Chapter 3721

Lan Yingying pointed to the thick white fog beside the hall and said!

Several monks looked at the white mist, and all of them had troubled expressions on their faces. It seemed that they knew how powerful the illusory formation was!

“Since you don’t have the courage, then leave. You can’t go in.”

After Lan Yingying said that, she turned around and entered the hall!

The remaining monks looked at each other in shock!

David, who was not far away, heard Lan Yingying’s voice and looked at the fog on that side, and his heart suddenly became ecstatic!

He was still worried about how to enter, but now he has a way!

David walked towards the mist without hesitation!

But who would have thought that the magic machine caught up with him, grabbed David and said, “Fellow Taoist, you must not do it. This illusion array is not an ordinary existence. You can’t go in.” “

As far as I know, there is no one who can wear it.” After passing through the illusory formation and entering Guanghan Palace, many people died inside. There are various combinations of formations in this illusory formation. Some people are trapped in it and cannot get out for a lifetime. You must not try it!”

” I’m not being alarmist. If it weren’t for your generosity and giving me so much money, I wouldn’t have told you. Didn’t you see that those monks didn’t dare to give it a try?”

Shenjizi persuaded. David, don’t let David enter the magic array!

David glanced at the machine, then smiled slightly and said, "I know some formation techniques. Even if I can't pass, it's still no problem to get out..." "

I'm reminding you, if you are trapped in it then, , it has nothing to do with me."

When Shen Jizi saw that David was determined to go, he let go!

David nodded, and then walked towards the illusion array!

The monks at the door were all shocked when they saw David walking towards the illusion formation!

Even the female cultivators from Guanghan Palace at the door looked at David in shock!

"It seems that this guy doesn't know how powerful the magic array is, and he still dares to try it."

"No one has tried the magic array for many days. There is another good show today.. "

"That phantom formation is the palace master's excuse, just to make those monks who come to Guanghan Palace privately retreat in the face of difficulties. "

Several Guanghan palace female cultivators were discussing!

David walked into the illusion array without hesitation, and his figure disappeared in an instant!

"Hey..."

David was seen disappearing into the illusion array. , Shenjizi sighed, "What a good person. He must still have a lot of money on him. What a pity. It would be great if you gave me all the money you have before entering the illusion array!" "

It turns out that Shen Jizi has been thinking about the money on David. If a person dies in the phantom array, the spiritual coins on his body will be useless!

Shen Jizi turned around and was about to leave!

But at this time, in the phantom array, there was There was a mist rising straight into the sky!

Shen Jizi was stunned and stared blankly at the illusory formation!

Even the monks and female cultivators at the door opened their mouths wide with shock!

“How is it possible, the illusory formation is like this?” Is the outer formation of the formation broken? “

Shen Jizi said in disbelief!

As soon as David entered the illusion array, he broke through the outer formations of the illusion array and directly entered the core area of the illusion array. This speed was too fast! He

was able to break through the outer formations of the illusion array. There are quite a few, but as fast as David, there are none!

“This...how is this possible? Didn't that guy just enter?” “

It's too outrageous. In the blink of an eye, the outer formation was broken. Is this guy an formation master?” “

It's useless even if it's an array mage. He can't break the core of the phantom array. He'll just wait to be trapped inside.” “

” If there is no way to break through the outer formation, there is still the possibility of getting lost and returning. Now that we have entered the core of the illusion formation, we will wait to be trapped inside. “

Several Guanghan Palace nuns were chattering!

But at this moment Lan Yingying walked over quickly, frowning slightly and said, “What's going on? Did those guys really enter the phantom formation? “

Chapter 3722

Lan Yingying thought that those monks in ragged clothes had entered the illusion formation because of him!

“No, those guys are still standing outside. Another person went in.” “

But this person is very strange. He came to Guanghan Palace privately, and his clothes were intact. He didn't seem to have encountered any difficulties at all!”

A female cultivator from Guanghan Palace said!

“Another person?”

Lan Yingying was a little surprised!

After seeing Lan Yingying, the magic machine turned around and left quickly. If Lan Yingying found him, his way to make a fortune would be gone!

At this time, in the illusory formation, David was walking forward leisurely and contentedly. This illusory formation had no impact on David at all!

“Fellow Taoist...”

Suddenly, someone called David!

David looked for his voice and found several beauties walking towards David!

When he got closer, David realized that it was Ge Yuhan, Ge Jiayi, Gu Ling'er, Wu Mei'er, Ji Ruxue...

