Chapter 3891

David looked at the flame girl's ultimate fire, suddenly opened his mouth, and actually swallowed the flame girl's ultimate fire into his stomach!

This time, Yan Nu was shocked!

At the same time, the three other people were also shocked. They knew Yan Nu's methods, but they didn't expect David to be able to swallow the flame girl's ultimate fire!

"Who are you?"

Yan Nu looked at David in shock and asked!

"My name is David!"

David said calmly!

"David?"

Yan Nu frowned slightly!

"I know, he is the guy who was offered a hundred-year reward by the Demon Sealing Alliance. Today we made a fortune."

The strong man suddenly remembered and said loudly!

Upon hearing this, everyone became excited!

Four people surrounded David!

"Boy, I didn't expect that you are that David. You can actually let the Demon Sealing Alliance put a hundred-year sacrifice as a reward. It shows that you are also extraordinary."

“But you met the four of us, that’s your bad luck. Don’t think about it today. Leave!”

the old man said with a cane in his hand!

“You want four people to deal with me together?”

David said with a faint smile!

“Yes, we just want to bully the few with more. As long as we catch you, the four of us can go into seclusion directly.”

The young man holding the folding fan said with excitement!

“Don’t you think it’s shameful to bully the few by bullying them?”

David asked deliberately!

“Shameful?”

“Hahaha, the four famous arresters of ours have always bullied the smaller ones, and have never felt shameful.”

“If you just surrender, we can let you die a little more happily!”

The strong man laughed loudly!

“Since you like bullying the minority so much, let me try what it feels like to bully the minority!”

After David finished speaking, he said to the airship: “Everyone, come down and stretch your muscles...”

As David finished speaking, the airship’s hatch slowly opened!

Luo Shouhai and the others all walked out of the airship!

Dozens of people surrounded the four famous arresters!

Seeing the scene in front of them, the four people were stunned!

They never expected that there would be so many people in the airship, and they were all together!

“Misunderstanding, I think there is a misunderstanding...”

Seeing this, Yan Nu hurriedly approached David, trying to use her figure to calm David’s anger!

Seeing Yan Nu posing in front of David, Bai Qian and Huo Feng got angry!

The two of them took action together, grabbed the flame girl and ran away!

“Damn it, you slutty B!tch, you dare to seduce our men, you’re tired of living...”

Bai Qian and Huo Feng didn’t hold back, beating the flame girl until her nose was bruised and her face was swollen!

David was speechless when he saw this scene!

Unexpectedly, these female cultivators in the heavenly world would fight just like the old women in the secular world.

“Mr. Chen, what should we do with the remaining three?”

Luo Shouhai asked!

“Clean up. If you dare to block our airship, you must be taught a lesson.”

David said!

After David spoke, Luo Shouhai and others rushed forward!

When the airship slowly took off and slowly moved away, the four famous arresters were lying on the ground. Each of them was seriously injured. I am afraid that they will never be able to rob on the road again for the rest of their lives!

The airship continued to fly forward, and everyone was talking and laughing inside the airship.

Ji Yun was driving the airship, constantly correcting its direction!

But just as evening approached, several figures suddenly appeared in front of the airship!

Ji Yun quickly stopped the airship and said a little depressed: “This airship is really eye-catching, why do you always encounter dangers?”

Everyone looked forward and saw seven people lined up in front of the airship. !

These people were all wearing the costumes of Wantong Pavilion, and one of them shouted to the airship: “Who are you? Why are you flying the airship on my territory of Wantong Pavilion? Are you tired of living?”

Chapter 3892

In this area, the airships of Wantong Pavilion were operating. Suddenly another airship appeared. Wantong Pavilion thought someone was robbing business, so they sent people to intercept it!

When he heard that it was someone from Wantong Pavilion, David was not worried, but opened the hatch and flew out!

Arriving in front of everyone in Wantong Pavilion, David said politely: “Fellow Taoists, I am a friend of Elder Xia of Wantong Pavilion, and we are also very familiar with your Elder Sun.”

“This airship is Ours is private and not operated, and the people on it are all my friends. We are going to Nanjing City. I hope it will be convenient.”

“You said you are a friend of Elder Xia, then you are a friend. What proof do you have. ?”

asked the Wantong Pavilion disciple!

David quickly took out Elder Xia’s token. When he saw Elder Xia’s token, these disciples of Wantong Pavilion got out of the way!

The road ahead was smooth sailing. At midnight, the airship slowly landed in Nanjing City!

But as soon as the airship landed, it was surrounded by people!

“Surround this airship and see who it is.”

Someone shouted loudly!

This shocked everyone inside the airship!

