Chapter 3801

Sect Leader Luo's body turned into a storm and rushed in one direction!

The disciples of the five major sects behind them rushed in the opposite direction. They hoped to attract the opponent's attack and relieve the pressure on Sect Master Luo!

"Hmph, trying to rush out is simply wishful thinking!"

The man in black robe snorted coldly!

I saw the man in black robe wave his sleeves, a large amount of black energy filled the air, and then rushed into the formation with the disciples of the Ghost Demon Sect!

He lost his patience and didn't want to be entangled any longer. He wanted to go out and kill the people from the five major sects himself!

"Brother, I'll leave the one named Luo to you. I'll take care of the other five sect disciples!"

After the hunchbacked old man finished speaking, he spit out a black light from his mouth and instantly turned into a ghost and headed towards the five major sect disciples! The

body of the hunchbacked old man also turned into a stream of light. In this formation, they are gods and masters!

No matter how the disciples of the five major sects fled, they could not escape from their grasp!

I saw countless fierce ghosts constantly gathering from the black mist, and then attacking the disciples of the five major sects!

Disciples from the five major sects continued to fall, but they had no time to take care of them. Those who could still move ran away desperately!

It's a pity that no matter how they escape, since they can't escape from the area shrouded in black mist!

In the end, the disciples of these five major sects were all breathing heavily and gathered around!

The bodies of the five major sect disciples who died began to shrink rapidly at this moment, and bursts of black energy emerged from their bodies!

“Hahaha, such pure Yin evil energy. I want you to be killed slowly, so that the Yin evil energy will become more pure.”

The hunchbacked old man waved his palm, and in an instant several fierce ghosts roared and charged at him. To the disciples of the five major sects!

Puff puff puff...

In just one encounter, several more disciples from the five major sects were killed!

But this time, the hunchbacked old man did not absorb the evil spirit. Instead, the resentment after the death of the disciples of the five major sects turned into fierce ghosts and filled the formation!

The hunchbacked old man is too insidious, he just wants the five major sect disciples to kill each other!

The disciples of the five major sects looked at their former companions and friends, and now they turned into fierce ghosts. They opened their teeth and claws to attack them, and they all seemed to be afraid of rats!

“Fight...”

A disciple from one of the five major sects roared and walked straight towards the hunchbacked old man!

The others ignored the evil ghost's obstruction and rushed towards the hunchbacked old man. Even if they couldn't kill him, they could just hurt the old guy!

However, the disciples of the five major sects still overestimated themselves. Just as they rushed towards them, the hunchbacked old man raised his lips, and dozens of fierce ghosts appeared to stop them!

Many of them are former companions and friends. Looking at the familiar faces, they can't let go!

But these companions who turned into evil ghosts attacked them without mercy!

In the moment of hesitation, more than a dozen disciples of the five major sects died tragically at the hands of Li Gui!

This time, the number of Li Gui was even greater, but there were only about twenty disciples of the five major sects left!

One will wax and wane, and if this continues, within a moment, all the disciples of the five major sects will be dead and injured!

“What a shameless method!”

Just when the disciples of the five major sects were about to accept the judgment of fate, they suddenly shouted!

Then I saw the billowing black fog that was so ugly that a ray of light shone in. This ray of light was like the rising sun, causing the black fog to instantly begin to dissipate!

Then a heat wave swept across the sky, and dozens of fierce ghosts were engulfed in flames. They had no time to struggle at all, and were instantly wiped out!

After the flames engulfed the ghost, they swept towards the hunchbacked old man!

The hunchbacked old man's expression changed drastically, and he hurriedly waved out streaks of black mist to block it!

The terrifying heat wave, with its endless pressure, instantly defeated the black mist!

Chapter 3802

The hunchbacked old man's body was hit, and he quickly flew backwards, hitting the rocks not far away heavily!

Facing the sudden appearance of light, the disciples of the five major sects were all pleasantly surprised!