“You... you...”

David looked at the women in front of him and said, I don't know what to say at this time!

“Are we beautiful?”

Ji Ruxue is still so dignified and elegant, with her snow-white skin and stunning appearance that makes people fall in love!

What's more important is that Ji Ruxue is wearing a white dress at the moment, and her looming body is very attractive!

The other girls also wore very bold clothes, exposing large areas of skin!

Each one is as charming as silk, and exudes a seductive smell!

David looked at the woman in front of him, feeling a little sad in his heart!

“Come on, let's play with you, and I promise to make you want to die...”

Ji Ruxue stepped forward and gently touched David's face!

They don't seem to know David, after all, David has changed his appearance!

“Damn it, the Saint of Guanghan Palace, for treating my woman as an illusion. The temptation in the array, I must settle the accounts with her. “

David suddenly cursed angrily, waved his hand lightly, and all the women in front of him disappeared!

David was not obsessed with his mind. He knew that these women were all caused by the illusory formation!

But the Saint of Guanghan Palace, actually used David's female appearance as the basis of temptation, David couldn't accept it.

Even though he knew that it was all imaginary and fake, David felt sour in his heart!

He decided to meet Guang Han Palace Saint, there must be an explanation!

David broke this kind of temptation with a wave of his hand, but many people fell into trouble here! After

all, the people who come here are all young monks who are looking for Taoist companions and are greedy for fame. The beauty of the cold palace female cultivator!

If you encounter so many scantily clad and alluring beauties in this illusory formation, not many people can resist it!

As David waved his hand to break the temptation in the illusory formation, the surroundings suddenly became pitch black, followed by waves of cold air and the roars of fierce ghosts!

David raised the corner of his mouth and sneered!

“Such a low-level illusion array can actually trap so many people. It’s really sad, these monks in the Heavenly and Human Realm really know too little about the art of formations. “

David sneered secretly and walked forward without caring about everything around him!

David kept walking forward, but the formation behind him suddenly collapsed!

Just like this, it collapsed all the way. When David saw it again when he entered a main hall, the phantom formation behind him completely collapsed and disappeared without a trace in an instant!

“The phantom formation collapsed and disappeared directly...”

“What is going on? Could it be that someone passed through the phantom formation and entered the hall?” Is it the outer gate of the cold palace? “

Who the hell is he? This is so awesome! ” “

The commotion caused by the collapse of the illusory array instantly aroused discussion among many monks in the outer palace!

They were all brought in by signing up, but they did not expect that anyone could pass through the illusory array of Guanghan Palace and force their way in!

Chapter 3723

Lan Yingying frowned and stared at the illusory array on one side. Now the illusory array was broken. Not only was it broken, the other party also directly destroyed their illusory array!

You must know that this illusory formation was set up by the Palace Master of Guanghai Palace himself. I didn't expect it to be destroyed like this!

"I want to see who it is? Even if I broke through the illusory formation, I actually destroyed the formation."

Lan Yingying gritted her teeth, feeling very angry in her heart!

At this time, after destroying the phantom formation, David looked at a path and slowly walked towards the outer palace!

Through the illusion formation, this road can lead directly to the outer palace!

The path was covered with snow, and it was obvious that no one had cleaned it, which proved that no one had ever walked on this path!

"I don't know who has passed through the illusion formation. If he is handsome, I will accept him." "A

monk like this who can break into the Guanghai Palace is definitely not bad at all. When the time comes, it will be your turn."

"I also want to become a Taoist couple with this kind of person."

The eyes of several female cultivators in the outer palace shone brightly!

As outer disciples of Guanghai Palace, they are allowed to become Taoist couples with male cultivators, and they also know their mission. Their mission is to find potential male cultivators to become Taoist couples!

This is also done to indirectly increase the strength and influence of Guanghai Palace!

Since you are looking for a Taoist companion, who wouldn't want to find a handsome and capable monk?

Each of these female cultivators was full of expectations, but Lan Yingying glared at these female cultivators so hard that they all shut their mouths!

Regardless of who this person is or what his abilities are, he must give an explanation for destroying the illusory formation in Guanghai Palace!

Soon, a figure slowly appeared from the path!

Everyone waited quietly, no one spoke, it was completely silent!

When the figure approached, Lan Yingying was stunned for a moment, her eyes widened, and her face was full of disbelief!

She didn't expect that it would be David who broke through the illusion formation!

