Chapter 39201

At this time, a young man who looked to be in his twenties, wearing a blue robe and a jade crown came over.

“Master, why are you back just now? The sect leader has just sent people to notify you several times, inviting you to go to the meeting hall to discuss matters.”

The young man saw Elder Yu and said anxiously!

“The sect leader has only been in office for a few days. Why does he discuss matters every day and not give him any private space?”

Elder Yu said impatiently.

“Master, please keep your voice down and stop complaining. In the half day since you left, Elder Hu was punished by the sect master. He probably came to you for discussion because of this matter.”

The young man looked around cautiously. , and then whispered!

“What? Old Hu was punished? Why?”

Elder Yu said in surprise.

“How did I know that this was a secret? I also overheard what the disciples in the conference hall said.”

said the young man!

“Then I’d better go and see why something happened to this old Hu.”

Elder Yu said, and was about to go to the meeting hall, but suddenly thought of David, and then pointed at David and said: “Wei Qing, this Cheng Ping is also here to join our Ziyang Sect. You take him to take the assessment and let him work under me after he passes.”

Wei Qing looked at David, then nodded and said, “I understand, Master, hurry up and go. ” Well, if you are late and the doorkeeper punishes you, it will be troublesome.”

“He dares, I am not as easy to bully as Lao Hu.”

Elder Yu had a tough look on his face, but when he said this, he was walking. Run towards the meeting hall!

Seeing Elder Yu running away, Wei Qing smiled and patted David on the shoulder and said, "Fellow Taoist, I asked my master to bring him to the inner sect for assessment. Isn't it a good thing for him?"

Upon hearing this, David seemed to have After realizing this, he hurriedly took out a dozen purple gold spirit coins and handed them to Wei Qing and said: "Brother Taoist, when I join the Ziyang Sect from now on, we will be brothers. Please take care of me."

Wei Qing took David's A dozen purple gold spirit coins were stunned, and then he said with excitement: "Hahaha, no problem, everything is easy to talk about, I will protect you if anything happens."

A dozen purple gold spirit coins were nothing to David, but for For these ordinary sect disciples, that is a huge sum of money! No wonder Wei Qing is so excited!

"Junior Brother Cheng, I will take you to take the assessment..."

Wei Qing excitedly took David to the assessment!

Before David passed the exam, Wei Qing started shouting junior brother and junior brother!

"Junior brother, don't be nervous. The inner sect's assessment is not strict. You are now in the fourth level of Tribulation Realm and you are fully capable of handling it."

"Junior brother, what do you do at home? Why did you come to our Ziyang Sect?"

"In Ziyang Although the door has more rules, it is also very quiet. It is located in the center of the desert, with few people disturbing it, and the weather here is very helpful for practicing fire-based skills. "

Wei Qing asked David along the way. The one who asked Xi showed great enthusiasm!

David could only answer one question or another!

"Senior brother, can I ask if I can skip the inner sect exam?"

David asked!

"Don't take the test?"

Wei Qing was stunned, and then said in a panic: "Junior brother, what's going on? Did senior brother say something wrong somewhere? Are you so scared that you don't dare to take the test?"

“Don’t be afraid, it’s really simple. , With your strength, you will definitely pass the test, don’t fail.”

Wei Qing was scared and thought he had scared David!

For a rich man like David, if he becomes a senior brother in the future, his benefits will definitely be indispensable!

What’s more, Elder Yu brought it to him personally. If David doesn’t take the exam and leaves, Elder Yu probably won’t be able to spare him when he comes back!

“Senior brother, you misunderstood. I just wanted to ask if you could skip the exam and spend some spiritual coins and resources on it for me.”

David hurriedly explained.

“Oh, so that’s what happened!”

Wei Qing wiped the cold sweat from his forehead, and then said with a slight embarrassment: “Junior brother, there is no precedent for this. After I go, I will help you ask.”

“Okay, thank you. Senior brother,” David said!

“What are you talking about? We will be the closest people from now on.”

Wei Qing patted David on the shoulder and said!

The reason why David didn’t want to take the assessment and directly paid bribes to get in was because he didn’t want to expose his strength and aura!

If you can spend spirit coins to directly enter the Purple Flame Gate, that would be the best!

David followed Wei Qing to a tall building!

At this moment, there are already many people queuing up in front of the door. These are all those who are here to take the exam and want to join the Ziyang Sect!

There are also some that are assessed by outer disciples and promoted to inner disciples!

Wei Qing took David directly through the crowd and walked in!