The appearance of light means that the formation of Gui Sha Sect has been broken!

As long as the formation is broken, they have hope of escape!

But they really wanted to know who it was that broke this formation, easily eliminated dozens of ghosts, and knocked the hunchbacked old man away instantly!

Who is it that has such powerful strength!

In that light, David appeared in a golden armor, with an indestructible golden body on his body, making David like a god! Wherever

the golden light shines, the black mist disperses like a tide!

David fell next to the disciples of the five major sects and glared at the hunchbacked old man!

“Sect Master Chen...”

The disciples of the five major sects saw Sect Master Chen next to David!

But after seeing that Sect Master Chen was just a remnant soul, these disciples instantly understood something!

But at this time, they didn't have time to be sad!

“Where is Sect Master Luo?”

Sect Master Chen asked when he saw that there were only disciples from the five major sects and no Sect Master Luo was seen!

“We broke out separately. Sect Master Luo prepared to break out from the other side.”

A sect disciple said!

When Zongzhu Chen heard this, his face suddenly became worried!

“Sect Master Chen, you take the remaining disciples and go find Sect Master Luo immediately. Now that the formation has been broken, Sect Master Luo should be fine!”

David said to Sect Master Chen!

“Fellow Daoist Chen, then you...”

Sect Leader Chen was afraid that David wouldn't be able to handle it himself!

“Don't worry, I am still confident in dealing with a small demon cultivator of the eighth level of the Tribulation Realm. I will catch up with you soon.”

David said!

“Well, take care of yourself!”

After Sect Master Chen said that, he led the remaining sect disciples and rushed in the direction of Sect Master Luo's breakout!

The hunchbacked old man had already stood up at this moment, with a gloomy look on his face!

When he saw David clearly, then he narrowed his eyes and said, “It turns out to be your boy. I just happened to kill you today so that I can go back and follow the leader of the Zuo Alliance to recover!”

When David heard this, he immediately laughed and said, “Sure enough, the Demon-Sealing Alliance sent you. You Demon-Sealing Alliance lackeys of the alliance.”

“Are you afraid of being beaten by the Demon Sealing Alliance and are you willing to lie on the ground and become a dog?”

“I see that you have a very strong evil spirit. You must be a demon cultivator of the Yin Demon lineage. Really? Shame on you Yin Demon Ancestor!”

David sneered at the hunchbacked old man!

“Boy, you’re looking for damn death!”

The hunchbacked old man seemed to have been hit on a sore point, and he immediately became anxious!

I saw him wave his hand, and countless black energy began to fill his body. The breath vibrated for dozens of miles, and the black energy once again filled into a large fog!

The black mist surged, and a shrill ghost chirp sounded, thousands of fierce ghosts condensed together!

These fierce ghosts are constantly changing, gathering and dispersing constantly and roaring!

As the hunchbacked old man waved his palms, those evil ghosts came towards David from all directions!

Even under David’s feet, there are fierce ghosts constantly attacking!

David looked at those fierce ghosts with a sneer on his lips!

“You evil ghosts are so childish that they can’t hurt me at all.”

“But if I transform into a evil ghost, I can make you evil ghosts disappear into ashes!”

David said disdainfully.

“What a joke, how could you transform into a fierce ghost? You are not a demon cultivator, and you don’t know the art of Yin evil. Do you really think that it is so easy to transform into a fierce ghost?” The

hunchbacked old man said with a sneer.

He didn’t believe that David had the ability to transform into a ghost!

As the black mist in the hands of the hunchbacked old man continued to erupt, there were more and more evil ghosts, and they surrounded David!

“If you don’t believe it, just watch it!”

David suddenly jumped up, and a black ball of light appeared in his palm!

“Hua...”

David gently threw the black ball of light in his hand, and it exploded immediately!

In the midst of a surge of black energy, a fierce ghost with a body several feet in size and a ferocious face appeared!

