Chapter 3886

Seeing the barrier that was about to be completely broken, the young man in black robe was dumbfounded, his eyes full of fear and helplessness!

Bang!

A loud noise echoed between heaven and earth, and the barrier condensed by the black-robed young man collapsed instantly!

A ray of light directly penetrated into the forehead of the young man in black robe, and the figure of the young man in black robe dissipated in the light.

In the end, he was unable to withstand David's blow and was completely eliminated. The young man in black robe still had unwillingness in his eyes until he died!

"Cough cough cough..."

After the young man in black robe was eliminated, David coughed violently.

"Mr. Chen, are you okay?"

Zhe Yan hurried over with Jiang Yulian!

"It's okay!" David waved his hand!

He just used the Immortal Finger a little too much. Although David understood the origin of time, the magic of the Immortal Finger still consumes too much energy!

In order to show off, David used it once. Even without using Immortal Finger, David could still kill the young man in black robe!

"From now on, just kill people. Stop pretending. You will use that little time source and immortal energy."

Demon Lord Chiyun advised David!

David was also speechless for a while. When he was in the Wuji Holy Sect, if all the immortal energy and spiritual fluid had been absorbed by him, he would not be like this now!

I almost collapsed after just using my fairy fingers to show off!

“Mr. Chen, what you just used was immortal magic, right? It’s so awesome and shocking.”

“I really didn’t expect that you broke through to the fourth level of the Tribulation Realm in a short time, and also understood the origin of time, and finally if you want to kill a ninth-level monk in the Tribulation Realm now, it will be as easy as killing a pig or a dog.”

Zhe Yan said to David with excitement on his face!

“It’s not as simple as you said. If you want to kill me if you don’t reach the ninth level of the Tribulation Realm, it won’t be that easy.”

David said with a faint smile!

Jiang Yulian looked shocked. Although she knew David was very powerful, she didn’t expect him to be so powerful!

“Mr. Chen, didn’t you look for Guanghan Palace? Did you find it?”

Zhe Yan asked!

“I found it. I also got the Heavenly Demon Stone. If you are going back to Blood Spirit Valley, come and have a look when passing by.”

“Where is Sect Leader Jiang?”

David asked!

“Oh, Master, he has gone into seclusion, and now I am responsible for everything in the Soul Demon Sect.”

Jiang Yulian said!

“Yes, now Yulian is the deputy sect leader and manages the entire Soul Demon Sect.”

Zhe Yan said!

When David heard this, he looked at Zhe Yan and said, “You are a good boy. Now that you have become the master’s dual cultivation partner, you can have a soft life in the future.”

“Hehe...” Zhe Yan laughed!

Jiang Yulian blushed!

“I wonder what Mr. Chen has to do with my master?” Jiang Yulian asked!

“I have something that I would like your Soul Demon Sect to do for you,”

David said!

“Mr. Chen, please tell me. As long as our Soul Demon Sect can do it, we will absolutely do it without any hesitation.”

When Jiang Yulian heard that David wanted to help, she hurriedly promised!

David told the story of the Mu family’s attack on Guanghan Palace, and then said: “I want your Soul Demon Sect to help. Even if you can’t resist the Mu family, you can still be in the rear and help some monks who died tragically to reshape themselves. Physical body.”

David knew that the overall strength of the Soul Demon Sect was weak, and they mainly focused on spiritual attacks. Their main thing was to be able to reshape the soul into the physical body!

As long as there is a battle, casualties cannot be avoided, but if the body is destroyed, as long as the soul escapes, the body can be rebuilt and come back to life!

Therefore, many monks will abandon their physical body at the last moment and let a trace of their soul escape!

It is also very important for the Soul Demon Sect to reshape the bodies of the escaped souls from behind!

“No problem, I will personally take the disciples of the Soul Demon Sect there, and I will also bring a large number of soul flowers. As long as we can help Mr. Chen, our Soul Demon Sect is willing to do our best.”

Jiang Yulian nodded and said!

Chapter 3887

“Mr. Chen, where exactly is Guanghan Palace? How can we find it?”

Zhe Yan asked!

“You go to Wantong Pavilion and take the airship to Nanjing City. All you need to do is wait in Nanjing City.”

David said!

“Nanjing City!” Zhe Yan nodded: “Okay, then we will wait for Mr. Chen in Nanjing City.”

David did not stay in the Soul Demon Sect for a long time. Just when he was about to leave, he suddenly remembered something. Looking at Jiang Yulian, she asked, “I wonder if Sect Leader Chen from the five major sects has come here to reshape his body?”

“I have been here and left after reshaping my body!”

Jiang Yulian said!

David nodded and then left!