A third-level cultivator in the Tribulation Realm that she looked down upon at all!

Lan Yingying still remembered what she said at that time, third-level monks in the Tribulation Realm did not even have a chance to sign up!

But now, David broke into Guanghai Palace alone!

“So it's you?”

Lan Yingying looked at David and said in surprise!

“Yes, it's me. Since you don't take me with you, I can come in by myself!”

David smiled lightly at Lan Yingying!

Others were also shocked after seeing David!

“This guy is only at the third level of the Tribulation Realm. How could he pass through the illusion?”

“Not only did he pass through the illusion, he also destroyed the formation of Guanghai Palace. This is making trouble!” “

Where is this kid from? Why not? Do you know him?”

Many monks looked at David and started talking about it!

Mukai also frowned slightly and looked at David. He didn't know why, but he always felt that David looked familiar!

However, David changed his appearance and his aura became calmer, but Mu Kui didn't recognize it!

After seeing David, the female cultivators who had just wanted to become a Taoist couple with David were all a little disappointed!

“This one’s not good enough, I’m really disappointed!”

“Three-level Tribulation Realm, I thought he would be a master.” “

Who just said that you want to become a Taoist partner with him? Go quickly!”

These women from Guanghan Palace The disciples were discussing in low voices!

Lan Yingying didn’t care about the female cultivators, but looked at David angrily and said, “Since you passed the illusion array, why did you destroy our array? This is the illusion array set up by our palace master himself. Now you It’s ruined, you must give us an explanation!”

When David heard this, his face suddenly turned cold and he said, “I think your palace mistress should give me an explanation, right? Call your palace mistress here, I have something to ask her. !”

When Lan Yingying heard that David was so arrogant, she couldn’t help but become even more furious!

Chapter 3724

“Who do you think you are? Let our Palace Master come to see you. If our Palace Master comes, you will definitely die!”

Lan Yingying angrily scolded David!

“Since you won’t report it, then I will go and settle the accounts with her myself...”

David said, heading towards the inner door!

This Saint of Guanghan Palace used her own woman as a temptation in the illusion formation. How could David endure it!

Even if it is fake, David feels like he has been cuckolded!

“Stop!”

Lan Yingying stopped David!

David frowned and said, “What? I came in by myself, are you going to kick me out? Don’t you, Guanghan Palace, abide by the rules?”

David deliberately said loudly about abiding by the rules. After all, Lan Yingying was here. When Mukui queued up, he was still very upright, but when Mukui took out the elder token, Lan Yingying had no choice!

“Of course we in Guanghan Palace abide by the rules. Since you have passed the illusion array and entered here, we will definitely not kick you out.” “

You can also choose the female cultivator you like here, and then form a friendship through challenges. Taoist companion!”

“But if you want to go to the inner sect, you must pass the test. Not only you, but also the monks I brought here must pass the test before they can go to the inner sect!” “

Because of the situation this time. She is special, so she must pass the test, but if she passes the test, there will be big opportunities waiting for her later.” “

As long as you pass the test, not only can you hug the beauty back, but you can also go to the polar regions together to explore the place where the immortal fell. If you are lucky, , and it is possible to get an immortal weapon.”

Lan Yingying said to David!

Although Lan Yingying was angry at David for destroying their Guanghan Palace formation, she did not embarrass David too much!

Instead, he explained the rules of Guanghan Palace in detail!

As for the formation quiltIt is up to the Palace Master to decide the matter of destruction, and it is not something she, the person in charge of the reception desk, can take care of!

When David heard this, he immediately shook his head and said, “I’m not here to find any Taoist companions, and I don’t want to bring a beautiful woman

home. I don't even want to participate in any trip to the polar regions. I just want to meet your palace master!"

David came to ask for the Heavenly Demon Stone. , not looking for a Taoist companion.

What's more, there is no shortage of women around David, and all of them are as beautiful as flowers. If he wants a woman, every woman will try their best to get close to him, so there is no need to go through the test!

As for the trip to the polar regions, exploring the place where the immortals fell, and obtaining any immortal weapons, David was even more uninterested!

He also has many magical weapons in his hands, so he doesn't need any magical weapons!

Lan Yingying looked at David in bewilderment. She didn't understand that David had worked so hard to break in from the illusion array, not to find a Taoist companion, nor to travel to the polar regions, but just to meet the master of Guanghan Palace!

