An Understated Dominance by Marina Vittori Chapter 2242

### Chapter 2242

“I have heard about the name of the Saint for a long time, but when I saw her today, she was indeed well-deserved.” Liu Rushuang stood up and saluted, her attitude neither humble nor overbearing.

“Senior Sister Liu, you’re welcome.” Huang Yinyin nodded slightly.

“Greetings...Greetings to the saint.” After being stunned for a moment, Xu Yang quickly stood up and saluted, looking a little nervous.

“You are my uncle’s friends, and you are my friends. You don’t have to be so reserved.” Huang Yinyin said with a smile, without any airs.

“My name is Liu Hongxue, nice to meet you.” Liu Hongxue stretched out her hand with excitement.

Huang Yinyin is not only a saint of the Witch Gu Sect, but also the second most powerful person on the list of geniuses.

It is undoubtedly a great honor to be friends with such people.

“Nice to meet you.”

Huang Yinyin smiled and stretched out her hand to shake Liu Hongxue’s hand.

However, this move scared Liu Rushuang and Xu Yang slightly.

You know, the rumored saintess of the witchcraft sect is full of poison. Physical contact with such a person will be life-threatening at any time.

“Don’t be nervous, we Wu Gu Cult disciples are not wolves, tigers, or leopards, and we won’t hurt people easily.” Huang Yinyin seemed to have seen something, and explained with a smile.

Liu Hongxue and Xu Yang looked at each other, feeling a little embarrassed.

It seems that their little thoughts cannot be hidden from each other at all.

After several people got to know each other, they sat down one after another.

However, due to the presence of Huang Yinyin, Dustin and others undoubtedly became the focus of everyone's attention.

Many warriors were pointing and making various guesses.

Disciples of the Witch Gu Sect have always been solitary, and few people dare to approach them.

It is so rare for someone like Rhys to talk and laugh with the Holy Girl of the Witch Gu Sect.

"Uncle, I heard that there are many masters participating in the competition this time, including some strange people. Although you are very strong, it will inevitably be a bit hard to pass all the way. I have a good way to make it easy for you. You can easily win the championship; at the same time, you can also help these friends around you to strive for a good ranking." At this time, Huang Yinyin suddenly said.

As soon as these words came out, Yan Buqi and the others immediately became energetic.

They came to Longhu Mountain this time just to make a splash and make a name for themselves.

If Huang Yinyin really had a way to help them get a good ranking, that would be great.

"Oh? If you have any ideas, you might as well tell me." Dustin smiled.

If it takes less energy, he will naturally not refuse.

"It's very simple. Find those who are a threat to us, and then secretly poison them to destroy their cultivation. This way, everything will be foolproof!" Huang Yinyin smiled proudly.

“Huh? Poison?!”

Hearing this, Yan Buqi and the others were stunned.

You look at me, I look at you, my expression is stiff and I can't say a word.

Are you kidding me? Is this a good idea?

This is clearly setting yourself on fire!

This martial arts competition brings together elite masters from all sects in the world.

If these people were poisoned, wouldn't all the sects be offended?

If something happens, let alone the competition, it will be a question of whether they can get out of Longhu Mountain alive.

Only a madman could come up with this method of seeking death.