When David heard this voice, he laughed and said with everyone: “Don’t be afraid, this is also a member of Wantong Pavilion, the master of Wantong Pavilion in Nanjing City.”

“It seems that this Wantong Pavilion is here .” He is very concerned about grabbing business. He is indeed a businessman.”

David walked towards the airship first, then looked at Master Qian who was talking and said, “Master Qian, don’t be nervous, this is my own airship, because this time. There were a lot of people to bring, so we sent the airship.”

Seeing that it was David, Pavilion Master Qian’s face, which was still a little angry just now, softened a lot!

“It turns out to be Mr. Chen, why did you bring so many friends to Nanjing City at once? There is nothing interesting in Nanjing City!”

Pavilion Master Qian asked curiously!

David did smile slightly but did not answer. He didn’t know how to answer, and he didn’t want the Mu family to know that he had summoned so many people! Seeing David’s smile, Pavilion Master Qian said, “Did you bring someone to deal with the Mu family?”

“Nanjing City has been full of people coming in the past two days. Such a remote small town, so many people suddenly poured in. I think they were all brought by Mr. Chen, right?”

Pavilion Master Qian said!

David could only admit and nodded: “There is no way. The Mu family is too powerful and has many people. I heard that the Mu family has gathered people from all over the country. To deal with Guanghan Palace, I can only think of a way. “Recruit more people.”

“I didn’t expect Mr. Chen to have such strength and summon so many people. They should be from several sects and families.”

“Mr. Chen’s from the human race, the beast race, and the demon race. ” The face really connects the three clans!”

Pavilion Master Qian said with envy!

“My friend is just helping me, but it’s Pavilion Master Qian who personally leads the team here at such a late hour. He is also dedicated to his job!”

David said with a smile!

“Hey, I am seeking my position. Who made me the master of this pavilion? Then there will be no airships other than Wantong Pavilion in Nanjing City.”

“But Mr. Chen’s airship is quite high-end. Compared with Our Wantong Pavilion’s airship is even more powerful!”

Master Qian Pavilion said as he looked at David’s airship!

“To be honest, I have a friend who also engages in airships, but they are in the Northern Territory and there is no interest in following Wantong Pavilion!”

David said!

“No wonder!” Pavilion Master Qian nodded!

After chatting for a few words, Pavilion Master Qian took the people away, and David also took everyone to have a rest!

David plans to wait until early tomorrow morning to gather everyone and head to Guanghan Palace together!

Various formations must be deployed in Guanghan Palace in advance, and defensive tasks must be assigned at the same time!

Chapter 3893

Guanghan Palace!

The palace owner stayed up all night after David left!

No one knows when the Mu family's revenge will come, and the palace owner has been worried about it!

Although she kept saying that she was not afraid of the Mu family's revenge, she was still worried in her heart!

The palace master who has reached the Mahayana realm is not afraid of the Mu family. At worst, he will just run away. It is easy to save his life.

But Guanghai Palace, which he had worked so hard to support, was about to suffer!

The disciples of Guanghai Palace are not very strong, and they lost so many saints and outer disciples during the trip to the polar regions!

Now, apart from the palace master himself, Guanghai Palace is probably not even strong enough to be considered a second-rate sect.

If the Mu family came to take revenge, how could they resist?

And the Ji Stone Mine, which was finally found, is it going to be handed over to the Mu family?

The Palace Master of Guanghai Palace looked out the window, her eyes full of worry!

"Does God have to destroy our Guanghai Palace? Can't we let our Guanghai Palace become more glorious?"

the palace master of Guanghai Palace murmured to himself!

"Palace Master, you haven't rested yet?"

At this time, Binglu came in and said!

"Have everything been arranged?" the palace master asked!

"The layout is complete, and several more magic formations have been set up at the front door. Now our Guanghai Palace is like an iron bucket, and no one can come in."

Binglu said very confidently!

But the Palace Master of Guanghan Palace smiled and shook her head, because only she knew that these formations were vulnerable to the Mu family!

“Go and have a rest. Tell all the disciples to seize the time to practice. Maybe it won’t be long before there will be a fierce battle!”

said the Palace Master of Guanghan Palace!

“Okay!” Binglu nodded!

Although Binglu didn’t know what this fierce battle would be, she felt the oppressive feeling of approaching danger from the palace master!

at the same time!

In the Mu family, the lights are also brightly lit!

The head of the Mu family has not yet left seclusion, and everything is being taken care of by the chief steward of the Mu family!

Mu Kui is dead!

Munayi is dead!

Everyone in the Mu family is wearing white clothes.

