who is this person you are talking about?”

Zongzhu Jiang asked on the way!

“This guy’s name is Mu Kui, the eldest son of the Mu family.”

Elder Xia said!

“A member of the Mu family?” When Sect Master Jiang heard this, he immediately exclaimed.

“What? Do you know Sect Master Jiang?”

Elder Xia asked!

“Well, the Mu family once allowed our Soul Demon Sect to reshape the body.”

“The Mu family specializes in practicing fire-based techniques, but this Mu family is very special. The men practice fire and the women practice ice. So the Mu family From time to time, men and women will practice together!”

“But if you don’t control it well, you will be counterattacked by the other party, and your body will be destroyed, leaving only a residual soul. I will reshape the body of the Mu family.”

said Sect Master Jiang . !

When David heard this, he was stunned!

David said in disbelief, “Then the Mu family is not in chaos...” ” That’s not true. The Mu family has a long history and many branches. Although many people are Mu family members, they have long been estranged by blood.” “Heavenly people

.

Although the world is in chaos, human ethics and morality still exist...”

Sect Master Jiang hurriedly explained, for fear that David would misunderstand!

When David heard this, he nodded slightly to understand. Didn't the houses of kings in the secular world also marry each other to ensure the purity of their bloodlines?

Even today's island nation's royal family still maintains this tradition!

Thinking of the island country, David actually missed his days in the secular world. Now he has long been the god of the island country, and he doesn't know how much power of faith he has gathered!

Chapter 3700

Wantong Pavilion, in a corner courtyard!

Zheng Jian was chatting with a man at the moment, and there was a cloth bag hanging on the man's waist. Inside the bag was Zhe Yan's soul, struggling in pain!

This man is Mukui. In order to quickly improve his cultivation, this guy hunts down demon cultivators from the Balrog lineage everywhere. After all, the demon cultivators from the Balrog lineage are basically casual cultivators here, and few people care about them!

“Fellow Daoist Zheng, thank you so much. I really didn't expect that I could meet a demon cultivator with the ultimate fire in Wantong Pavilion. It seems that I have a good chance of breaking through to the eighth level of the Daodu Tribulation Realm.”

“Wait until I break through to it. I want to go back and let my father take a good look at the eighth-level cultivation of the Tribulation Realm. Even if I am wandering around, I can make my strength improve by leaps and bounds.”

Mu Kui said with excitement on his face!

“Mr. Mu, in our relationship, just say thank you and we’ll end it. We can be considered mutually beneficial. You get training resources, and I get rid of a love rival. If you dare to steal my junior sister from me, you are courting death.”

After Zheng Jian finished speaking, his eyes Staring fiercely at the bag on Mukui’s waist!

If Mu Kui hadn’t needed Zhe Yan’s soul, Zheng Jian would have wanted to whip Zhe Yan’s soul to death right now!

Along the way, Zhe Yan followed Jiang Yulian and kissed me. Zheng Jian couldn’t stand it for a long time!

“Hahaha, it’s hard for a hero to be a beauty. Now Zheng Daoyou can go after your junior sister with peace of mind.”

Mu Kui laughed and patted Zheng Jian on the shoulder!

Zheng Jian also laughed, but soon frowned, and then said solemnly, “Oh no, my master and the others should be here. Mr. Mu, please don’t say that we have met, let alone that I asked you to do this.” .”

After saying that, Zheng Jian jumped up and disappeared!

When Mukui saw this, he wanted to run away, but at this moment the courtyard door was pushed open by him!

“Mr. Mu, you are causing trouble in our Wantong Pavilion and taking away other people’s souls. Don’t you take our Wantong Pavilion seriously?”

As soon as he entered the door, Elder Xia had a gloomy look on his face when he saw Mu Kui. Said!

“Elder Xia, what are you talking about? Why can’t I understand?”

Mu Kui pretended to be dumbfounded and didn’t understand, but he quietly put the bag behind him with one hand!

David had long noticed Mukui’s little movements and had already sensed Zhe Yan’s aura!

“Release my friend’s soul, or you will die...”

David looked at Mu Kui with murderous eyes!

“Huh, who are you? You’re here to scare me. Grandpa, I’m not scared. What’s more, what’s wrong with me killing the demon cultivator!”

Mu Kui snorted and suddenly jumped up!

Immediately, the whole person turned into a ray of fire and quickly swept away into the distance!

“Chasing...”

Seeing this, Elder Xia immediately waved his hand and led the people from Wantong Pavilion to pursue!

Of course Elder Xia had to give an explanation for doing such a thing in their Wantong Pavilion, not to mention that Sect Master Jiang and David had just saved his daughter’s life!

Mukai’s figure was very fast, and his speed was extremely astonishing. He turned into a ball of flame in mid-air, like a shooting star. Elder Xia led his people to chase after him desperately, but he was left far behind by Mukui.

When David saw this, he paused, his figure disappeared in an instant, and then appeared several miles away!

Two balls of flame were burning under David’s feet, and there was even more violent heat around his body. He surpassed Elder Xia and the others in the blink of an eye!

“It’s so fast...”

Elder Xia looked at David and couldn’t help but be surprised!

I saw David’s figure rushing forward in leaps and bounds. Every time his figure disappeared and reappeared, he was already several miles away!

David’s Fire Control Step is an immortal technique, not something ordinary monks can compare to!

David looked at Mukui not far away and felt very regretful in his heart. If his fire-bending steps were perfect now, he would only need two steps to catch up with this guy!

Mukui felt the breath behind him and couldn't help but look back, only to find that David was quickly approaching him in a flash!