David went directly to the five major sects, and now only Sect Master Luo and Sect Master Chen are left among the five major sects!

David arrived at the five major sects and received warm hospitality from Sect Master Chen and Sect Master Luo!

If it weren't for David's help in the polar regions, the five major sects would have already belonged to Hai Dafu and others!

Especially Sect Master Chen, who has passed away long ago!

“Mr. Chen, it seems that you had an adventure in the polar regions. Your realm has been directly upgraded to the fourth level of the Tribulation Realm. I just don’t know what happened to Mr. Chen’s sudden visit to our five major sects?”

Sect Master Luo knew that David came here suddenly. There must be something going on!

“I came here first to see how Sect Master Chen is doing and to see if he has recovered.”

David didn’t offer to help from the beginning!

“Mr. Chen, thank you for still thinking about me. I have fully recovered. If it weren’t for you, I wouldn’t have been able to get help from the Soul Demon Sect.”

Sect Leader Chen said very gratefully!

“Mr. Chen, besides visiting Sect Leader Chen, do you have other things to do? If you need anything from our five major sects, just ask.”

“I guarantee that our five major sects will go all out, even if it means going through fire and water.”

“Our lives were given by Mr. Chen, and we still know how to repay our kindness, otherwise we wouldn’t be called a decent family.”

Sect Master Luo knew that David was definitely not just here to visit Sect Master Chen!

“Sect Master Luo, I do have one more thing to ask for.” David calmly told the story of the Mu family’s dealings with Guanghai Palace!

The Mu family is huge and not weak in strength. If they really attack Guanghai Palace, it will be difficult for Guanghai Palace to withstand it!

After all, Guanghai Palace has just started, and all the disciples are still weak and cannot withstand the attack of the Mu family!

“No problem. With just one word from Mr. Chen, our five major sects will fight tooth and nail.”

“I will take my disciples out now and wait for Mr. Chen’s dispatch in Nanjing City.”

Sect Master Luo agreed without the slightest hesitation!

“Thank you so much, Sect Leader Luo.”

David was very moved. After all, no one likes to do something like this that can cost one’s life at any time!

“Mr. Chen, you’re welcome. This is what I should do.”

Sect Master Luo said!

David only stayed in the five major sects for a while and then left!

He still wants to contact more people. This time, David has worked hard for Guanghan Palace!

He has never gathered so many people!

David left the five major sects and went directly to the Sheng family.

The Sheng family’s magic talismans are also very famous in the entire Southern Territory. These things may not be of much use in a solo fight!

But if it’s a large-scale battle, this magic talisman can be of great use!

When Sheng Bushi saw David, he was very surprised and excited!

Especially Sheng Jiahui, she thought she would never see David again after that night!

David wanted to tell Sheng Bushi about the situation, but he didn’t want Sheng Bushi to directly pull David up and said: “Mr. Chen, you came just in time. After that night, my little girl’s stomach didn’t move at all, so you should help her! “

After that, Sheng Bushi left, leaving only Sheng Jiahui and David in the room!

David was also speechless. They had just met, and...

Hey...

Whoever wants to ask for help, let's do it!

Chapter 3888

More than an hour later, David opened the door sweating profusely!

Only to find Sheng Bushi waiting at the door with a smile!

“Mr. Chen, I'm tired. If you need anything, just ask me!”

After Sheng Bushi finished speaking, he did not forget to glance into the room!

I found Sheng Jiahui lying on the bed, seemingly unable to get up!

He felt even happier!

“Master Sheng, I really have something to ask of you!”

David told Sheng Bushi about the affairs of Guanghan Palace!

After listening to David's words, Sheng Bushi said without hesitation: “No problem, I will take the children of the Sheng family to Nanju City right away. Although our Sheng family's overall strength is weak, we can draw more formation talismans, and I can help.”

“Thank you very much, Master Sheng!”

David said very gratefully!

“Mr. Chen, I should be the one thanking you.” Sheng Bushi said with a smile!

David knew what Sheng Bushi meant, so he could only smile awkwardly!

“Father, I'm going too...”

At this time, Sheng Jiahui, who was lying on the bed, said!

“If you don't go, stay home and raise your baby.”

Sheng Bushi immediately retorted.

David was speechless for a while after hearing this. When did it come to this and why did he have a baby?

“Father, how do you know that you will definitely get pregnant this time?”

Sheng Jiahui asked!

At this time, Sheng Bushi was stunned. He didn't know whether he would succeed this time!

Seeing that Sheng Bushi remained silent, Sheng Jiahui took advantage of the victory and pursued her victory: “If I go with you this time, I can stay with David for a few more days, so the chance will be higher.”

“That makes sense, then you can follow!”

Sheng Bu Shi nodded and said!

