

## Married At First Sight

**Married At First Sight Chapter 3185**-Serenity smiled and said, "Not everyone can be as straightforward and non-sloppy as you, Elisa. Emotional matters are the most difficult to deal with."

She couldn't do it as neatly as Elisa.

When she first found out that she had been deceived by Zachary, she was furious and filed for divorce, but she was also entangled in her heart and in great pain.

Unlike Elisa, she has experienced pain, but she cuts off love with a knife and is so cool that many female compatriots cannot do it.

Elisa smiled. "That's right, I am straightforward and not sloppy. I know there is no hope, and I give up immediately. It's not like I can't get married. For a man, there is no need to compete with anyone. There are many good men in the world. No matter what, there will always be one for me."

"Hurry up and call Zachary and ask him to contact Evan. I want to take advantage of Evan."

Elisa followed Serenity and Jasmine. Influenced by them, she now also liked eating melons.

Jasmine enjoyed it the most. All the melons she ate were fresh. After eating them, she shared them only with her two friends.

Serenity hummed; Zachary had already answered her call.

"Seren."

Zachary's voice was gentle and mellow. Elisa, who was approaching, heard Zachary calling Serenity and whispered, "When he saw me before, his face was dark, as if he didn't know me and didn't want to pay attention to me. I thought he had always been so cold, but later I found out that it wasn't that he didn't understand gentleness, but that he gave all his tenderness to you."

Serenity also whispered, "The tenderness of Remy is only for you."

Remy seemed to be gentle to everyone, but in fact he was polite and distant, and his true gentleness was only for Elisa.

Elisa smiled with happiness on her face.

“Husband, are you free?” Serenity asked Zachary.

Zachary smiled. “Just tell me your business; don’t ask me if I’m free.”

When a wife calls her husband, she must be asking for something. Usually, she likes to call him by his first name and last name.

Serenity said, “It’s not my business; it’s Evan’s. You call Evan and ask where he is now? Ask him to come to the Wiltspoon Hotel tonight, and we’ll treat him to dinner.”

Zachary’s black eyes flashed. “What did Evan do? Did he make you angry? If he dares to make you angry, I told the second aunt to take care of him. Are you going to eat at the hotel tonight? Why don’t you go home to eat?”

Serenity said, “He didn’t make me angry, but he made one person unhappy, and that person came to my place. First, you call him and tell him to come over for dinner tonight. I’ll tell you the reason later.”

Evan did not make Serenity angry. Zachary returned to normal and said, “Okay, I’ll call Evan first, and I’ll get back to you later.”

Serenity hummed.

Zachary hung up the phone and called Evan instead.

Evan had been restless all afternoon, always feeling that something would happen. They asked him to sit in the office, facing the documents that needed his signature, which distracted him.

“Ring ring ring...”

The cell phone on the desk suddenly rang.

If he gets excited, something bad could happen, right?

He quickly picked up his phone and looked at the caller ID. It was his eldest brother, and his scalp became even tighter.

They would not contact their eldest brother if they had nothing to do, and similarly, their eldest brother would rarely take the initiative to call them when nothing happened.

Evan took a few deep breaths before answering the call.

“Brother.” Evan opened his mouth with a smile, thinking that his elder brother was going to scold him, but he didn’t scold him so hard in front of his smiling face.