Hundreds of people stood in the square of the Mu family. These people were all the Mu family!

All the disciples have been called back!

“Manager Liu, everyone in the Mu family has been summoned back. We are just waiting for the order from Manager Liu.”

A member of the Mu family stepped forward and said!

“Everyone is waiting where you are. The head of the family will probably be able to leave the house in a day or two.”

The housekeeper waved his hand, and everyone in the Mu family was waiting in the square!

Even if these people didn't move, they could tell that the Mu family's hierarchy was very strict.

But this Butler Liu, who has a foreign surname, is able to take charge of everything in the Mu family, and it can be seen that the head of the Mu family trusts him.

.....

Early the next morning!

David personally went to find people from the five major sects, the Sheng family and the Soul Demon Sect.

All of a sudden, there were thousands of people in a large house in Nanjue City!

In the hall of the house, Luo Shouhai, Song Tianhai, Sheng Bushi, Jiang Yulian, Sect Master Luo, Sect Master Chen, Lion King and other leaders of the major sects were sitting together!

David looked at these people in front of him and felt very grateful in his heart!

Although these people have all received favors from David, in this world of heaven and earth, many people are selfish and driven by interests!

Even if David helped them, there are still many people who are treacherous!

David asked the major sects and families to get to know each other, so as to avoid a real scuffle and accidental injuries caused by not knowing each other!

At this moment, in this house, it is the first time that the three tribes of humans and monsters have cooperated!

And all of this happened because of David!

David explained the matter simply to everyone again!

This gave everyone another chance. After all, in a fierce battle with the Mu family, many people would definitely die!

If someone quits at this time, David will not be resentful!

However, these people are surprisingly unanimous, and they all obey David's orders!

Chapter 3894

Seeing that no one was flinching, David led everyone to Guanghan Palace!

However, when David led everyone to leave Nanju City, a young man looked at the leaving figures of David and others, and a sneer suddenly appeared at the corner of his mouth!

Soon, the young man's figure disappeared, and David and others did not notice some observations!

Thousands of people began to walk up the mountain on the snow!

On the way, there are monks in the sky rushing towards Guanghan Palace!

When approaching Guanghan Palace, the guards in Guanghan Palace also discovered this scene.

Looking at the dark crowd in the sky and on the ground, many disciples of Guanghan Palace were stunned.

"Enemy attack, enemy attack, hurry up and notify the palace master..."

Immediately, a disciple of Guanghan Palace shouted!

The Palace Master of Guanghan Palace was notified and rushed to the door. When she looked at the dark crowd in the distance, she was instantly confused.

She never expected that the Mu family could gather so many disciples.

Everything flying in the sky and walking on the ground are all human beings. It's so shocking that they cover the sky and the sun!

"Palace...Palace Master, this..."

Binglu looked at this scene and felt a little embarrassed when she spoke.

There was helplessness in the eyes of the Palace Master of Guanghan Palace, and he sighed softly: "Binglu, take all the disciples of Guanghan Palace and leave from the back mountain. The farther you can go, the better."

"If it is possible, I hope you will Continue to promote Guanghan Palace. If it is not possible, then stay anonymous and don't say that you are a disciple of Guanghan Palace. "

The master of Guanghan Palace gave up. There was really no other way. Facing the attacks of so many people, Guanghan couldn't help but continue to promote Guanghan Palace. The palace is afraid that it will fall apart in an instant!

It is simply not worth it to have so many disciples die together.

Also, these disciples of Guanghan Palace are too weak and have a weak foundation. It will be very difficult for them to carry forward Guanghan Palace.

"Palace Master, I won't leave, I want to accompany you."

Binglu shook her head and said.

"Palace Master, we are not leaving. We are willing to accompany you and die together with Guanghan Palace."

Many Guanghan Palace disciples all said with firm eyes.

"It's not necessary. If you leave, Guanghan Palace will not be destroyed. Maybe many years later, Guanghan Palace will reappear."

"If they all die here, then Guanghan Palace will really be finished."

Palace Master of Guanghan Palace He sighed, and then said in a commanding tone: "I order you to leave Guanghan Palace immediately. It will be too late..."

Binglu wanted to say something else, but looking at the palace master's decisive expression, she finally had no choice but to He nodded and prepared to leave with everyone!

But just when Binglu was about to leave with other Guanghan Palace disciples, Lan Yingying suddenly shouted!

“Palace Master, look, look, Mr. Chen, it’s Mr. Chen...”

Lan Yingying’s shout was full of excitement!

When the Palace Master of Guanghan Palace and Binglu heard this, they quickly looked around and found that the figure at the front was approaching quickly, and it turned out to be David!