Moreover, the body of the fierce ghost transformed by David seemed to be solid!

Chapter 3803

I saw this huge ghost, opened its mouth wide, and all the ghosts transformed by the hunchbacked old man were sucked into the body!

In an instant, thousands of fierce ghosts disappeared without a trace!

The hunchbacked old man opened his mouth and couldn't believe what he was seeing!

“This... how is this possible? How can you transform into a fierce ghost?”

“No, this is not the evil spirit of yours, but the evil spirit of the Dao Mark, the evil spirit of the Dao Mark of the ancestor of the Yin Demon.”

“Why do you have the evil spirit of the Dao Mark ? , This is a hundred times more powerful than the evil spirit, who are you?” The

hunchbacked old man trembled slightly and asked David loudly!

“If I said that I was a good friend of your Yin Demon Ancestor, would you believe it?”

David said with a faint smile!

“You fart...” How could the hunchbacked old man believe it?

Who is the Yin Demon? How could he have friends like David, a young monk in the Tribulation Realm!

What's more, after thousands of years of war between gods and demons, the life and death of the Yin Demon is unknown. He is probably dead in the battle long ago. Where does he have friends!

"Hey, I'm telling the truth, but it's a pity that you don't believe it, so there's nothing I can do about it!"

David shook his head and suddenly spoke!

A monstrous suction force instantly sucked the fierce ghost into the body, and even all the black mist around it was sucked into the body without leaving any trace!

In an instant, the sky was clear for hundreds of miles, and there was no longer any black fog!

Seeing David inhale so much black mist when he opened his mouth, the hunchbacked old man was so shocked that he was speechless!

If David was not a demon cultivator, he would not dare to inhale the black mist.

But if David is a demon cultivator, he can't detect the aura of a demon cultivator in David at all!

What exactly is going on?

The hunchbacked old man looked confused at this moment. A third-level monk in the Tribulation Realm is not yet a demon cultivator, but he can transform into a fierce ghost and possess Dao Mark evil spirit!

This is beyond his cognition!

"Damn it, it's evil, it's better to go..."

The hunchbacked old man wanted to give up, he didn't want to Dare you fight with David!

Just when the hunchbacked old man turned around and ran away, David smiled!

“You want to run away, have you asked me?”

David used the Fire Control Step and caught up with the hunchbacked old man just as his body swayed!

The hunchbacked old man was shocked, and he tried his best to speed up again!

But David is like a ghost, always following him!

“You’re a bit slow, hurry up...”

David said with a smile!

The hunchbacked old man saw the flames burning on David’s feet. He had no idea what kind of magic David was using, but he could follow him like a shadow and couldn’t get rid of it at all!

“Stop chasing...”

The hunchbacked old man slapped David with his palm!

But this time, the hunchbacked old man did not use the evil spirit. He knew that the evil spirit had no effect on David!

It was just a burst of pure spiritual power that hit David!

But David did not dodge or dodge, and the indestructible golden body on his body shone with light, allowing the hunchbacked old man to hit him with a palm!

Bang!

David’s figure didn’t even move!

This hunchbacked old man is a demon cultivator, and his power lies in his evil spirit. Now he doesn’t dare to use his evil spirit. He wants to use his pure spiritual power to hurt David. It’s a joke!

When the hunchbacked old man saw this, he looked helpless and ran as hard as he could, but he couldn’t outrun David!

Finally, I could only stop panting!

How he played with the disciples of the five major sects just now, now David is playing with him!

The boomerang finally hit me!

“What do you want?”

the hunchbacked old man asked David!

“Of course I want to have fun with you, I still have some good things for you to see!”

After David finished speaking, he took out the magic whip!

Then the magic whip snapped in the air, without hitting the hunchbacked old man, but just like that, the hunchbacked old man was so frightened that he felt his head buzzing!

Full Read Online **Chapter 3804** of the novel **A Man Like None Other**

Chapter 3804

“What, what is this?”

