Chapter 3881

Another demonic cultivator suddenly slapped his hands on the ground, and chains of black mist quickly moved towards the flame puppet, trying to use the chains to restrain the flame puppet and weaken the flame puppet's ability to move.

However, the black mist chain was burned away by the high temperature the moment it came into contact with the flame puppet, without even the slightest effect.

"Holy shit, this guy is so awesome..."

David was a little stunned when he saw the scene in front of him. He didn't even expect that this puppet was so awesome!

"I didn't expect that the Fire Spirit Lord's Ultimate Fire Essence was so powerful. When put on this puppet, it would be so powerful."

Demon Lord Chiyun also didn't expect that the puppet driven by the Ultimate Fire Essence was so powerful. !

The young man in black robe was stunned at this moment. He had never seen such an awesome puppet before.

Refined puppets like this usually only rely on spiritual stones to drive, and they are just pure power attacks, and there is no way they can achieve any extreme fire!

But this puppet actually has ultimate fire on its body, and it seems that the ultimate fire is still changing, and it is not just one ultimate fire!

Although every time the puppet attacks, he still punches out, but combined with the extreme fire on his body, this makes people uncomfortable!

He didn't understand where David got the puppet that would be extremely hot.

Several demon cultivators were timid, but the flame puppet continued to charge forward. It didn't know what fear was at all!

Every attack from the puppet hit the hearts of the demon cultivators like a heavy hammer. They began to panic and their formation gradually became disorganized.

At this moment, these demonic cultivators could only parry and had no ability to fight back. In this chaos, the flame puppet struck out with its fist again, and the blazing flames rushed towards a demonic cultivator like a giant dragon.

The demonic cultivator screamed in horror and tried to escape, but the flames followed him like a shadow and swallowed him whole.

At this time, there were only two demon cultivators left on the battlefield. They looked at each other with horror and despair in their eyes. They knew that they had no chance of winning.

The two demon cultivators looked at the young man in black robe and saw that the young man in black robe had no intention of taking action and did not let them retreat, so the two could only fight desperately. They decided to join forces and use the most powerful forbidden technique to try to fight the flames. The puppets died together.

They muttered words, formed seals with their hands, and a powerful aura began to gather around them.

However, before their forbidden technique was completed, the flame puppet rushed in front of them, and then punched out, and the flames surged towards the two demon cultivators like a torrent.

They had no time to react before they were swallowed up by the flames. Under the light of the fire, their expressions were full of horror and despair, and they eventually turned into two fireballs and disappeared without a trace.

“Brother, you are awesome...”

David jumped up excitedly, even happier than he had killed these five demon cultivators!

But judging from this battle, the strength of this puppet is enough to reach the eighth level of the Tribulation Realm. Whether it is still higher still needs other battles to see!

But even if he is at the eighth level of the Tribulation Realm, David is very happy. This is equivalent to having an eighth-level bodyguard at his side!

Zhe Yan, Jiang Yulian and others were not only shocked but also ashamed at this moment. They were not even as good as a puppet!

The young man in black robe frowned slightly, but he did not feel any sadness because of the dead men!

The reason why he didn't take action was because he wanted to see what level David's puppet had reached!

"Now I finally know why the alliance leader used a hundred years of sacrifice to hunt you down."

"It turns out that it's not that you are awesome, but that you have an awesome puppet."

"But the puppet is a dead thing after all. Even if you have the protection of the puppet, I will kill you today too!"

After the young man in black robe finished speaking, his aura erupted again!

Chapter 3882

"To deal with you, I don't need this precious puppet of mine. This is my little brother. What if you get hurt?"

After David said that, he actually put the puppet away!

The young man in black robe seemed a little surprised when he saw that David had put away the puppet. After all, David was only a fourth-level monk in the Tribulation Realm. Without the help of the puppet, how could he be his opponent!

But now, David has indeed put away the puppet and wants to face himself!

"You are too arrogant, but I will let you try to pay the price of your arrogance!"

After the young man in black robe said, black mist filled his body. The black mist covered the sky and the sun, and seemed to cover the entire Soul Demon Sect!

A ninth-grade great monk in the Tribulation Realm is truly extraordinary!

This made both Zhe Yan and Jiang Yulian very worried!

David had a sneer on his face, as if he was facing the black fog without any trace of panic!

Seeing that David was so calm, the young man in black robe was slightly surprised and said: "David, you are brave enough. For your courage, I will tell you my identity so that you know who killed you!"

"No, I don't like to know the names of dead people. Anyway, you will die soon. It doesn't matter whether you know the name or not."

David shook his head and said!

Arrogant!

Incomparably arrogant and arrogant!