David was afraid that so many people would scare everyone in Guanghan Palace, so he ran in front of everyone so that he could inform everyone in Guanghan Palace in advance.

Seeing that it was David, the master of Guanghan Palace finally had a smile on his face.

Binglu cried excitedly.

“Open the door...”

The Palace Master of Guanghan Palace ordered to open the palace door, and then led people to greet him!

“Palace Master, I’m back again...”

David looked at the Palace Master of Guanghan Palace and said with a slight smile.

Although David did not have in-depth and intimate communication with the master of Guanghan Palace, the two of them had kissed each other and had skin-to-skin contact, so their relationship became subtle.

“You...why are you back? Those people are...”

The palace owner looked at the dark crowd behind David and asked in shock.

“I brought them all. I know that the Mu family will definitely not let Guanghan Palace go, and Guanghan Palace is no match for the Mu family, so I contacted a group of friends to come and help.”

David said with a smile.

Chapter 3895

“Friend?” The palace owner was stunned.

All the disciples in Guanghan Palace looked on in disbelief.

You must know that in this world, the human world is all egoistic and puts interests first. There is very little friendship and it is all about the exchange of interests!

But David called so many friends at once, why didn't everyone be shocked.

“Mr. Chen, you...how do you have so many friends?”

Binglu asked in confusion.

“These are just friends from the Southern Region. If you include those from other regions, I have more friends.”

David said with a hint of bragging.

However, David is indeed able to contact more people, such as Yihe, Jade Cauldron Sect, Ji Family...

these people estimate that David will all go through fire and water without hesitation!

The Palace Master of Guanghan Palace looked at David crazily. She found that she liked David more and more!

If it weren't for the rules of Guanghan Palace, she would have given it to David right away!

This kind of man is worth every woman's effort!

Soon, Luo Shouhai and others also arrived in front of Guanghan Palace!

David introduced these people to the Palace Master of Guanghan Palace one by one!

“This is Master Luo of the Blood Spirit Valley.”

“This is Master Song of the Soulless Palace.”

“Sect Master Luo of the five major sects, and Sect Master Chen.” “Principal Sheng of the Sheng Family.” “Jiang Yulian of the Soul Demon Sect, Zhe “Yan.”

“Among the three emperors and four kings of the Beast Clan, the Lion King, the Monkey King, the Leopard King, and the Thousand-faced Demon King, this is the Fox Queen.”

After David finished speaking, Bai Qian stepped forward and faced Guanghan Palace. The master said: “Welcome to join David’s ranks of women...”

The master of Guanghan Palace was stunned, and then his face turned red!

David coughed awkwardly!

“Bai Qian, don’t talk nonsense. What is the identity of the palace master of Guanghan Palace? Can you talk nonsense? There are rules.” David glared at Bai Qian!

“Master, stop hiding it. There must be something going on between you two. You can see it from your eyes. You have to trust us women’s intuition.”

Huo Feng said with a smile from the side.

“That’s right, you were still hiding, and you just did it, and the eldest lady of the Sheng family looked at you all the way. Although you two didn’t speak, you were definitely asleep.” “

I Are you right, a girl from the Sheng family...”

Bai Qian looked at Sheng Jiahui and asked!

Sheng Jiahui blushed and quickly lowered her head, feeling very embarrassed!

Huofeng said, “Don’t be embarrassed. Being able to become the master’s woman is a blessing that has been cultivated for thousands of years.”

“The master has many women, and we are not the only ones.”

“Ahem, cough, cough, Let’s go in and talk about how to defend against the enemy.”

David quickly interrupted Huo Feng and then called everyone into Guanghan Palace!

If this continues, I don’t know what these two women will say!

Everyone looked at David’s embarrassed look and burst into laughter!

A beauty paired with a hero makes the world happy!

David is a hero, so he should be surrounded by beauties!

When everyone entered Guanghan Palace, the palace owner immediately ordered people to close the palace door!

David began to assign tasks!

Although the Mu family has not attacked Guanghan Palace yet, no one knows when the Mu family will come back, so they must prepare in advance!

David asked Sheng Bushi to take the Sheng family to draw more talismans, while he himself set up a large number of defensive and offensive arrays in front of the Guanghan Palace!

The Palace Master of Guanghan Palace also used all the resources of Guanghan Palace. Since everyone is here to help, Guanghan Palace cannot be stingy!

Just when David led everyone to build a large number of defenses in Guanghan Palace!

Everyone in the Mu family is also quietly looking forward to the return of the head of the Mu family!

“Steward Liu, why didn’t you send someone to inform me of such a big matter?”

At this time, a reproachful voice came!
