

Chapter 1060 Help

After listening to Mr. Jenkins' explanation, Liam nodded in understanding.

Indeed, it was not suitable for Laura to know too much, considering her current condition.

After all, information could only be beneficial if the one who received it had a certain perspective and was mentally prepared. Knowing too soon might even be harmful.

Suddenly, Liam's expression became serious. He said to Mr. Jenkins, "I need your help on something."

Mr. Jenkins looked at Liam. Actually, he already knew what Liam had come here for before Liam spoke.

Mr. Jenkins sighed lightly and responded, "Liam, I know what you want to say. You want me to help you save your wife and son, right? I'll be honest with you. When it comes to this matter, I am also powerless. After all, Adamson's strength is about the same as mine. Besides, I don't have a valid reason to demand Adamson to release them. I am an undercover in the Saint Society, and I have my own mission. I can't expose my identity prematurely unless necessary."

Liam was not angry after hearing that. He knew Mr. Jenkins was right.

But although he had already expected Mr. Jenkins to refuse, he still couldn't help showing a hint of disappointment on his face.

Liam's disheartened expression did not escape Mr. Jenkins' eyes. He patted Liam on the shoulder and comforted him, saying, "Liam, you should focus on improving your strength as soon as possible. Your wife and son need you. They are waiting for you to save them."

Liam nodded silently. He still felt heavy in his heart, but he was soon filled with longing for greater strength.

He knew he could only protect the people he loved if he became stronger.

After a while, Mr. Jenkins removed the barriers inside and outside the main hall. It was only then that Laura finally saw Liam. She rushed over with a face full of undisguised concern and anxiously checked if Liam was hurt.

She asked worriedly, "Liam, are you alright?"

When Mr. Jenkins saw how concerned Laura was about Liam, he couldn't help smiling and saying jokingly, "Young lady, have you fallen for Liam? Don't worry. I am also a member of the Salvation Society. I won't harm him."

Laura stared at Mr. Jenkins with widened eyes. She was shocked to hear he was also a member of the Salvation Society.

Her face flushed in embarrassment when she realized what he had said just now. She quickly shook her head. "No, that's not true! I... I'm not in love with him..."

Laura's voice trailed off. Obviously, she was not confident in her own denial.

She felt like a dozen of mice raced inside her heart at this moment. She couldn't help taking a sneak peek at Liam.

A woman's affection often started with admiration for someone superior. And there was no doubt that Liam fit the role.

Mr. Jenkins did not continue teasing Laura. He turned to Liam with a serious expression and said, "Using a human skin mask for disguise is easily detectable. After all, your disguise method is just sticking a mask onto your face. It is too rudimentary. The Primogem Warriors are powerful. They can easily see through this."

Liam nodded in agreement.

Actually, he also knew this. But he had no other options available, so he could only take the risk.

Then, Mr. Jenkins chuckled lightly and said, "Come and sit down. I'll help you disguise yourself."

Liam and Laura sat down obediently. Then, Mr. Jenkins' hands began to move quickly, sketching on their faces.

Soon after, he handed each of them a mirror and let them check their faces after the disguise.

At that moment, Liam's face had become Kolton's, and Laura's face had become Zoya's.

Before they could say anything, Mr. Jenkins declared, "From now on, you two will be using Zoya's and Kolton's identities."