This is David.

These words made the black-robed young man's eyes widen in anger, and the black mist that filled the air became even thicker!

"Huh!"

David snorted coldly, and a burst of breath suddenly burst out from his body!

The aura exuded by David directly shattered the black fog, and the fierce sunlight poured down!

"You are already a dog of the Demon-Sealing Alliance, so there is no need to be arrogant. Even if you are arrogant, haven't you been accepted as a guard dog by the Demon-Sealing Alliance?"

David said with a cold smile!

“Ah...I’m going to kill you. Within three moves, I will make sure you die without a burial place.”

The young man in black robe yelled angrily!

“Three moves?” David smiled disdainfully: “Even if you use three hundred moves, you can’t kill me.”

“Humph, then give it a try!”

The young man in black robe snorted and started to attack!

David waved his hand, and an invisible barrier seemed to form outside the two of them, isolating everything around them. David was afraid that the aftermath would affect Zhe Yan and Jiang Yulian.

As soon as the young man in black robe moved, a thick black mist surged around him, spreading quickly like a tide.

The black mist covered the sky and the sun, shrouding the entire area in a deep darkness that even the sun’s rays could not penetrate.

In this darkness, the black mist turned into monsters, roaring continuously, and the roars came one after another, like the roars of evil spirits coming from the depths of hell, which made people shudder.

Faced with the black fog and the siege of countless monsters and illusions, David seemed to be aloof and did not show the slightest panic.

David took a deep breath, closed his eyes tightly, and then opened them suddenly, with a hot light flashing in his eyes.

The ultimate fire in his body ignited instantly, and the flame was as hot as the sun, illuminating his figure as majestic as the God of War.

The fire shines in the darkness, as if it has become the only source of light in this chaos.

“Boom...”

David waved his fists, and the fire burned fiercely, turning into two fire dragons writhing in the air.

The fire dragon and the monster beasts collided fiercely, and each impact made a deafening sound, as if even the heaven and earth were shaking.

The firelight and black mist intertwined to form a thrilling picture that was dizzying for the eyes.

The firelight illuminated the faces of those around him, their eyes filled with shock and awe.

“This...isn’t this the Demon Clan’s Ultimate Fire? Why is it so powerful!”

Zhe Yan looked at David’s eruption of the Ultimate Fire, with shock in his eyes, because what David erupted was not just the Demon Clan’s Ultimate Fire!

Chapter 3883

Although this flame contains the aura of the Demon Clan’s Ultimate Fire, it is not entirely the Demon Clan’s Ultimate Fire.

This should be formed by the fusion of several kinds of ultimate fire.

Jiang Yulian also looked at it in stunned silence: “Mr. Chen is really amazing! He can still survive such an attack with ease!”

“You know, that guy is a ninth-level monk in the Tribulation Realm...”

Everyone in the Soul Demon Sect is also the same. Watching in surprise, they wanted to see how a fourth-level monk in the Tribulation Realm fought against a ninth-level monk in the Tribulation Realm.

At this moment, David was shuttled through the black mist, his body burning with fire, and he kept attacking the demonic beasts transformed by the black mist. Each attack was precise and powerful, defeating those demonic beasts one by one.

His movements were as fast as lightning, dizzying, as if even the air was on fire because of his speed.

The young man in black robe seemed to be struggling more and more, his black mist began to become thinner, and the illusion of the monster gradually dissipated.

His face was pale and his eyes were full of shock. He obviously did not expect that David would be so powerful and be able to easily take this move from him.

You know, David is just a fourth-level monk in the Tribulation Realm, and there is no way he can compare with him!

Finally, after a violent impact, the black mist of the black-robed young man completely dissipated.

David stood in the firelight, his figure as tall as a pine tree, with a calm smile on his face.

“This move of yours is not very good.”

David said calmly, his voice although not loud, was full of confidence and domineering.

As soon as he finished speaking, there were exclamations and admirations all around.

“Mr. Chen, you are awesome.”

“Mr. Chen is so awesome. He blocked this first move easily.”

“Mr. Chen hasn’t used his full strength yet, it’s like a child playing house!”

Zhe Yan led the soul demon. Everyone in the sect applauded David one after another, just to stimulate the young man in black robe!

“You really have a problem, I underestimated you...”

The black-robed young man’s eyes were full of surprise. He didn’t expect that David, a fourth-level monk in the Tribulation Realm, would show strength far beyond his level!

“You’re not bad. I think highly of you. A ninth-level monk in the Tribulation Realm. I feel like you can fight for a while.”

“I didn’t expect you to be such a rubbish...”

David said mockingly to the young man in black robe!