David was completely confused as he listened to the conversation between father and daughter, and could only leave in a hurry!

He was afraid that he would be left alone and treat himself like a stallion!

After leaving the Sheng family, David returned directly to the Blood Spirit Valley! Seeing David returning, whether it was Devil Shan Gui Lao, Luo Shouhai or others, they were all very excited!

Especially Bai Qian and Huo Feng, they jumped directly into David's arms, completely ignoring the people beside them!

It can be seen that they really miss David!

“Mr. Chen, it seems that you have gained a lot in searching for the Heavenly Demon Stone this time. You have reached the fourth level of the Tribulation Realm, and your aura is much stronger.”

Luo Shouhai looked at David and said in shock!

“There is still some gain, but not much!”

David felt heartbroken when he heard the immortal energy and spirit liquid in the Wuji Holy Sect!

“Mr. Chen, didn’t you find the Heavenly Demon Stone?”

asked the Demon Mountain Ghost!

These are used to reshape the body of Feng Mo. Without the Heavenly Demon Stone, it would be difficult for Feng Mo to reshape his body!

“Found it. I have notified Senior Feng Mo on the way. I estimate that he will arrive in a day or two.”

David said!

“It’s great. When the Wind Demon Ancestor reshapes his body, the situation in the entire heaven and human world will also change.”

Devil Mountain Ghost Elder was very excited!

“Don’t be too happy too early. It’s still unknown when Senior Feng Mo will be able to successfully reshape his physical body after getting the Heavenly Demon Stone.”

“Right now, I need you all to be ready and follow me to Nanjing City at any time.”

David said!

David doesn’t have to be polite to the Devil Mountain Ghost and the others, after all, they are already very familiar with them!

“Nanjing City?” Luo Shouhai was stunned: “Mr. Chen, that is the southernmost point of the entire Southern Territory. I wonder what Mr. Chen is doing in Nanjing City?”

David recounted his experience in Guanghan Palace. , and also said that the Mu family would attack Guanghan Palace!

When they heard that they were going to fight with David, everyone was very excited!

“Mr. Chen, when are you going to set out? If you just say a word, I will gather the disciples right away.”

Luo Shouhai said!

“Okay, what about Palace Master Song of the Soulless Palace?”

David asked!

Chapter 3889

“Then Song Changhai took the Soulless Palace to the Blood Spirit Peak. The Blood Spirit Peak is now empty, which is just suitable for the development of the Soulless Palace.”

“I will send someone to notify Song Changhai right away.”

Luo Shouhai said!

“Yes!” David nodded!

“Okay, I’ve said all that needs to be said. We haven’t talked for many days. Come with me to talk.”

Bai Qian seemed to be unable to wait any longer. She stepped forward and pulled David into the room!

“Yes, I haven’t seen the master for a long time. If the master can make us happy, I can also call the Lion King of the Beast Tribe.”

Huofeng also stepped forward and pulled up David’s other one. Said only arm!

When David saw this, he could only smile helplessly.

“Well, you Huofeng, you have learned how to bargain with the master, then I will let you be honest for a while.”

David followed Huofeng and Bai Qian into the room!

This is a day and a night!

Ji Yun was so anxious outside, for fear that David would become a human and do it!

It wasn't until Feng Mo came that David was called out from the room!

David was in high spirits and didn't seem to be tired at all!

However, Huofeng and Bai Qian looked like they hadn't had a good rest!

He handed the Heavenly Demon Stone to Feng Mo, and Feng Mo left without staying too long!

I guess I need to find a place to retreat and recover my body!

Song Tianhai also came, and brought many disciples from the Soulless Palace with him!

David asked Huofeng to contact Lion King and others immediately!

When Huofeng came forward, the Three Sovereigns and Four Kings of the Beast Clan came running over without any delay!

David saw that everyone was here, so he asked Ji Yun to take out the airship. With so many people, it would be more appropriate to make an airship!

Although the target of the airship is too big, there are so many of them, so there won't be any problems!

The most important thing is that David needs to hurry up. If the Mu family launches an attack on Guanghan Palace before he rushes back, there will be trouble!

Everyone boarded the airship one after another, except for the necessary left-behind personnel, everyone boarded the airship!

Although these people all know that there will be dangers here, no one is afraid!

The airship slowly took off and headed towards Nanju City! Many people were riding an airship for the first time, and they were all very excited. They looked at the scenery outside through the portholes and chatted happily!

Humans, beasts, and demons are enjoying themselves in this airship right now!

In fact, this is also the result David wants!

Don't differentiate between races, it's best to live in peace!

You can also communicate and learn from each other!

Just when the airship was flying over Tianmo Mountain, there was a sudden meal!

Buzz!

