

Chapter 1061 Malakai Got Angry

It was very unfortunate that the director of the tax bureau was hiding behind them. He must have heard everything that Lochlan said.

Trevor smiled and asked calmly, "So, you're saying that you can represent the tax bureau and the country?"

Lochlan shouted without hesitation, "Yes, of course! I can represent the bureau and the country. What do you think?"

Lochlan was so angry that his face flushed. He even grabbed the corner of the desk and overturned it. The computer screen was smashed to the floor, and the sound of glass breaking was clearly audible.

"What now? Do you still have something to say? Damn! How dare you talk to me like that?" Lochlan shouted triumphantly. He felt that Trevor was helpless to his violent law enforcement.

Trevor sneered and remained silent.

Malakai, standing at the entrance of the company, could never ignore such a big incident.

He had clearly seen the entire process of Lochlan's violent law enforcement.

Trevor was looking forward to seeing Lochlan's expression when Malakai showed up.

Lochlan misunderstood Trevor's silence. He thought that he had intimidated Trevor, so he became more arrogant.

He took out the seal he had already prepared, turned to the employees, and pointed at them.

"All of you, get out of here! This place will be sealed. If you don't want to be locked inside, get out now!"

When Malakai saw this scene, he couldn't stand it anymore. He came out from an inconspicuous corner and shouted, "Stop it! What's your employee number?"

"Who the hell are you? It's none of your business..." While scolding, Lochlan turned his head. Then he stiffened and couldn't say anything anymore.

Malakai! The director of Barlowtown's tax bureau was here.

When Lochlan saw Malakai's gloomy face, he immediately felt a great disaster was approaching. It was as if he had seen the end of the world. His heart beat wildly, and the expression on his face became terrible.

He was doomed.

"Humph! I heard that someone could represent the entire tax bureau and even the country. I want to see who has such arrogance."

Malakai's face darkened. After all, everything Lochlan did today was a humiliation for the tax bureau.

"What? When it comes to law enforcement, I still have to learn from you, right?"

Lochlan was so frightened that his legs trembled. He almost wetted his pants on the spot. He hurriedly said, "Mr. Chadwick, I don't dare..."

Malakai laughed angrily. "You dare! You have the nerve to represent the law! What else don't you dare to do?"

Trevor crossed his arms over his chest, stood at the side, and watched Lochlan grovel to Malakai. Seeing Lochlan tremble, he couldn't help smiling faintly.

The employees of Sky Film and Television Company were so shocked that their eyes widened and mouths gaped open.

They thought the company was going to be bankrupt. They didn't

expect things to turn out like this.

The arrogant and domineering Lochlan just now turned into a humble person in front of Malakai. He didn't even dare to say a word anymore.

Malakai took a deep breath and said to Trevor, "I'm so sorry that you have to see this."

He looked at the overturned desk and the pieces of broken glass on the floor. He was so angry that he kicked Lochlan. Then he said to Trevor again, "I'm sorry for the trouble today. But don't worry. The tax bureau will surely compensate for all the losses your company has incurred. I will also make an internal report. We will investigate and find out all these bad people. It seems that I need to spend extra time correcting the behaviors of the people in the tax bureau."

Malakai apologized to Trevor sincerely.

And this scene shocked the employees of Sky Film and Television Company even more.

Did the director of the tax bureau know Trevor? What kind of identity did their young boss have?

Malakai was the director of the tax bureau, but he was very respectful to Trevor. So incredible!

While all the employees were looking at him, Trevor waved his hand and said with a smile, "It's okay. But I'm curious why this inspector came to my company for no reason."

Lochlan had already been scared out of his wits. Now that Trevor and Malakai were looking at him, he sold out the person who asked him to do this without hesitation.

"It's Caitlin Sanderson. She came to me this morning and asked me to target this company. Caitlin forced me to do it, and there was nothing I could do. I had no choice."

Trevor touched his chin and said coldly, "Tsk, it's really her. She hates me that much!"

Malakai felt he still owed Trevor, so he took the initiative to offer, "I

know Xzavier, Caitlin's father. Wait a moment. I'll call him."

After saying this, he walked to a corner and made a phone call. Trevor did not listen to their conversation.

It didn't take long for Malakai to come back with good news.

Caitlin was grounded for a while. She couldn't go anywhere.
