Chapter 3796

David played with the five-color stones for a full hour, but still didn't see the trick!

You must know that the things passed down by the five major sects cannot be useless rocks!

But David has no way of knowing the use of this stone!

"Mr. Chen, what are you looking at?"

Lan Yingying came over and sat next to David!

David glanced at Lan Yingying but said nothing. He was still a little resistant to Lan Yingying!

He doesn't like this woman very much!

Seeing David like that, Lan Yingying took the initiative to apologize, "Mr. Chen, I'm really sorry. Due to my ignorance and willfulness, the saint has suffered losses in the past two days."

"Thank you for saving me. I know I was responsible for it." You are a little biased!"

Lan Yingying apologized sincerely, she had already discovered David's extraordinary qualities at this moment! *m.V0D1W.Calf*

it weren't for David, let alone her, it would be uncertain whether these saints would be able to find these pole stones and whether they would be able to survive until now!

"Don't mention the past!"

David saw that Lan Yingying was sincerely apologizing, so he didn't say anything more!

After all, Lan Yingying is not bad in nature!

“Mr. Chen, I see you have been looking at the stone for a long time. Is there anything special about this stone?”

Lan Yingying looked at the five-color stone in David’s hand and asked!

“This stone is always warm. I wanted to find out what’s inside, but I couldn’t find it at all!”

David said, handing the five-color stone to Lan Yingying!

Lan Yingying took the five-color stone and immediately screamed, “It’s so hot...”

Lan Yingying threw the five-color stone to the ground!

There were thick layers of snow and ice on the ground, but after the five-colored stones fell, even the snow actually burned!

Seeing this strange scene, David’s eyes widened immediately and he picked up the five-color stone!

“It’s not hot...”

David was very puzzled, why did Lan Yingying say that these five-color stones were very hot!

Lan YingyingHe cautiously approached the hand, but as soon as he got close, he quickly moved away.

“I can feel the heat wave in this stone, it’s too hot...”

Lan Yingying said!

David was a little confused now. He didn’t understand what was going on!

When Sect Leader Na Luo gave it to him, he didn’t seem to say it was hot, he just gave it to him!

David looked at the five-color stone in his hand, and then at the burning marks on the ground!

The ground is covered with ice and snow, but it can actually burn. This is so strange!

“Mr. Chen, have you tried to see if the stone will change if it is burned with fire?”

Lan Yingying said!

When David heard this, he felt that he could give it a try, so a fire burned in his palm, and David held the five-color stone in his hand!

The fire burned the five-color stone violently, and soon the light on the five-color stone began to dim!

Then, the colorful stones finally turned into a dark color!

At this time, David was a little dumbfounded and burned the five-color stone black!

This is how to do?

Just when David was at a loss, the stone slowly cracked!

Immediately afterwards, the five-color stone collapsed, and an object the size of a crystal core was revealed inside!

This crystal core is crystal clear, but there are also five colors inside, and there is a very subtle flame in each color!

This time, David took the crystal core inside the five-color stone and slowly injected it with spiritual power!

The light suddenly shone in all directions, and the colorful light reflected half of the sky red!

The flames inside began to beat violently!

When David saw this, he was so frightened that he quickly put away his spiritual power. This kind of vision can easily attract people!

If this attracts other monks, it will be troublesome!

“So beautiful...”

Lan Yingying said with shock on her face!

“Holy shit, Lord Huo Lingxing’s supreme fire essence?”

At this time, the voice of Demon Lord Chiyun sounded in David’s mind!

Chapter 3797

David was stunned and quickly asked, “Senior, do you know this thing? Did you remember something?”

Demon Lord Chiyun shook his head, and then said, “Although I have lost my memory, I know this thing. It is the fire Lord Lingxing’s Ultimate Fire Essence.”

“There are five kinds of Ultimate Fire stored in it. How come the things belonging to Lord Fire Lingxing ended up in the heaven and human world? Has this guy ever been to the heaven and human world?”

David listened. Following the words of Demon Lord Chiyun, I understood what was going on!

Lord Huo Lingxing came to the Heaven and Human Realm during the war between gods and demons, so it is very possible that his things exist in the Heaven and Human Realm! Chen

Ping looked at the Supreme Fire Essence in his hand and was very shocked!

He never thought that there would be many kinds of ultimate fire!

The origin stars are flashing. If David wants to absorb the ultimate fire in this essence, he will definitely be able to enhance his fire origin a lot!

But just as David thought, the original power of the fire element poured into the essence like a rolling flood!

The red flame in the soul began to slowly become more obvious, and the light became more dazzling!

“fu** ...”

David was shocked and quickly cut off his original power!

He originally wanted to absorb the power from this supreme fire essence, but he didn't expect that his original power would be swallowed up!

"Are you crazy? You are just a little monk in the Tribulation Realm, but you still want to absorb the Fire Essence of Lord Fire Lingxing?"

Demon Lord Chiyun asked in shock!

David scratched his head. He just wanted to give it a try, but he didn't expect the Fire Essence to be so powerful!

"This shit can't be absorbed, so it seems to be of no use..."

David threw the Ultimate Fire Essence into the storage ring!

If it cannot be absorbed, it is useless to David!

"Mr. Chen, what is that?"

Lan Yingying asked curiously when she saw that David had not said anything for a long time!

"A monster beast pill is of no use!"

David said perfunctorily!

Even if he told Lord Huo Lingxing about the ultimate fire essence, Lan Yingying probably wouldn't understand!

Just after David finished speaking, suddenly a sound that broke through the air kept ringing!

"Someone is approaching..."

David frowned and immediately became alert!

When Lan Yingying saw this, she shouted out to all the resting saints!

In this polar area, there is danger at any time, so always stay vigilant!