You must know that most of these young monks came to Guanghan Palace to find Taoist companions. Of course, some of them heard about Guanghan Palace's trip to the polar regions and came here specially!

But David was neither of them. He broke into Guanghan Palace just to meet the master of Guanghan Palace. This was too unusual!

"If you want to see the palace master, you must pass the test, otherwise it will be impossible to get to the inner gate!"

Lan Yingying said to David!

Seeing this, David could only say helplessly, "Okay, how to test it? Hurry up, my time is very precious..."

"Don't think that you are invincible after passing through our Guanghan Palace Illusion Formation, I tell you , you may just be lucky to pass our illusion array. After all, the illusion array is just a charming mind. As long as the mind is strong, it is easy to pass." "

But this test is a test of real strength. You want to rely on to overcome it. It is simply a fantasy that the strength of the third-level Tribulation Realm can pass the test.”

Lan Yingying saw that David did not take the test of Guanghan Palace seriously at all, so she said coldly!

Chapter 3725

“Whether it’s a fantasy or not, you’ll know once you try it. Let’s start quickly!”

David was a little impatient!

Lan Yingying glared at David and said nothing. Instead, she walked up to the many monks and said loudly, “Everyone, you have been selected when you signed up. Now that you are here, you can choose the female monk you like and challenge for victory. You can become Taoist companions.”

“But if you want to reach the inner gate and then travel to the polar regions, you must pass the test again. But don’t worry, everyone, this trial tower has already been set up by our palace master, so even if someone doesn’t There is no danger to your life if you pass the trial tower.”

“We want to select the most suitable candidate. After all, this polar trip is very dangerous, and our palace master doesn’t want to There were casualties, so this test was set!”

After hearing Lan Yingying’s words, everyone suddenly said excitedly, “Hurry up and start, we can’t hold it anymore...”

After all, there was no life-threatening danger, so they did not quit. .

“Do I still need the test?”

Mu Kui took a step forward and asked Lan Yingying!

“Mr. Mu, although you have the Elder Token, this test is also a must. This is decided by the Palace Master himself. But don’t worry, this trial tower is not

dangerous, and with your strength, you can pass this test. Tower training is very simple.”

Lan Yingying said to Mukui!

“Okay, press me and I will accept the test!”

Mu Kui was very impressed by Lan Yingying’s words!

After all, who doesn’t like people who flatter themselves, but when Lan Yingying saw Mu Kui agreeing, she secretly sneered!

Obviously, Lan Yingying deliberately flattered and killed Mu Kui!

David frowned when he saw that Mukui also had to undergo a test!

After all, this guy has fought with David and is very familiar with David’s aura. If he enters the trial tower, David must let go of his aura. That way If so, Mukui will definitely find out his identity!

But now that the matter has come to this, David cannot back down, so he can only wait. If he can wait until Mukui passes the test and David is accepting the test, then his identity will not be exposed!

Lan Yingying led everyone through the outer palace, and then walked to a high tower!

There is a faint white mist surrounding the tower. The entire tower is like a golden cast, shining with golden light, and on the top of the tower, a green light keeps flashing!

“Everyone, this is the trial pagoda of our Guanghai Palace. Even though this pagoda looks small from the outside, there is a vast space inside. You can fully display your strength.” “

Of course, to pass the test, you must You have to walk all the way from the bottom of the pagoda to the top, and then the gem that shines with green light. Just touch the gem and it will be teleported out of the pagoda. It is considered to have passed the test.” “

There are many mechanisms inside, maybe everyone The tests they undergo are all different, so it is absolutely impossible to gain experience from others.”

Lan Yingying said to many monks!

As soon as Lan Yingying finished speaking, someone said impatiently, “Okay, hurry up and open the trial tower, we can’t wait!”

Lan Yingying waved her hand, and the door of the trial tower slowly opened!

As soon as the door opened, several monks rushed in impatiently!

These people may think that passing the test first will give them a lot of face, and in this way they can attract the attention of many female cultivators!

Looking at the monks rushing in, David sneered!

These guys are so impatient. Although the trial tower is not life-threatening, they never said they would not be injured!

If you are seriously injured and unable to practice, it will be even worse than death!

David glanced at Mukui. He hoped that Mukui could pass the test first so that his identity would not be exposed.

Chapter 3726

Bang bang bang...

Suddenly, after a muffled sound, the monks who had just rushed in were all knocked out!

These people fell to the ground one by one, wailing in pain!

