An Understated Dominance by Marina Vittori Chapter 2274

Chapter 2274

She knew in her heart that Liu Hongxue and Xu Yang had already taken over, and it was obviously unrealistic for them to give up their bet now.

Of course, the main reason is that she still has a bit of luck.

What if wealth really comes from heaven? What if we can really continue to win?

If she prevents them from betting, wouldn't it mean that they will lose their money?

It was precisely with this in mind that she did not continue to persuade.

Ten minutes later, the fourth round officially ended.

Most of the people who participated in betting won spiritual stones.

As a result, more and more spectators began to gather at the gambling table, ready to join in the fun and try their luck.

There is no way, the temptation of the spirit stone is too great, and there are many people who win, so they all plan to get a piece of the pie.

Seeing more and more gamblers gathering around, Huang Yinyin couldn't help but smile.

Although the second box of spiritual stones has bottomed out, she is not panicked at all.

On the contrary, she also hoped that these people would stake as much as possible, because soon, all the spiritual stones she had given away would be recovered.

When the fifth round was about to begin, there was another wave of excitement.

Especially the gamblers at the gambling table are looking forward to it and excited.

Almost everyone's attention was focused on the man in gray.

Leading the gamblers to win three games in a row has confirmed the man in gray's almost god-like status.

No matter who the man in gray bets on, even if it is a disabled person, they will choose to follow the bet without hesitation.

“Brother, how are you? Who will win this round?”

The gamblers surrounded the man in gray like a star in the moon, their eyes overflowing with anticipation.

The man in gray looked left and right. After studying it carefully for a moment, he suddenly pointed to Arena No. 1.

“Bet on player No. 13!” the man in gray said loudly.

Everyone looked over and couldn't help but feel refreshed.

No. 13 is a man holding a silver gun.

The man has sword-shaped eyebrows and starry eyes, a handsome face, and a powerful aura. Just standing there gives people a strong sense of oppression.

“No. 13 looks familiar, seems to be a disciple of the Tianxiahui?”

“Yes! This person is one of the ten heroes of the Tianxiahui, Wei Xiu!”

“What? One of the ten heroes of the Tianxiahui? Isn’t that what he should be? Are you a master in Group B? How come you are in Group C?”

“It seems that Wei Xiu deliberately hid his strength when he signed up, so he was selected into Group C. However, with Wei Xiu’s ability, he was completely indiscriminate in Group C. , not many people can stop it.”

“Then what are you waiting for? Hurry up and place your bets!”

After hearing Wei Xiu’s name, everyone became excited and began to rush to bet on No. 13.

On the one hand, this is the answer given by the man in gray, and on the other hand, it is because they believe in Wei Xiu’s strength.

When both conditions are met, they will naturally not hesitate.

All the spiritual stones and rare treasures in his hands were pledged without any reservation.

Seeing this scene, Huang Yinyin couldn’t help but smile, but it quickly disappeared without a trace.

The time has come, it’s time to close the net...