Entering inside, David saw an angry girl wearing a long blue silk dress, holding a long sword, and said loudly: "If you don't speak clearly today, no one will be able to take the exam."

The girl blocked the door directly. Before that, those disciples taking the assessment were not allowed to enter!

"Junior sister Qian, what are you doing?"

Wei Qing looked at the girl and asked with confusion on her face!

When the girl saw Wei Qing, she immediately said with an aggrieved look on her face: "Brother Wei Qing, you came just in time to give us an evaluation. Liu Shitong did not allow us to participate in the assessment, and other outer disciples must choose them after the assessment." "

We disciples from the old sect master's lineage are not allowed to take the exam unless they are from their new sect leader's lineage."

"Why, is there such a thing?" Wei Qing frowned!

David was confused and asked in a low voice: "Brother, what's going on? Did my exam also fail?"

"Junior brother, don't worry, Liu Shitong doesn't have the final say in this assessment venue. Although He is the proud disciple of the current sect leader, but the entire Ziyang Sect is not one of his own,"

Wei Qing said angrily!

"Senior Brother Wei Qing, who is this?" The girl looked at David and then asked!

"Oh, this is my junior brother Cheng Ping brought by my master. I am here to take him to assess the inner disciples."

Wei Qing quickly introduced: "Junior brother, this is Qian Xiu, Elder Hu's disciple."

"Hello, senior sister!" David greeted Qian Xiu very politely, and then asked with a little doubt: "Senior sister is already an inner disciple, why do you still need to come for the assessment? And who is Liu Shitong?"

Wei Qing smiled and said: "Junior brother "Although Junior Sister Qian is an inner disciple, she still has to climb up. She is evaluating the deacons of the sect."

"To be honest, I am the deacon of the sect now. Did you see the jade crown on my head?" The symbol of deacon."

Wei Qing followed David with a little pride!

“This Liu Shitong is Elder Huo’s proud disciple.” Qian Xiu said.

“Keep your voice down, this is Sect Master Huo now. He is the Sect Master’s disciple, so of course he is awesome.”

Wei Qing reminded him quickly!

David finally understood that with the replacement of old and new sect masters, there were constant internal fights within the Ziyang Sect!

Elder Yu, Elder Hu and others should be from the old sect master’s lineage!

That’s why this assessment is specifically targeted at them!

It is also to get these people to break away from the old sect leader’s lineage and join the new sect leader’s lineage!

This kind of alternation of sect power, accompanied by secret battles, is a normal thing!

Where there is power, there will be fights!

Wasn’t this the same situation in Jade Cauldron Sect back then!

“Senior Brother Wei Qing, as the deacon of the Ziyang Sect, you must take care of this matter. Let’s go find Liu Shitong to discuss it.”

Qian Xiu pulled Wei Qing and went straight to the hall!

When David saw this, he could only follow behind!

“Liu Shitong, what do you mean? Why don’t you let Junior Sister Qian take the test? And why do you have to let the disciples who take the test join your lineage?”

After Wei Qing walked into the hall, he angrily yelled at a young man in white!

Liu Shitong sneered, looked at the furious Wei Qing and said, “Senior Brother Wei Qing, I did not deny Junior Sister Qian the assessment, and I did not force other assessment disciples to join our lineage.”

“This is all their own. “Can you still influence other people’s choices?”

“You’re talking nonsense. You just stopped me from taking the test, and you said that as long as I join your lineage, you will let me pass the deacon test easily. This is all what you said. “Qian Xiu exposed Liu Shitong’s lies!

But Liu Shitong smiled and said without any panic: “Junior sister Qian, you heard it wrong. As the chief judge of this assessment, how could I say such a thing? And I would never do it.”

“You...you are shameless...” Qian

Xiu was so shameless by Liu Shitong that he didn’t know what to say!

“Liu Shitong, since you said you didn’t stop me, let Junior Sister Qian take the assessment. There are also several inner disciples who will take the assessment. You are not allowed to stop them or ask them to join the team.” Wei

Qing suppressed his anger and faced Liu Shitong. Said!

“The assessment is okay, but each person must pay five purple gold spiritual coins.”

Liu Shitong said!

Everyone was stunned when they heard Liu Shitong’s words. Then Wei Qing frowned and said, “Liu Shitong, do you want to use your identity as the chief judge of the assessment to bend the law for personal gain and make money for yourself?”

“I have never heard of assessment. You want spiritual coins, you are showing favoritism,” Qian Xiuye said loudly!

There were other disciples taking the assessment and they started shouting too!