“Holy shit, what kind of f**** test is this? It’s so perverted...”

“Didn’t I agree that it’s not life-threatening? I almost died in there.”

“My legs are broken, how can I practice in the future?”

“Liar, Guanghan Palace is a big liar...”

The monks who were knocked out screamed and cursed one by one!

At this time, all the monks who were gearing up just now were a little confused!

Many people became nervous. They were eager to try it out after hearing Lan Yingying's words that it was not life-threatening! If

you don't lose your life in the end, but become seriously injured and can no longer practice, that will be even worse than death!

"Hmph, a bunch of cowardly guys!"

Seeing that no one dared to enter, Mukui snorted coldly and walked into the trial tower swaggeringly!

When the other monks saw this, some gritted their teeth and followed in, while others announced their withdrawal!

David was counting the time. When Mukui was about to pass, he was going in!

Seeing that David didn't dare to go in, Lan Yingying suddenly said with a sarcastic face, "Since you don't dare to go in, then go back. I said, even if you passed the illusion array by luck, you can't pass this trial tower!"

David said Looking at Lan Yingying, she didn't say anything, but after waiting for a while, she walked into the trial tower!

As soon as he walked into the trial tower, David found that the world around him changed and he was in an endless forest!

The surroundings are filled with the roars of various beasts!

"Is this this kind of test?"

David raised his lips. He didn't expect that the test in Guanghan Palace was so simple!

It should be that after everyone enters the trial tower, they set foot in different scenes, and each scene has its owndanger!

David walked forward in the endless forest!

From time to time, ferocious beasts rushed out, but were easily killed by David with his Dragon-Slaying Sword!

Although David is currently only a third-level monk in the Tribulation Realm, David is not afraid of a seventh-level monk in the Tribulation Realm!

David killed the beasts along the way and easily arrived in front of the gem emitting green light!

Now David only needs to touch the gem with his hand and input his breath into it, and he can be teleported out of the trial tower, and he will pass the test!

But just when David was about to walk towards the gem, his body exuding aura, his expression suddenly tightened!

“Who is it, get out...”

David discovered that someone was hiding not far away!

David was a little surprised. He didn't know why the other party was hiding and secretly observing him!

“I didn't expect it was really you. Even if you change your appearance, the aura on your body can't change.”

Mu Kui walked out of the hiding place, and there were several people following behind Mu Kui!

These people obviously entered this scene from the trial tower and then followed Mukui!

After all, only Mukui is the strongest here!

“Have you been waiting for me?”

David looked at Mukui who appeared and frowned instantly!

He didn't expect that Mukui didn't leave the trial tower, but was waiting for him here!

“I always felt that you looked familiar, but I just couldn't remember it. Now through the aura emanating from you, I finally know who it is.” “I

didn't expect you to be so courageous that you dare to come to Guanghan Palace!"

Mu Kui said with a sneer!

"Why don't I dare? But you leaked my whereabouts to others and wanted to kill someone with a borrowed knife. It's a pity that the people you found were too pure and couldn't kill me at all!" "Now that you know

my true identity, Then I can't spare you!"

David's eyes were filled with murderous intent.

Chapter 3727

"David, don't forget, this is Guanghan Palace. Do you dare to take action here? Aren't you afraid of Guanghan Palace?"

Mu Kui was not afraid of David at all!

This is Guanghan Palace, and his aunt is the elder of Guanghan Palace. Mu Kui also has great power in Guanghan Palace, so of course he will not be afraid of David!

As long as David dares to take action, he will leave the trial tower immediately, and then the people from Guanghan Palace can surround David!

"David? Is this the person who was killed by the Demon Sealing Alliance with hundreds of years of sacrifice?"

At this time, a monk behind Mu Kui asked with golden eyes after hearing David's name!

"Yes, it's him. Whoever of you can kill him can get a hundred years of worship from the Demon Sealing Alliance."

Mu Kui pointed at David and said!

When the monks heard this, their eyes suddenly shone with light, as if they had seen a big girl!

“Hahaha, I’m rich, I have a hundred years of worship from the Demon-Sealing Alliance, and I’m going on a ridiculous trip to the polar regions.”

“Kill, you’re really lucky!”

“Don’t follow anyone. I’ll grab it...”

These monks thought they were lucky and rushed towards David!

Looking at the monks rushing towards him, David had a calm expression. In his eyes, these guys were already dead!

When they had the intention to kill themselves, they were already dead!

