An Understated Dominance by Marina Vittori Chapter 2245

Chapter 2245

“What?!”

Xu Yang was startled and jumped up from his seat, with a look of astonishment on his face.

At this moment, he suspected that he had heard wrongly.

If you take this pill, you will have to share your life with Liu Hongxue. It is really outrageous!

How can this be such a child’s play?

In fact, not only Xu Yang, but also the others looked at each other, secretly shocked.

No one expected that Huang Yinyin would act like this.

You know, twin poisons are very rare, and as long as they are used well, they can save people’s lives.

But now, Huang Yinyin is using it as a performance, and has tied the lives of Xu Yang and Liu Hongxue together.

This joke was a little too big.

“Sister Yinyin, can these two poisons be cured?”

Liu Hongxue swallowed her saliva, feeling a little uneasy.

If she was curious and fresh at first, now she is nervous and scared.

She didn’t want to live and die with anyone else, even if that person was her senior brother Xu Yang.

If Xu Yang is killed outside one day, wouldn’t she have to die too?

“Of course not. Twin Gu is a consumable product. Once used once, it cannot be used twice. Once activated in the human body, it cannot be forced out again.”

Huang Yinyin smiled slightly: “From now on, you two are friends in adversity who share life and death, and rely on each other for good and bad times. You must cherish each other!”

“ah?!”

Liu Hongxue’s face froze, and she was about to cry without tears: “This, this, this...isn’t this too hasty?”

“What? Don’t you want to meet a special Gu? This is it.” Huang Yinyin smiled harmlessly.

“Special?” Liu Hongxue’s eyes twitched, and she couldn’t express her pain.

What’s so special about this? This is obviously life-threatening!

“Junior sister! You, you! You are so confused!”

Xu Yang was so angry that he slapped his thigh, looking like he hated iron.

If Liu Hongxue hadn’t been clamoring to try it just now, how would he have tried it himself?

It’s fine now. I suffered such a big loss for no reason, but I still can’t explain it.

“I...” Liu Hongxue puffed her lips, knowing that she was in the wrong, so she could only choose to remain silent.

“You two don’t need to be discouraged. In addition to tying your lives together, the Twin Gu has other wonderful uses.”

Huang Yinyin changed the subject and added: “For example, the two of you will have telepathy in the future and your cooperation will be more tacit. At the same time, your cultivation speed will also be greatly improved. If you can practice dual cultivation, that would be even better. You will get twice the result with half the effort. If you make rapid progress, given time, you will definitely be able to make a name for yourself.”

After hearing this, Xu Yang and Liu Hongxue’s expressions softened.

Living and dying together is a foregone conclusion. They cannot change it, they can only accept it.

Fortunately, Twin Gu still has many wonderful uses, and for them, it can be considered a blessing in misfortune.

“Brother! It’s right over there. I just saw it clearly. There’s no mistake!”

At this time, a group of men in black attire stormed into the playing field aggressively.

These people were burly, holding long knives, and had extraordinary auras. They were obviously not good people.