A buzzing sound sounded without warning, and then a white light shield turned the entire airship upside down, preventing the airship from moving forward!

The airship began to continuously lower its height and slowly fell, and the light shield was also constantly shrinking!

"What's going on?"

Ji Yun was a little at a loss. He had never encountered such a thing before while driving an airship!

Everyone else was also nervous and ready to fight!

The airship was forced to the ground!

Whoosh whoosh...

Suddenly, four figures appeared, surrounding the airship from all four directions!

I saw these four people, wearing different clothes and shapes, three men and one woman!

"I opened this road and planted this tree. If you want to cross here, leave money to buy the road!"

the woman among them said!

I saw that the woman's fingers were very long, and her eyes were fiery red!

Listening to the woman's voice, David was speechless for a while!

Even everyone in the airship was confused. They didn't understand why the Demonic Mountain came out to rob Dao?

"Hahaha, no one has passed through our territory in these years. I didn't expect to catch one without eyes today."

A gray-haired old man said excitedly with a cane in his hand!

"No, there are still people who don't know the territory of our four famous hunters and dare to pass through here!"

"I really hope that there are a few girls in this airship who can also open their mouths for us and face the flame girl all day long. , I'm tired of seeing it,"

a burly man said, licking his lips!

Chapter 3890

"Bah, you bad guy, I don't want to see you."

The flame girl spat at the big man!

At this moment, the young man standing in the way held a folding fan in his hand and slowly shook it: "Okay, stop arguing, the prey will laugh at our four famous hunters later."

David and the others listened to the people outside the airship . The noise was quite interesting.

"How did we pass through the territory of these four guys..."

Song Tianhai said at this moment!

"Palace Master Song, do you know these four people?"

David asked!

“These four guys are all demon cultivators, and they are also crazy. They are the kings of this area of Tianmo Mountain, and they have always been called the

four famous arresters.” “It means that there is no one who cannot be dealt with by the four of them, and there is no one who cannot be caught by the four of them. “People who have arrived.”

“Many people will not go to these four guys’ territory to avoid unnecessary trouble,”

Song Tianhai said with a look of disgust!

“Crazy?”

David couldn’t help but laugh.

It was obvious that Song Tianhai was deliberately mocking these four people. Just relying on the formation just now to force the airship to a stop proved that the four guys were quite capable!

“I’ll go down and meet these four lunatics!”

David said as he was about to step off the airship!

“Mr. Chen, we will go with you!”

Luo Shouhai and Devil Mountain Ghost Lao said!

“No, the four of them can’t do anything to me. If I really weren’t their opponent, you would have had time to get out!”

After David finished speaking, he opened the door and walked out!

The four of them became even more arrogant when they saw that it was just a young monk of the fourth level of the Tribulation Realm stepping out of the airship!

“Boy, are you the only one in the airship?”

Seeing David walking down, the rough man asked!

“You are a rude guy, scaring little brother.”

Yan Nu glared at the rough man, then approached David with a smile on her face and said, “Don’t be afraid, little brother, my sister will protect you. Tell your sister, airship “Who else is there?”

“I am the only one in the airship...”

David said! “You fart, how can such a big airship be just you?”

The old man also yelled!

“I believe that even if the little brother is alone, it doesn’t matter.”

Yan Nu twisted her body and kept ogling David: “After a while, you play with my sister and she will let you go.”

Looking at it. Bai Qian and Huo Feng on the airship were going to be mad to death because of the look of Yan Nu!

“b!tch, you’re so damn b!tchy!”

Huo Feng cursed angrily!

“I’m going to go down and kill her. It’s so fu**ing embarrassing to look at her coquettishness.”

Bai Qian also cursed.

“How can my sister protect me?”

David looked at the flame girl and asked!

“Of course it is this!”

I saw a flame shooting out of the flame girl’s eyes instantly, and the flames danced on the fingertips of the flame girl, like an elf!

“Playing with fire? I really think so!”

David snapped his fingers, and a ball of orchid flames rose up!

Soon, the flames turned into red eyes, and then white again!

It changed several colors in a row, which shocked the flame girl!

“You...how do you know the ultimate fire?”

Yan Nu looked at David in disbelief and asked!

“I don’t know how I understand.”

David smiled innocently!

“Yan Nu, what are you talking to him about? Let him take out all the valuable things, and then open the airship for us to inspect.”

The rough man said impatiently!

Yan Nu stared at David, and suddenly a flame swung towards David!

The flame dragged a long stream of light and went straight to Davidping’s door!

Yan Nu knew that David’s transformation into fire just now was completely obvious. David was not as harmless as he appeared on the surface!

It is extraordinary that a fourth-grade monk in the Tribulation Realm possesses several kinds of ultimate fire!