Mukui looked at everything with a sneer, and then kept moving closer to the gem!

He knew that these people were no match for David!

He did this on purpose, just to let David kill these people!

When he leaves the trial tower, he can put a hat on David. Guanghai Palace will not just sit idly by!

David had already seen what Mukui was thinking, but it was impossible for him to let Mukui leave alive. If his identity was exposed, it would be troublesome!

David raised his hand, and a bow and arrow appeared in David’s hand!

God King Bow!

David actually took the God KingThe bow was brought out!

The purpose is to keep everyone here. As long as these people die, no one will know his identity, let alone know that he has the God King Bow!

Seeing the God King Bow that David suddenly took out, the monks were all stunned!

But while they were stunned, David had already clasped the bow string, and then slowly pulled it full!

The evil spirit of the Dao pattern continued to condense, and finally turned into several arrow feathers!

Uh-huh!

As soon as David let go, the arrows flew towards those monks instantly!

Before there was any time to react, the bodies of those monks were penetrated by arrow feathers!

At the moment when the arrow feathers penetrated, the bodies of several monks began to disintegrate, and in the end they were completely wiped out, leaving no corpses behind!

Seeing the terrifying scene, Mu Kui, who had been sneering just now, was dumbfounded!

He didn't know that David had such a powerful weapon in his hand!

This guy doesn't even know God King Gong!

Mukui turned around and rushed towards the gem. He wanted to leave the trial tower as soon as possible!

David pulled the bow and arrow again, and an arrow feather exuding an icy aura appeared!

David gently released his fingers, and the arrow flew towards Mukui like a shooting star!

The arrow feathers pierced through the void in the blink of an eye and arrived in front of Mukui!

"Who...who is this guy?"

Mu Kui was shocked. He didn't understand what kind of prince or nobleman David was. How could he have such a powerful weapon in his hand!

Feeling the breath of death approaching, Mukui regretted a little. He regretted what he did to provoke David. He could just leave the trial tower!

But now it's too late to regret it. He can only continuously wave out auras, and then various barriers are formed in front of Mukui!

In the end, there was a wall of fire. These barriers blocked Mukui to death!

It's a pity that the God King's Bow in David's hand is not an ordinary weapon!

In front of the God King's Bow, these barriers are as fragile as waste paper!

Chapter 3728

Bang bang bang!

The arrow feathers passed through several barriers in succession, and finally defeated the wall of fire instantly.

Mu Kui was so horrified that he could only bite the tip of his tongue and spit out a mouthful of blood!

The essence and blood solidified instantly, and then a violent explosion occurred the moment the arrow feathers arrived!

The terrifying aura is like a flood, rushing in all directions!

It was this breath that caused the arrow feathers to stop!

However, the aura on Mukui's body dropped at a speed visible to the naked eye!

In order to survive, Mukui directly exploded all the essence and blood in his body. Although he is still alive now, it is impossible for him to break through again, and his strength will even decline!

Mu Kui glared at David fiercely, then quickly stepped forward and grabbed the gem that exuded green light!

As a breath poured into the gem, Mukui's body began to disappear, and in the end he was directly teleported out! When

David saw this, he put away the God King Bow and hurriedly chased after him. He didn't expect to take out the God King Bow and let Mu Kui escape. He would never let Mu Kui live!

After touching the gem, David's body was instantly teleported out!

Lan Yingying and many female cultivators from Guanghan Palace are waiting for those who pass the test!

From time to time, people were teleported out of the trial tower, but Mukui never showed up, which surprised Lan Yingying!

After all, this guy has the highest strength, so it stands to reason that it would be easy to pass the test!

But now many people have passed, but there is still no sign of Mukui!

Lan Yingying could not help but feel a little nervous. After all, Mu Kui was the nephew of Elder Mu. If there was something wrong with him in the trial tower, Lan Yingying knew that she would not get any good results!

At the same time, Lan Yingying was also observing David's figure. It would be difficult for someone with a third-level Tribulation Realm cultivation to pass the test!

But David was neither eliminated nor passed, which left Lan Yingying a little confused!

At this moment, a black shadow suddenly rose into the sky from the top of the trial tower, and then quickly fell to the ground.!

"Help, help me..."

Mukai yelled and came straight to Lan Yingying!

At the same time, David followed closely behind, chasing closely, holding the Dragon Slaying Sword in his hand!

Lan Yingying was startled, and then looked at Mukui who had fallen down, her face full of doubts!