After all, five purple gold spirit coins are a huge sum of money to these disciples!

“Don’t speak so harshly. When did I bend the law for personal gain? This is the new rule set by our Ziyang Sect.”

“Not only you, but also the disciples of our lineage have to pay for the assessment.”

” However, these money are not handed over to the sect, but to the two disciples for assessment, and whoever wins, these spiritual coins will be given to them.”

Liu Shitong said with a sneer!

“Are you kidding? As the chief judge of the examination, you will definitely protect your own disciples. Aren’t we destined to lose?”

Qian Xiu immediately reprimanded loudly!

Wei Qing also frowned. He knew that Liu Shitong was deliberately setting up obstacles to prevent disciples from their lineage from participating in the assessment!

Not only are there many disciples in the opponent's assessment, but the chief referee is also a member of the opponent's family. How can he be invincible when he is both a referee and an athlete.

What's more, five purple gold spirit coins per person, not everyone can get it!

"Liu Shitong, I'm going to sue you for obstructing this disciple's assessment,"

Wei Qing said angrily!

"Go, I'll wait for you. These are the rules set by my master, and these rules are promulgated by the sect leader's order. If you sue me, won't you sue my master as well?"

Liu Shitong said confidently!

"You..."

Wei Qing was speechless for a moment, who let his master be the master of the sect!

In this case, this is forcing the disciples of their lineage to join forces again!

And if the assessment of the outer disciples and the assessment of the inner disciples are all from the same lineage as the sect leader, then as time goes by, the entire Ziyan Sect will become a single family!

But now Wei Qing has no choice. This is a rule issued by the sect leader. There is no point in being angry!

"Are you going to take the exam? If you don't take the exam, don't make trouble here."

Liu Shitong said impatiently!

David remained silent on the sidelines, but he knew that it seemed that his method of relying on his ability to pass without assessment would not work!

Unless he chooses to join the lineage of the new sect leader, in that case, even if he meets the old sect leader, they may not teach him the art of extreme fire fusion!

“Senior Brother Wei Qing, forget it...”

Qian Xiu said helplessly.

She simply couldn't produce five purple gold spirit coins and couldn't participate in the assessment!

“Junior Sister Qian, don't be discouraged. I'll pay you for the assessment.”

Wei Qing said and took out five purple gold spirit coins from his body. These were given to him by David!

David looked at Wei Qing, and he didn't expect that this guy looked very greedy, but he was willing to take out the money at this time!

“Senior Brother Wei Qing, you...”

Qian Xiu looked at the purple gold spirit coin that Wei Qing took out, and his face was filled with emotion for a moment!

“Go and take the assessment. I believe you will succeed.”

Wei Qing looked at Qian Xiu with firm eyes!

David could tell that the reason why Wei Qing became so generous was because he liked Qian Xiu!

Often after he likes a woman, a man becomes generous to her!

“Senior Brother Wei Qing, then the other senior brothers...”

Qian Xiu looked outside and saw that there were several disciples of his lineage who wanted to be assessed!

When Wei Qing saw this, he looked embarrassed and said: “I can't control other people, I don't have that much money.”

When the other people heard this, their faces were ashen and dejected!

“Disciples of our lineage for the assessment, come forward, I will pay you spirit coins.”

Liu Shitong greeted at this time, and then handed over spirit coins for the disciples of their lineage!

There were more than ten disciples in total, and Liu Shitong threw nearly a hundred purple gold spiritual coins on the table!

“Are there any other disciples who want to join our lineage? I can also pay for you.”

Liu Shitong shouted to the disciples waiting for the assessment outside the door!
With this shouting, many people raised their heads and seemed to see hope in their eyes!

However, due to the presence of Wei Qing and Qian Xiu, no one has walked over yet!

Liu Shitong was not in a hurry. He knew that these people would come over sooner or later, so he waited quietly!

Wei Qing was extremely embarrassed at the moment. He didn't want his disciples to join the new sect master!

But he couldn't get the spiritual coins to pay for these disciples!

Just when the atmosphere became very awkward, David spoke!

“Senior brother, I have paid for the examination fees for the disciples of this lineage. Let them come as many disciples as they want.”

After saying that, David directly poured a bag of purple gold spiritual coins on the table!

The crashing purple gold spirit coins shocked everyone's eyes!

There are more than a hundred purple gold spirit coins!

After being shocked for a while, Wei Qing grabbed David's shoulders with excitement: “Junior brother, thank you, thank you...”

“Junior brother, you... you are so rich!”