David felt the direction of the sound and couldn't help but become confused!

Ordinarily, in this polar region, due to the magnetic field, no matter what kind of monk it is, it is impossible to fly quickly and for a long time!

But the sound made now is obviously the sound of breaking through the air caused by rapid flight!

Soon, a figure appeared, heading toward David and the others in a very embarrassed manner.

David was very vigilant, his consciousness was released, and he also took the Dragon-Slaying Sword in his hand!

If the opponent can fly so fast in the polar regions, his strength must be quite high!

As the opponent got closer and closer, David was surprised to find that the opponent turned out to be a spirit body. The aura on his body was erratic, and his whole body seemed to be blown away by the wind!

“Sect Master Chen...”

David saw the other party and was immediately shocked!

Seeing that the physical body of Sect Master Chen had long since disappeared, and now there was only a remnant soul left, David finally knew why the other party could fly.

However, David didn't understand why Sect Master Chen became like this not long after they separated from Sect Master Luo and others!

Sect Master Chen was obviously panicked and did not notice David and the others at all!

Maybe he hasn't adapted to his identity as a soul, so he flies erratically!

“Sect Master Chen...”

David jumped up and shouted to Sect Master Chen!

Sect Master Chen was startled, and when he saw it was David, he burst into tears of joy!

“Fellow Daoist Chen, help, help...”

Sect Master Chen shouted!

Chapter 3798

David hurried forward and looked at Zongzhu Chen like that. He asked strangely, “Zongzhu Chen, what’s wrong with you? Why are you like this?”

Zongzhu Chen could no longer hold on and fell from the air. , the breath on his body is also extremely weak!

Seeing that the remnant soul of Sect Leader Chen was about to dissipate, David took out the soul-fixing bead from his storage ring!

This was a gift from Sect Leader Jiang of the Soul Demon Sect, and now it is just in use!

After taking out the Soul-fixing Pearl, Sect Master Chen’s residual soul became obviously stable, and his breath gradually recovered. I have to say that this Soul-fixing Pearl of the Soul Demon Sect is really a good thing!

“Sect Master Chen, don’t be impatient and tell me slowly what’s going on?”

David told Sect Master Chen not to be anxious, and kept pouring spiritual energy into the remnant soul of Sect Master Chen!

This can replenish the breath consumed by Sect Leader Chen, so that the remaining soul will not dissipate due to exhaustion of breath!

“Mr. Chen, we were attacked by a sneak attack. Sect Leader Luo and the disciples of the five major sects were trapped. I finally destroyed my body and escaped with this remnant soul.”

“You Hurry up and save Sect Master Luo and the others, if you go too late, they will die!”

Sect Master Chen said anxiously!

“Who made the sneak attack?” David was puzzled!

It is said that the five major sects are also well-known sects. Who dares to take the initiative to make a sneak attack?

What's more, Sect Master Luo has now been promoted to the ninth level of the Tribulation Realm. Who would provoke him?

"It's the Ghost Demon Sect. I didn't expect that these demon cultivators would also come to the extreme..."

Sect Master Chen said!

"Gui Sha Sect?" David frowned slightly. He didn't know about this sect!

"Gui Sha Sect? Wasn't this sect destroyed by the Demon Sealing Alliance a long time ago? It must have been many years ago. How could it suddenly appear and attack you?"

At this time, Lan Yingying said in confusion!

"The Guisha Sect was wiped out by the Demon Sealed Alliance many years ago. In fact, it has always existed. Our five major sects have been tracking the Guisha Sect for many years and have killed many disciples of the Guisha Sect."

"These demonic cultivators practice weird ghost evil methods to absorb the evil spirit and practice, so we have been secretly pursuing these demonic cultivators.

"No one expected that these people from the Guisha Sect would come to the polar region and set up an ambush to attack us. " "

In the past, these people from the Guisha Sect only had activities in twos and threes, but this time nearly a hundred people came. It's so strange..."

Sect Master Chen explained!

When David heard this, he instantly understood that this Guisha Sect should also be a member of the Fenghuang clan. A dog kept in captivity by the Demon Sealing Alliance. Many demon cultivating sects that were exterminated by the Demon Sealing Alliance became dogs of the Demon Sealing Alliance as long as they were willing to obey!

And those who were unwilling to obey the demon cultivating sects were literally strangled. !

David now understands why the five major sects, this upright sect, are unwilling to cooperate with the Demon-Sealing Alliance and kill the demon cultivators together!

It turns out that the five major sects have also discovered the Demon-Sealing Alliance's activities!

But this time, the Ghost Demon Sect The hundreds of people dispatched should not be targeting the five major sects alone, but coming for himself!

David knew that against the five major sects, the Demon Sealing Alliance would not be able to go to war in such a big way, even risking the exposure of the Gui Sha Sect!

Gui Sha The sect was wiped out by the Demon-Sealing Alliance. If it appears on a large scale now, people will definitely doubt whether the Demon-Sealing Alliance has wiped out the Guisha Sect!

Now that the Demon-Sealing Alliance has brought out all the elites of the Guisha Sect, it will definitely It's aimed at himself!

This Guisha Sect uses the energy of Yinsha to practice, and must be of the Yinmo lineage.

At this time, Binglu and many saints also gathered around!

They want to know what happened!

Listen to It was said that the five major sects were attacked by demonic cultivators, and Binglu was willing to go to the rescue!

Now all she had to do was wait for a word from David!

After all, Sect Master Luo of the five major sects was kind to David, so it was reasonable for David to take them to rescue them!

"Sect Master Chen, besides the Gui Sha Sect, are there anyone else who attacked you?"

"And what kind of strength does this Gui Sha Sect have?" "

David asked!
