

Chapter 1042 Nelly Was Tempted

Trevor ignored the prying eyes from all directions.

Instead, he turned to Ivanna with a serious expression.

"Don't put too much pressure on yourself. Just take it as a daily practice. You just need to do your best. Ivanna, you are a great singer."

Trevor's sincere compliment and encouragement moved Ivanna.

She nodded heavily and beamed at him.

"I will do my best!"

Without the organizer's interference, Ivanna was able to perform at the time originally arranged for her.

Trevor accompanied her to the stage.

When they passed by the rest area near the stage, the two female singers sat there, disappointed.

They couldn't help but sneer at Trevor and Ivanna.

"If you don't have the strength, just go home. Don't make a fool of yourself."

Trevor looked at them with a blank face and raised his fist.

The two girls instantly shut up and looked away in fear.

They could still remember what happened to the organizer just now.

Trevor then turned to Ivanna and patted her shoulder. "Go ahead. Your stage is just in front of us. You don't have to listen to others. Just sing your song."

"Okay!" Taking a deep breath, Ivanna strode towards the stage.

Meanwhile, Nelly got the information about Ivanna from the organizer.

Although Nelly didn't think highly of Ivanna, Trevor's attitude just now made her curious.

For as long she could remember, only a few people in the entertainment industry dared to be so brazen in front of her.

Was that new singer really talented? Was she worth protecting at all?

But as soon as Nelly saw Ivanna's profile information, she could only frown.

According to it, Ivanna was just an ordinary art major. She didn't even have any record of performing on stage, let alone winning awards.

She had nothing except her beauty.

This was Nelly's impression on Ivanna after reading the information about her.

Disappointed, Nelly shook her head. It seemed that Ivanna was only good-looking and not talented.

Just as Nelly thought so, Ivanna began to sing on the stage.

"Who is singing?"

For a long time, Nelly had been working as a senior agent, yet she rarely heard such a beautiful voice.

Therefore, she rushed to see who was performing on the stage, only to be surprised to see Ivanna.

The crowd immediately cheered.

Despite the noise, Ivanna still sang to the melody of her song. Her powerful voice could bring the audience's souls into an incredible ecstasy.

Not only her charming face, but also her amazing voice swept away the coldness of the winter.

In disbelief, Nelly stood there and watched Ivanna own the stage.

"She is such a talented young girl. I was wrong! She has great potential!"

It felt as though Nelly's heart was going to jump out from her chest.

A lot of artists that she trained became famous and successful, so she was known to be a top agent.

For this reason, wealth and influence were never a problem. In fact, some big shots even respected her.

But it wasn't enough for Nelly. She wanted to cultivate an international superstar!

And witnessing Ivanna perform gave her more hope.

In Nelly's opinion, Ivanna could easily become a superstar locally and soon globally, conquering the entire entertainment industry.

"Sir! Please wait a moment. I want to talk to you." In a hurry, Nelly pulled Trevor's sleeve.

Thinking that she only wanted to pester him more because of what happened a while ago, Trevor scowled at her. "What do you want?"

The excitement Nelly felt could no longer be hidden. Her face turned red as she said, "Will you allow me to train Ivanna? I want to be her agent! Please trust me. I have the best resources in the entertainment industry."

Trevor frowned in surprise.

Why in the world would a top agent propose to train a new singer?

It wasn't just Trevor who found it hard to believe. The two girls didn't look pleased with what they heard.

They had worked hard to persuade Nelly to agree to train them, and she was very reluctant at that time.

But now, Nelly took the initiative to ask Trevor's permission for her to be Ivanna's agent.

"Why? Are you out of your mind? Why would you want to train that bitch?"

The two singers couldn't help but voice out their complaints.

They were the only ones who questioned Nelly's decision because they were blinded by jealousy. Everyone else understood that Ivanna's voice had won the top agent's

interest.

Trevor cast an indifferent glance at the two girls and said calmly, "There is a way for you to prove that you are sincere. Ivanna signed a contract with my company. If you want to train Ivanna, you have to first terminate your contract with these two, and then join my company."

For a moment, Nelly hesitated.

She wasn't hesitating to terminate her contract with these two girls.

What she was worried about was that if it would be okay for her to join Sky Film and Television Company, a newly established company.

As she pondered, Nelly looked at the charming Ivanna on the stage. In the end, she gritted her teeth and reached out her hand to Trevor. "Okay, deal."

A smile appeared on Trevor's lips. He accepted Nelly's hand and shook it. "I'm looking forward to our pleasant cooperation."

Then he took a sideways glance at the two girls and smirked.

Of course, they were dumbfounded. Their agent abandoned them so easily as if they were trash.

However, it was too late for them to regret what they did today.
