

## Chapter 1012 The Strongest Of Them All

---

Townsend wasn't the only one shocked by Liam's impressive talent. Maureen was equally surprised.

However, unlike Townsend, Maureen's face behind the mask quietly displayed a smile. To her surprise, Liam turned out to be the strongest of them all.

This man was skilled at keeping his power a secret!

Julie, who had been worrying about Liam, finally breathed a sigh of relief when she saw Liam could fight against Townsend.

Shayla's eyes sparkled with excitement.

He was the one she had feelings for, and he deserved her love!

Watching Liam, Shayla was lost in thought. Finally, she could see hope for her revenge plan!

Witnessing Townsend's evident fear, Marcelo, his loyal follower, naturally freaked out. He didn't dare speak. He hurriedly moved aside, trembling.

Fearing that Liam might notice him, Marcelo went so far as to clamp a hand over his mouth with all his strength. He was afraid that Liam might turn his

attention to him.

At that moment, Liam casually put away the primogem rocks Townsend had presented, then glanced down at Townsend with an expressionless face, he uttered the words with indifference.

"In this world, nothing is impossible. You're just like your uncle Adamson. I won't end your life today. However, you should convey a message to your uncle when you return. Tell him I'll make sure to track him down and get revenge! Inform him that he should prepare himself for my arrival and the moment I come for his head!"

Seeing Liam's indifferent expression, Townsend felt a surge of shame and anger. His fists clenched, and dissatisfaction filled his heart. Then, he yelled in anger, "You might have surpassed your previous limits, but what good does that do? I can also kill you!"

After he finished speaking, Townsend acted immediately.

Upon reaching the status of a sixth-level Primogem Warrior, his skills matched those of Adamson. Both had the capability to enhance their strength by absorbing the energy of others.

Thanks to his uncle Adamson's endless supply of Primogem Warrior corpses, Townsend had achieved sixth-level status at a remarkably young age. Without his uncle's help, he wouldn't have broken through his limits at such a young age!

Thus, Townsend held a deep sense of self-assurance about his power.

He refused to acknowledge, or perhaps could not accept, that Liam had the ability to fight against him!

Townsend hurried over to Liam and immediately used his skill to drain Liam's energy.

Seeing this, Liam's brows furrowed. He hadn't anticipated that Townsend possessed the same ability as Adamson.

Faced with such a familiar move, Liam felt uneasy.

This trick from Adamson had been what had caused him to lose it all!

Now, facing the same power once more, Liam wasn't about to make the same mistake twice.

When Liam considered the plentiful life energy within him, a sudden idea struck him.

Now that Townsend desired to consume him, Liam would grant his wish!

With this thought, Liam didn't fight back. Instead, he unleashed a powerful surge of life energy, inviting Townsend to feast upon it.

True to Liam's prediction, Townsend didn't integrate Liam's energy but absorbed the life energy Liam had intentionally unleashed.

Townsend was shocked by this unexpected power.

He couldn't contain his excitement. He hadn't expected Liam would possess such a thing!

Without hesitation, Townsend accelerated the assimilation process. Soon after, he felt his entire body was full of life energy.

However, just as he was about to stop, Townsend was horrified to discover he couldn't control his absorbing ability, and his body continued to greedily suck in the life energy!

Before long, Townsend's entire body swelled up, resembling a corpse left soaking in water for days.