The hunchbacked old man looked at the magic whip in David’s hand with extreme fear in his heart!

The whip hadn’t hit him yet, but the sound alone made him dizzy. If it hit him, it would be a big deal!

“This is called a magic whip. It’s specially used to beat magic cultivators. You’ll know how it feels after you try it. It’s very satisfying!”

David said, whipping the hunchbacked old man on the body, which made the hunchbacked old man scream!

He kept beating the hunchbacked old man until his skin was torn apart, and he kept begging for mercy!

“Please, stop fighting, I was wrong, I was wrong!”

“Spare me, I will never be a dog to the Demon Sealing Alliance again, and I will never hunt you down!”

The hunchbacked old man couldn't bear it. Stay away from the soul pain caused by the magic whip! If

it was just physical pain, he could bear it!

However, the magic whip is specifically used to deal with the spiritual consciousness of the demon cultivator. This kind of pain cannot be endured by willpower!

Seeing the hunchbacked old man like that, David directly reached out to pick it up, and then chased him in the direction where Sect Master Chen and the others had just gone!

The reason why David didn't kill the hunchbacked old man was because he felt that this guy was still useful, and maybe he could be exchanged for Sect Leader Luo!

David's speed was very fast. The hunchbacked old man felt David's speed and his eyes were almost shocked!

Now he finally understood why the Demon Sealing Alliance wanted to use a hundred years of sacrifice to hunt down David!

This is not a third-level monk in the Tribulation Realm. He is even more awesome than a ninth-level monk in the Tribulation Realm!

And he also has a magical whip in his hand that can restrain demon cultivators.

The hunchbacked old man now regrets it to death. Why did he take this job?

“Can you sense where the other members of your Guisha Sect are?”

David asked the hunchbacked old man!

Although David knew the general direction of Sect Leader Luo's escape, David couldn't tell whether the direction would change in the middle!

So I want the hunchbacked old man to sense the location of his sect disciples!

As long as we find people like Gui Sha Sect, we will definitely find LuoThe suzerain!

“I...I can't sense it!”

The hunchbacked old man shook his head!

“You fart, how do you contact each other or get together?”

David slapped the hunchbacked old man on the head!

“I...I really can't sense it, we...”

The hunchbacked old man still wanted to hide it!

David stopped listening and whipped the hunched old man with the magic whip several times!

The hunchbacked old man howled and screamed, and his whole body became ferocious!

“If you don't tell me, I'll keep pumping you until you do!”

David kept pumping with his hands!

The hunchbacked old man was about to cry. He grinned and said, “I said, I said...”

Seeing that the hunchbacked old man relented, David stopped!

“I'm going to ask my brother where he is right now.”

The hunchbacked old man took out the sound transmission jade slip from his arms and carefully inserted a burst of spiritual power!

It can be seen that it is very important for the hunchbacked old man to see this jade slip!

Just after the sound-transmitting jade slip was imbued with spiritual power, a deep voice came from the other side, “Boy, you're fucking crazy. Why did you suddenly use the sound-transmitting jade slip? Did you encounter some emergency?”

You know? Although the sound transmission jade slips are ordinary, they are also valuable items. They will not be used casually unless there is an emergency!

The hunchbacked old man looked at David and then said, “Brother, I killed all the people from the five major sects. Where are you now? I will look for you. Have you caught the man named Luo?”

“No, this The kid actually came to the crack and was running desperately towards the borderland of chaos. He probably wanted to enter the land of chaos and not let us catch him!”

the man in black robe cursed!

“I understand, I’ll be there soon!”

The hunchbacked old man put away the jade slip!

He glanced at David and said, “You know the location, can you let me go?”

“Let you go? What a beautiful idea you have!”

David snorted coldly, and carried the hunchbacked old man toward the crack!