Mukai's face was very ugly and his breath was weak. He seemed to be seriously injured!

David, on the other hand, was holding the dragon-slaying sword and looking at Mukui fiercely!

Lan Yingying and other monks were shocked!

A seventh-level monk in the Tribulation Realm was being chased in such a panic by a third-level Tribulation Realm monk. How could such a thing happen?

“Miss Lan, this guy killed someone in the trial tower and wants to kill me. Stop him quickly...”

Mu Kui asked Lan Yingying to stop David!

However, Mu Kui did not tell Lan Yingying about David’s true identity. He had his own plans.

He planned to tell his aunt about David’s identity, and then kill David, so that the Mu family could monopolize the hundred-year tribute from the Demon Sealing Alliance!

“What...what is going on? Why do you want to kill people?”

Lan Yingying looked confused at the moment and asked David!

“I don’t want to hurt you, please get out of my way. He must die today!”

David pointed his sword at Lan Yingying and said!

Even if David reveals his whereabouts to Mukui and seeks someone to kill him, David will not let him go, not to mention that Mukui now knows his identity!

“How dare you, this is Guanghai Palace, how dare you...”

Before Lan Yingying could finish her words, a terrifying aura erupted from David’s body!

Lan Yingying was stunned and looked at David in disbelief!

“Is this the aura that can be emitted by the third level of the Tribulation Realm?”

Lan Yingying was confused!

David saw Na Mukui running away, so he jumped up and chased after him!

“Be brave, you can’t enter the inner gate casually.”

Lan Yingying shouted angrily and stepped forward to stop David!

David frowned, pointed the dragon-slaying sword at Lan Yingying and said, “Get out of the way, or you will die...”

Killing intent erupted from David’s body, and his eyes were even colder and terrifying!

It seemed that he could kill Lan Yingying in just a moment!

Lan Yingying felt the terrifying murderous intention on David’s body, and she was stunned for a moment, her body was trembling slightly!

When David saw Lan Yingying like that, he didn’t say anything, but passed Lan Yingying and chased after Mukui!

Lan Yingying didn’t chase her this time because she had a feeling that if she chased him, David would really kill her!

When Mukui saw David chasing after him, he was so panicked!

Now his strength is constantly declining, and all the blood and essence in his body has been burned up by him!

If David catches up with him, he can be killed with one sword!

“Who is it? Breaking into the inner gate of Guanghai Palace without permission?”

Just when Mu Kui saw the inner gate of Guanghai Palace, two disciples of Guanghai Palace suddenly blocked the way!

“Get out of the way, I am Elder Mu’s nephew, and I have a token here!”

Mu Kui quickly took out the token, “I’m here to see my aunt...”

After the two inner disciples saw the token, they just said Being able to dodge allowed Mu Kui to enter the inner gate of Guanghai Palace!

“Auntie, help me, help me...”

As soon as he entered the inner door, Mukui started shouting for help!

This made many Guanghai Palace nuns look at him in surprise!

At this moment, David had also chased the inner gate of Guanghai Palace. Two disciples of the inner gate stopped David and asked sternly, “Who are you? You are not allowed to enter the inner gate of the palace!” “

Get out of the way, I don’t want to hurt you. !”

David said with a cold expression!

“Bold, a third-level cultivator in the Tribulation Realm dares to speak arrogant words!”

An inner disciple glared at David and said!

They were all at the sixth level of the Tribulation Realm, but David dared to talk to them like this!

David didn’t say anything, but slashed with the Dragon-Slaying Sword in his hand!

Roar...

The sword energy was like a dragon, roaring and going straight towards the two disciples!

At this moment, the two inner disciples were all stunned.

“Is this... is this the sword energy of a third-level monk in the Tribulation Realm?”

“It’s too scary, hide quickly...”

The two inner disciples quickly evaded to both sides!

In fact, David didn’t want to hurt them, he just wanted them to get out of the way!

Just as the two inner sect disciples were hiding, David rushed into the inner sect!

At this moment, a middle-aged woman walked out of the inner hall, and then said with a gloomy face, “Mukui, this is the inner hall of Guanghan Palace. What are you yelling about?”

This person is Mu Kui’s aunt, Elder Mu of Guanghan Palace!

“Aunt, help, someone wants to kill me...”

After Mu Kui saw his aunt, he immediately fell from the air, and then knelt in front of Elder Mu with a look of grievance!

