

Married At First Sight

Married At First Sight Chapter 3152-Zachary's just afraid of Serenity; what's wrong? Regardless, he has a wife who scares him. There are many bachelors who don't even have a girlfriend, and they don't have a chance to become a henwife.

Sonny opened his mouth, but had nothing to say.

It was impossible to expect Zachary to help him.

"Uncle, won't you go home with us?" Sonny changed the subject naturally.

Zachary took his small schoolbag, then stood up with him in his arms and said, "I have to socialize in the evening. After having dinner with you, I will ask the bodyguard uncle to take you home. I will not be able to go back until later."

Sonny pursed his lips and stopped talking.

Adults were very busy!

Sonny said, "I'm not happy."

Zachary kissed Sonny's little face and said with a smile, "Can I take you out to play on the weekend?"

"I'm not unhappy. My uncle is very busy and needs to make money to buy milk powder for my little brother. Well, my uncle is on vacation this weekend and will take me to the children's amusement park."

Zachary said dotingly, "Okay, on the weekend, wherever you want to go, I will take you there, and I will also accompany your aunt."

Usually, the couple worked separately and were busy. The only thing they could insist on was to have lunch and dinner together.

Almost every afternoon, Serenity went to pick up Sonny and brought him to the company to find him. It was only during this time that they could get along with each other.

But if the couple wanted to talk quietly, they had to wait until night.

If he returned home after being busy until late at night, Serenity would already be asleep and couldn't even talk, let alone whisper.

Sometimes Serenity would wait for him to come home. It would be very tiring, considering that she was still working while pregnant and had to take care of Sonny. Zachary usually wouldn't let her wait for him to come home, or he would come home early. He didn't want her to wait too long.

Sonny, "Uncle, you are so kind."

"Auntie is not feeling well." Serenity teased him deliberately.

Sonny said sweetly, "My aunt is the best aunt in the world. I like my mother and aunt the most."

"Uncle, after my little brother is born, will you still like me as you do now?" Sonny suddenly inquired.

Sonny said, "My eldest aunt, Chelsea, said that after my aunt has a little brother, she won't like me. She said that I should get closer to her, saying that my nephew is the closest to me."

Serenity's face darkened, and she wanted to scold Chelsea for always talking nonsense in front of Sonny and scaring Sonny.

It's true that a dog can't change its habit of eating sh!t. People like Chelsea can't change her character of talking nonsense and spreading rumors unless she dies and is reincarnated.

"Generally speaking, aunts and nephews are very close, but your eldest aunt treats you just like me. Sonny, you don't need to listen to her nonsense. Even if I have a baby, Sonny, you're still my favorite nephew."

Sonny said, "I don't believe what my eldest aunt Chelsea said. I also said that my aunt will always like me, and so will my uncle."

Anyway, Sonny didn't like his grandparents, aunts, and cousins.

As for Hank, he couldn't say he liked Hank, his dad, very much, but he didn't dislike him much either.

This may be due to the blood relationship between father and son.

Even Hank liked to speak ill of Duncan in front of Sonny, which made Sonny very unhappy, but Sonny understood that that was his father, his biological father.

Hank also paid child support.

His mother said that her separation from his father was a matter for adults and did not affect his relationship with his father. His father raised him as a child, and he would still have to support his father when he grows up.