Full Read Online **Chapter 3805** of the novel **A Man Like None Other**

Chapter 3805

David knew that if he didn’t avoid the big crack, he would have to cross the crack if he wanted to go to the chaotic land on the border!

But there is no way to cross the crack, so David has to find Sect Leader Luo before he crosses the crack!

Otherwise, Sect Leader Luo would most likely be swallowed up by the crack!

David’s speed was maximized! At

this time, the man in black robe, with the disciples of Guisha Sect, is chasing Sect Leader Luo!

“Damn it, the second son is a loser. Even the formation has been broken. He also said that he has wiped out all the people from the five major sects.”

“You are lying to me. You have destroyed the people from the five major sects. Why should you use the formation?” It was broken and the man named Luo escaped.”

“I think he was caught by someone. He is a piece of trash, otherwise he wouldn’t be able to use the jade slip to transmit sound!”

The man in black robe cursed and kept moving towards Luo The sect leader chases after him!

If the formation had not been broken, it was impossible for Sect Master Luo to escape from the formation even if he ran. However, the formation was broken, giving Sect Master Luo a chance to escape towards the border!

After receiving the jade slip from the hunchbacked old man, the man in black robe discovered that the hunchbacked old man had been arrested!

“Great Elder, since the Second Elder has been arrested, why do you still tell us our location?”

A Guisha Sect disciple asked in confusion!

“I said it just to let them come here. This big crack is full of evil spirits. For us, it is the best place to practice, but for other monks, this is the place to be buried. “

I’m going to lure all these people here, and then let them bury themselves in this big crack!”

“You lead people to ambush around. They must be coming soon. I will chase the man named Luo. He is tired now.” You can’t run fast!”

the man in black robe ordered!

“As ordered...” Hundreds of Guisha Sect disciples all ambush him!

The man in black robe quickly chased towards Sect Leader Luo, and the man in black robe’s body turned into a black smoke, like a whirlwind!

Sect Leader Luo is extremely weak at the moment and is about to collapse.!

The crack ahead is getting closer. As long as you cross the crack, you can reach the borderland of chaos!

The chaotic land at the border of the world of heaven and humanity, anyone who steps into it will die!

But even so, Sect Master Luo ran over without hesitation!

He didn't want to be caught by the Guisha Sect, and he knew what would happen if he was caught!

He also doesn't want to be killed by the Gui Sha Sect. He knows that the Gui Sha Sect hates him deeply. If he kills himself, he will definitely refine his remnant soul into a fierce ghost at the moment of his death!

In that case, they can use the remnant soul of Sect Master Luo to massacre all the disciples of the five major sects!

That would be the catastrophe of the five major sects!

“Luo, don't even think about running away!”

The man in black robe caught up with him like a gust of wind!

Seeing that the man in black robe was the only one, Sect Master Luo couldn't help but sneered, “Even if I am weak now, it's not that easy for you to catch me.”

“I am at the ninth level of the Tribulation Realm. Wouldn't it be so embarrassing if Pin was caught!”

“Hmph, let's try it!” The man in black robe laughed ferociously, stretched out his arms, and suddenly a large black mist covered a radius of dozens of miles!

Sect Leader Luo unleashed his final fighting strength and started fighting with the man in black robe!

At this time, David looked at the rising black mist in the distance and knew that the people of Guisha Sect had already taken action against Sect Leader Luo!

At the same time, on David's side, Sect Master Chen took the remaining twenty disciples of the five major sects and headed towards the direction of the black mist!

When they met together, Sect Leader Chen's eyes were full of surprise!

"Fellow Daoist Chen, you caught up with him so quickly?"

Sect Master Chen didn't expect that David would take care of the hunchbacked old man so quickly!

David knocked the hunchbacked old man unconscious and handed it to Sect Master Chen, saying, "You guys keep an eye on him, I'll save Sect Master Luo."

Taking the hunchbacked old man with him affected David's speed!

Sect Leader Chen nodded and asked several sect disciples to control the hunchbacked old man!