“What’s going on? Who hurt you like this? Why is the essence and blood in your body gone? Is your strength also declining rapidly?” “

In this case, wouldn’t you be unable to practice in the future? Wouldn’t that be a problem? Are you useless?”

Elder Mu asked in shock when he saw Mukui like that!

“Auntie, it’s that David. He wanted to kill me. In the trial tower, I exploded all my blood essence to save my life. Now he has caught up with me!”

Mu Kui was horrified. Said!

And as he spoke, he looked back, his body trembling with extreme fear!

“What? Attack you in the trial tower? Who asked you to go to the trial tower? With my token, you can enter and exit the inner door at will. Where is the need for a test?”

Elder Mu gritted his teeth and roared with anger. road!

Chapter 3730

When Mu Kui heard this, he immediately understood that it was Lan Yingying’s fault that made him enter the trial tower, and he actually used the trick of flattering and killing him!

Thinking of this, Mu Kui wanted to beat up Lan Yingying right now!

“Auntie, David is here. I feel his aura. This guy is the person the Demon Sealing Alliance has used a hundred years of sacrifice to kill. As long as you kill him, you can get a hundred years of worship from the Demon Sealing Alliance.”

“I only want to do this.” Let me tell you, you must not tell others, in this case, the hundred years of enshrinement from the Demon Sealing Alliance will belong to our Mu family.”

Mu Kui whispered to his aunt!

At this time, Mu Kui was still thinking about the hundred years of worship from the Demon Sealing Alliance!

But now that he has arrived at the inner gate of Guanghai Palace, with his aunt protecting him, Mu Kui believes that David cannot kill him at all!

“What? This guy is the person that the Demon Sealing Alliance is chasing with a hundred years of offerings. How great!”

Elder Mu smiled coldly, and then said, “Hide behind me and look at my aunt. How can I avenge you!”

Mu Kui hid behind Elder Mu, then David's figure appeared, and then landed in front of Elder Mu!

Elder Mu looked David up and down and was a little surprised to find that David only had the third level strength of the Tribulation Realm!

"Boy, did you hurt my nephew?"

Elder Mu asked David!

David glanced at Mu Kui who was hiding behind Elder Mu, nodded and said, "I not only want to hurt him, I also want to kill him..."

After David finished speaking, he slashed down with his sword without hesitation!

The terrifying sword energy was heading towards Na Mukui from all directions!

"How dare you do it in front of me at the inner gate of our Guanghan Palace!"

Elder Mu did not expect that David, a third-level monk in the Tribulation Realm, would be so bold, so he waved his hand, and a layer of layers suddenly appeared around him. The layer of ice mist directly blocked David's sword energy!

David looked at Elder Mu, he knew that he must go all out and find a way to kill this Mukui!

Otherwise, Mukui would definitely expose his identity.

David put away the Dragon-Slaying Sword, and the terrifying aura continued to fill his body!

The world instantly became dark, as if it was the end of the world. Dark clouds suddenly covered the sky and the sun, and the entire Guanghan Palace was shrouded in black clouds!

Everyone looked at the sudden change in the sky in shock, and everyone was shocked!

In the black clouds, there was lightning and thunder, and David's body floated slowly, surrounded by thunder and lightning, echoing the thunder and lightning in the black clouds!

In David's eyes, a ray of light slowly came out!

The source of thunder and lightning in the body continues to spread outward!

Lightning flashes appeared and disappeared, and soon all the lightning converged towards David!

David slowly raised his palm, and then pressed it down towards Mukui!

Everyone saw that thunder and lightning flashed on David's palm, and the surrounding thunder and lightning were gathering towards his palm!

David's palm was like a whirlpool, constantly absorbing the surrounding thunder and lightning!

"What kind of skill is this? It's too scary!"

"Can someone in the third level of the Tribulation Realm be able to perform this kind of skill?"

Everyone looked up at David!

Lan Yingying looked even more shocked. She never expected that David would shock her again and again!

Is this still the third-level monk in the Tribulation Realm that she despises?

Elder Mu frowned, a bad premonition surged in his heart, and he hurriedly protected Mu Kui behind him!

"Thunder Palm..."

David swung his palm down!

In the palm of his hand, the power of thunder crashed down, piercing the void in an instant!

With the blessing of the source of thunder and lightning, the power of Thunder Palm is doubled!

When the thunder thundered down, Elder Mu waved his hand suddenly, and ice walls rose up from the ground to wrap Mukui inside!
