An Understated Dominance by Marina Vittori Chapter 2279

Chapter 2279

Everyone was shocked when they saw Wei Xiu suddenly falling to the ground.

Everyone was dumbfounded, their faces filled with disbelief.

No one expected that Wei Xiu, one of the top ten heroes of the Tianxiahui, would be defeated, and that he would be defeated at the hands of an unknown person.

Normally speaking, with Wei Xiu's strength, he should kill randomly in Group C. Why was he punished just after the start?

Is it because Wei Xiu doesn't live up to his reputation, or is Wang Hao too powerful?

"It's over, it's over! It's all over now!"

"What the hell! What the hell is this guy Wei Xiu doing? Why can't he even defeat a small character? What a waste!"

"What if there are ten heroes in the world? I think he is just one What a piece of shit!"

"Wei Xiu! Damn it! I was harmed by you this time!"

"Lost! Totally lost! My spirit stone!"

"..."

After a brief silence , the whole place was wailing and cursing.

Wei Xiu's defeat caused heavy losses to the gamblers who had just placed their bets.

The few spirit stones I won before were all lost, including the principal and profits.

Some people even took out a lot of loans, thinking they could seize the opportunity to make a fortune, only to end up losing everything.

“How could this happen? How could this happen?!”

Liu Hongxue’s beautiful eyes widened, unable to accept it for a moment.

She had staked all her worth just now, and she didn’t expect it to be like this.

“No...impossible! It’s obviously a win-win game, how could Wei Xiu lose?!”

Xu Yang’s face turned pale as if he was struck by lightning, and even his fingers began to tremble.

In the first few games, he kept one hand and did not bet too much because he felt that he was not sure of winning.

But Wei Xiu was very confident in this game, so he bet all the spirit stones on it, but the result was disappointing.

For a moment, he found it difficult to accept.

“Senior brother, didn’t you say you can definitely win? What should we do now?” Liu Hongxue was already at a loss.

As the saying goes, the greater the expectations, the greater the disappointment.

Wei Xiu’s defeat made her mood fall directly from heaven to hell.

“I...” Xu Yang was left speechless by the question.

What can be done?

If you lose, you have already lost. You can only admit that you are unlucky. Is it possible that you still want to snatch the spiritual stone back from the Witch Gu Sect?

Let me ask, who has the courage to dare to disturb Tai Sui?

Don't miss the spirit stone when it arrives, but end up risking your life instead.

“Contestant No. 54 Wang Haosheng!”

Seeing that Wei Xiu had no strength to fight anymore, the referee decisively announced the result of the game.

In an instant, the whole place was shouting and cursing.

As the victim, Wei Xiu's eighteen generations of ancestors were picked out and scolded.

Even the reputation of Tianxiahui has been greatly affected.

After all, it was a bit embarrassing for Xiu Xiu, one of the top ten heroes of the Tianxiahui, to be defeated by an unknown person in the end.

“It's such a pity. You almost won. You almost won.”

Huang Yinyin shook her head with a regretful expression. In fact, she was already happy in her heart.

In this round, not only did he win back all his capital, but he also wiped out most of the gamblers.

It can be said that he made a lot of money.

“Brother! You clearly said you would win, why did it become like this?” One person looked at the man in gray.
