

An Understated Dominance by Marina Vittori Chapter 2296

An Understated Dominance by Marina Vittori Chapter 2296

Chapter 2296

“Huh?”

Damien Holmes couldn't help but frown slightly upon hearing this; his face looked a bit ugly.

He had been in the world for a long time, and while others had always asked him to become a disciple, he had never taken the initiative to do so.

However, today, he finally opened his mouth, but unexpectedly, he was rejected.

He couldn't help but feel a little annoyed.

“Boy! Do you know what you are talking about? Mr. Holmes is willing to accept you as his disciple. It's because of the smoke on your ancestral grave. I didn't expect you to be so ignorant!”

“That's right! If you can become Mr. Holmes's disciple, that's an opportunity that no one else could ask for. How dare you refuse it? Who gave you the courage?”

Not good; everyone denounced him angrily, looking filled with righteous indignation.

A great master openly accepted a disciple but was rejected by his disciple.

If this matter spreads, wouldn't it make people laugh?

“Young man, do you know who I am? There is an endless stream of people who want to be my teacher every day, like crucian carp crossing the river, but I never take it seriously.”

“Now, I will give you a carp leaping over the dragon's gate. It's so stupid that you don't know how to cherish this opportunity!”

“I'll ask you one last time: do you want to become a disciple?”

Damien Holmes looked serious, and his eyes were sharp. As he spoke, the grandmaster's pressure on him suddenly increased.

People around him were sweating profusely and struggling to breathe, as if struck by lightning. The weaker ones even had their legs trembling and were terrified.

The grandmaster was furious, and blood spat five steps.

This terrifying pressure alone was enough to make people frightened.

“If others want to become your disciples, that is their business and has nothing to do with me. I have no interest in becoming their disciple.” Dustin refused.

“Okay, okay! You are so shameless!” Damien Holmes’s face darkened, and his eyes instantly became fierce. “Today you hurt someone. I originally planned to let you go, but I didn’t expect you to be so ignorant of praise. This is the first time you have rejected my kindness. If this is the case, don’t blame me for being ruthless!”

As he spoke, Damien Holmes stomped on the ground.

There was only a “bang” sound, and traces of spider webs quickly exploded on the ground.

At the same time, a powerful energy burst out of his body.

The force of the impact directly blew away several people around him. They became dizzy and wailed repeatedly.

However, an invisible force bounced the energy away from Dustin without harming him.

“Mr. Holmes, I advise you that it’s best not to take action; otherwise, I’m afraid you won’t be able to save your face if a fight breaks out.” Dustin warned with a calm face.

He didn’t want to make the matter too big, but if Damien Holmes insisted on taking action, he wouldn’t mind teaching the other party a lesson.

“Arrogant kid! I have to teach you a lesson today!”

Feeling provoked, Damien Holmes instantly became angry. He no longer hesitated, and he immediately used his energy to strike Dustin from the air.