Qian Xiu looked at the purple gold Lingbi actually hugged David excitedly!

This made David very embarrassed. After all, men and women cannot be intimate!

What's more, Wei Qing also likes Qian Xiu!

At this moment, Qian Xiu squeezed David's chest softly, leaving David speechless!

Two people have just met, are they so open?

When the disciples outside the door saw this, they all ran in and thanked David one after another!

They still don't know that there is such a rich second generation among their disciples!

So rich!

Liu Shitong frowned, glanced at David and said, “Senior Brother Wei Qing, who is this person? He looks very unfamiliar, isn’t he from our Ziyang Sect?”

“This is my master’s new disciple. , specifically asked me to bring him here for assessment,” Wei Qing said!

Chapter 3925

“Oh, it turns out that he is the disciple that Elder Yu has just recruited. No wonder Elder Yu doesn’t look down on such a rich and poor disciple.”

“But it’s useless to have money. I will enforce the law impartially. If I don’t have the strength, I can’t.” Those who passed the examination

“Money can make you bow down, but it can’t make me show favoritism!”

Liu Shitong said angrily!

Obviously, this Liu Shitong is following Wei Qing in the yin and yang of Elder Yu to be greedy for money. As long as he has money, he will do anything!

Wei Qing blushed, because what Liu Shitong said was right!

“Stop talking nonsense, hurry up and register and prepare for their assessment!”

Wei Qing told Liu Shitong to stop talking!

“Senior brother Wei Qing, I can let them take the assessment, but as a junior brother like you, you can only take the outer sect assessment, and you have to do it step by step.”

“You can only take the inner sect assessment after a few years of inspection. This is the rule. , Don’t break the rules,”

Liu Shitong said.

When Wei Qing heard this, he said angrily: “Liu Shitong, are you done with this? This is a disciple brought by my master. He does not need to be assessed by outsiders. You did this on purpose.”

“It didn’t need to be done before, but now the rules have changed . You have to take the external examination and observe it for several years.”

“You...” Wei Qing was very angry: “I...I will go to the council hall to sue you, I don’t believe you can do it. Ziyamen covers the sky with one hand.

“Go, hurry up and see if you can sue me.”

Liu Shitong said with a sneer!

Wei Qing just said this, but did not move. He knew that even if he went, it would be of no use at all!

“Liu Shitong, what do you want? How can we pass the examination for our teacher’s inner sect?”

Wei Qing finally asked helplessly!

People have to bow their heads under the eaves, Wei Qing can only give in!

“How about this, for the disciples of your lineage, the assessment fee is increased to ten purple gold spiritual coins?”

Liu Shitong asked!

“You...” Wei Qing was trembling with anger!

“Don’t worry, if the disciples of your lineage win, all these spiritual coins will be returned in full. What are you afraid of? Do you feel that the disciples of your lineage are useless and there is no possibility of winning?”

Liu Shitong said sarcastically!

Wei Qing was said to be speechless. He really thought so. After all, their disciples were few and their strength was not strong. How could they be better than the other party!

To put it bluntly, the money you take out is given to the other party for free!

“Ten purple gold spiritual coins are not much. Do you dare to bet bigger?”

After David finished speaking, he took out a bag of purple gold spiritual coins again. There were hundreds of them at least!

“I bet all these purple gold spirit coins. You only need to pay half of the spirit coins. If you win, you will take all the spirit coins.”

“If you lose, you will only take out half of the spirit coins. “

David looked at Liu Shitong and said!

Liu Shitong was stunned for a moment, and then looked at David. He was just a fourth-level monk in the Tribulation Realm, but he was uttering arrogant words!

“Junior brother, you...”

Wei Qing only knew that David was rich, but didn't know how powerful David was, so he wanted to stop him!

After all, David is only at the fourth level of the Tribulation Realm!

“Junior brother, don't bet with them. No matter how rich you are, you can't give it to them for free.”

Qian Xiu also hurriedly persuaded David!

“Don't worry, this little money is nothing to me!”

David said in a very pretentious manner!

Then Liu Shitong's eyes lit up. He thought David was just rich and pretending to be cool, and he didn't have any real ability!

This is a clear gift of money to yourself, how could you not agree?

“Okay, I promise you!”

After Liu Shitong said that, he also took out a bag of spirit coins and poured them all on the table!

Seeing that Liu Shitong agreed, many disciples were surprised!

This is a huge amount of money. You must know that these purple gold spirit coins are resources and can buy a lot of resources!

Now the two sides are blocked!
