An Understated Dominance by Marina Vittori Chapter 2256

Chapter 2256

“Damn it! What the hell are you doing on the 28th? They are clearly luring the enemy in, and you can’t see through such a simple trap. It’s really disappointing!”

Seeing that the bet failed, Xu Yang cursed and looked unlucky. appearance.

“Senior brother! This is the player you like? Isn’t it too bad?” Liu Hongxue puffed her lips, looking very dissatisfied.

She thought that Xu Yang was well-informed and must have very good eyesight, so she followed the bet, but she did not expect such a result.

“Junior sister, you can’t blame me for this. It’s only the guy on No. 28 who failed to live up to his expectations and caused us to lose everything.” Xu Yang smiled bitterly.

“Humph! I will never bet with you again!” Liu Hongxue rolled her eyes.

A bottle of blood-replenishing pills can be sold for a lot of money in the market. She was originally thinking of making some extra money, but she didn’t expect that she wasted money in the end.

“This...”

Xu Yang looked embarrassed and could only change the topic: “No one can say for sure whether he will win or lose. Look at the No. 6 player chosen by Brother Dustin and Senior Sister, won’t they also lose?”

“Huh?”

Liu Hongxue looked suspicious, then looked at Arena No. 1.

At this moment, on the No. 1 arena.

The woman in red holding a sword was still fighting fiercely with the man in black holding a black iron rod.

Although the woman in red is powerful, she lacks speed and skills, and has gradually fallen into a disadvantage.

From time to time, he would be hit by a man in black.

An ordinary warrior would probably fall down after being hit with a stick, but the woman in red is an exception.

He was beaten ten times with a stick, but nothing happened. He was still active and vigorous.

“Did you see that? The woman in red can no longer resist. If she continues to fight, she will be defeated soon.” Xu Yang continued to give pointers.

“Really? I think she looks very strong.” Liu Hongxue didn’t believe it.

“Junior sister, you don’t understand.”

Xu Yang started to show off again: “Don’t look at her now, she is very active, it’s just an appearance. She has been hit with more than a dozen heavy sticks before and after. I dare to conclude that she has suffered a lot. She was seriously injured, and now she is just holding on. As long as she lets it out in one breath, she will be defeated immediately.”

“Really?” Liu Hongxue narrowed her eyes.

“You will know if you read below, senior brother will never lie to you.” Xu Yang was full of confidence.

While the two were talking, the woman in red on the first stage suddenly stopped.

“Wait!”

The woman in red quickly raised her hand to stop the man in black who was about to continue attacking.

“What? Are you going to admit defeat?”

The man in black put away his stick and stood up, feeling slightly relieved.

I have to admit that the person in front of me is very strong. After a fierce battle, most of his energy has been consumed.

Although they have the upper hand, it is estimated that some tricks will be needed to completely win.

Of course, it would be even better if the other party could admit defeat on their own.

It can save him some energy for the next game.

“Who said I was going to give up? I was just too hot, so I just took off two pieces of clothing.”

The woman in red said, taking off her coat, revealing the black iron heavy armor underneath.

After quickly unlocking the lock, the woman picked up the black iron heavy armor and threw it under the ring.

“Boom!”

There was a loud noise.

The heavy black iron armor directly smashed a pit into the ground.

Seeing this scene, the man in black was stunned.