“Ah...” the young man in black robe roared angrily: “Don’t be complacent, that was just the first move. I was too careless. I didn’t use my full strength, and it was just a warm-up.” “

Next, I will let you see With real magic skills, I will make you die in fear!”

“I hope this time, you are not just a boaster, but can actually show some skills!” David said with a faint smile!

The murderous intent rose in the eyes of the young man in black robes, and an unprecedented fierceness flashed in his eyes, as if he was going to pour all his power into this move.

He clenched his hands into fists, and all the strength in his body burst out at this moment, and the black mist that had dissipated crazily condensed again.

The black mist was like an enraged beast, roaring and galloping, turning into billowing black waves, carrying the power of destroying the world and surging towards David.

The black wave was as violent as a tsunami, completely submerging David in an instant.

The surrounding air seemed to be sucked away by this wave, forming a dead vacuum.

Black waves began to surge unbridled. If it weren’t for the barrier set by David, Zhe Yan and the others would have suffered.

In the black wave, there were constant collision sounds, like the roar of mountains colliding!

Rumble...

Rumble...

A huge whirlpool formed in the black mist, seeming to tear everything inside to pieces!

When Zhe Yan, Jiang Yulian and the others saw this scene, they immediately panicked!

Chapter 3884

Now David is wrapped in a black wave and can't see at all, and he doesn't know whether he is alive or dead. This makes them very anxious!

“Mr. Chen, you must resist!”

Zhe Yan prayed!

However, at this moment, a ray of light emerged stubbornly from the darkness.

At first, the brilliance was like the faint starlight in the night sky, but as David's internal energy continued to surge, it became brighter and more dazzling. Finally, it was like the first ray of sunlight before dawn, penetrating the thick darkness. , lighting up the entire sky.

Then David's figure appeared. At this time, three different colors of fire surrounded David. They were blazing red, mysterious blue and pure white.

Under the control of David, these three ultimate fires roared towards the black wave of the black-robed young man like three giant dragons.

The three-headed fire dragons writhed and bitten in the black wave. Every attack was like thunder, shattering the black wave into pieces.

Under the fierce attack of the fire dragon, the black wave gradually lost its original power and began to disintegrate into pieces of broken black mist.

The black-robed young man's face changed drastically when he saw this. He obviously didn't expect that David could break his second move so easily.

“It's not polite to come back without reciprocating...”

David waved his hand, and the three fire dragons instantly headed towards the young man in black robes!

The black-robed young man's expression became solemn. He took a deep breath and gathered all the remaining black mist in front of him, forming a strong barrier to resist the fire dragon's attack.

However, the power of the fire dragon was too powerful. Even if the young man in black robe tried his best, he could not withstand this fierce attack.

I saw the fire dragon hitting the black mist barrier again and again. Each impact made the barrier tremble violently, as if it might collapse at any time.

The young man in black robe gritted his teeth and tried his best to maintain the stability of the barrier.

But as time went by, he gradually felt powerless. The power of the fire dragon seemed endless, and each attack was more violent than the previous one.

Finally, with a deafening roar, the black mist barrier finally couldn't withstand the fire dragon's attack and shattered.

The fire dragon took the opportunity to break through the barrier and charged straight at the black-robed young man.

The young man in black robe was shocked when he saw this. He hurriedly retreated, but it was too late. The fire dragon opened its huge mouth and spewed out blazing flames, covering the young man in black robe in a sea of fire.

“Ah...”

The young man in black robe screamed, and a white mist suddenly appeared around his body!

This white mist covered the flames and directly extinguished the flames on the body!

Seeing the white mist that suddenly erupted from the body of the young man in black robe, David seemed a little surprised!

He didn't expect that this young demon cultivator also knew the art of ice, which surprised David!

The flames were extinguished, but the clothes of the young man in black robe were already in tatters, and his body was burning and radiating pain!

The young man in black robe stared at David. This time, he could feel that David's strength was not weaker than that of him, a ninth-level monk in the Tribulation Realm!

Now he finally understood why the Demon Sealing Alliance used a hundred years of sacrifice to hunt down David!

This is simply a pervert. He is only at the fourth level of the Tribulation Realm, but he can explode with strength that is not weaker than the ninth level of the Tribulation Realm!

This kind of perverted monk is probably the only one in the entire heaven and human world!

Looking at David in front of him, the young man in black robe began to retreat!

The arrogance and disdain at the beginning have long disappeared now!

He knew that if the fight continued, David would not be killed, and he might end up hanging here!

“David, I admit that you are very strong, but I underestimated you. There is no need to use the third move.”

“As for what happened today, just pretend that I have never been here or seen you.”

After saying that, Hei The young man in robe turned around and left!
