

Married At First Sight

Married At First Sight Chapter 3193-Evan was shocked when he saw Serenity's serious look and asked repeatedly, "Sister-in-law, what did I do wrong? Sister-in-law, tell me I did something wrong. I will immediately apologize to you."

At the same time, Evan was thinking about what he had done. It seemed that he hadn't seen Serenity for a long time. How could he have done anything to offend his sister-in-law?

It had only been ten and a half days since he returned to Wiltspoon. During this period, he didn't even return to the villa, nor did he disturb the loving lives of his brother and sister-in-law.

Evan couldn't even remember when he had offended his sister-in-law.

Soon, Evan calmed down again.

He didn't do anything to offend Serenity. Otherwise, Serenity would not have invited him to dinner. Instead, let Zachary settle the score with him directly, or complain to his parents.

Evan: "Sister-in-law, I'm scared to death by you. After thinking about it over and over, I feel that I couldn't possibly have done anything to offend you. Furthermore, if I make a mistake, you will come to settle accounts with me instead of inviting me to dinner."

Serenity smiled: "That's it. You didn't do anything to offend me. What do you feel guilty about?"

Evan: "..."

Was Evan guilty?

Evan was just worried, which made him restless and unable to work seriously, so he came to see Zachary in advance, hoping to get some words from him.

It turned out Serenity was here.

He couldn't get any more words out of Zachary.

“Sister-in-law, you said that I had done something bad?” Evan just asked Serenity directly.

Serenity: “If I don’t tell you now, you will understand later, when you have dinner. In short, I can’t stand what you do and think you are going too far.”

Evan: “...”

He was silent for two minutes, then got up and poured a glass of warm water for serenity. He then went to the snack shelf, picked out a few snacks, and placed them respectfully in front of her.

Serenity said, “Your elder brother prepared these snacks for me.”

It wasn’t Evan’s filial piety toward her.

Evan: “Sister-in-law, you like to eat these snacks. “I’ll send a truck over to you some other day.”

Serenity: “If I eat too many snacks and can’t eat the main meal, your elder brother will be angry.”

Because she was pregnant, she had to prepare food for one person and consume it for two, which meant she had to eat dinner.

Zachary made snacks for her to pass the time when she was bored and did not allow her to eat more.

She’s afraid that if she eats too many snacks, she won’t be able to eat the main meal. The snacks are definitely not as nutritious as the main meal.

It’s time to replenish the nutrients in that area of her belly.

Evan: “...”

Serenity: “You don’t have to worry about trying to please me. “You’ll understand when I tell you what to do when you eat.”

Evan’s handsome face fell.

Serenity was becoming more and more like Zachary.

Was it that the person who was close to ink was black, and the person who was close to vermilion was red?

Serenity ate her snacks leisurely.

Sonny was reading a book.

Evan saw that he could not get the result from Serenity, so he quietly went to Zachary's desk and sat down.

He looked pityingly at Zachary.

Zachary seemed not to notice him, and he handled his official business calmly.

"Brother!" Evan shouted softly.

Zachary didn't even raise his head and said in a low voice, "I heard what your sister-in-law said."

Evan: "Brother, you must know the reason. Tell me what's going on? Otherwise, I won't be able to eat anymore."
