

Chapter 1080 Showdown

Liam's expression hardened.

He sighed and murmured under his breath, "Looks like hiding my power isn't an option anymore.."

His voice grew firm as he addressed the bewildered Laura, "Hold on tight!"

With Laura clinging to him, Liam charged directly at Santino.

His movements were swift and effortless. Despite carrying Laura, his speed surpassed Santino's.

Before Santino could react, Liam stood before him, hand outstretched. He grasped Santino's shoulder, and a powerful energy surged from Liam, draining Santino's life force at an alarming rate.

The scene shocked everyone.

No one had anticipated such a powerful figure hidden among Leif's team.

Witnessing Santino's one-sided pummeling, Santino's team members stood paralyzed. Fear kept them from intervening.

As his life energy dwindled, Santino was consumed by regret.

team members stood paralyzed. Fear kept them from intervening.

As his life energy dwindled, Santino was consumed by regret.

His face contorted in pain as he pleaded, "Forgive me! Don't kill me! I'll serve you loyally. I'll do whatever you ask me to. Please!"

Liam scoffed at Santino's desperate pleas. "You're not qualified. A cunning manipulator like you can never be loyal. You'd only seek revenge."

Sensing Liam's unwavering resolve, Santino was powerless to resist. He could only wallow in regret now.

He should never have threatened Liam.

Liam continued draining Santino's life force. With each passing moment, Santino weakened, falling silent, until he lay lifeless. The beast crystal he held clattered to the ground.

Liam didn't hesitate, not for a single second. He outright killed Santino.

This was the true terror of his power.

Against weaker opponents, a swift victory was practically guaranteed.

Besides, his fallen opponents' life force would provide him with growth.

Empowered by Santino's life energy, Liam felt a significant increase in his strength.

Laura clung to him as she watched in stunned silence. This was the first time she had witnessed Liam's

terrifying ability.

Noticing her wide-eyed surprise, Liam chuckled. "Don't worry. You're safe. I won't be sucking you dry."

Laura blushed, a playful thought lingering in her mind.

Liam then lifted his head, his expression turning serious. His gaze swept over the remaining members of the Saint Society.

He held no intention of keeping them alive. These people weren't innocent bystanders; they were potential threats. Keeping them alive could risk his secret being exposed.

With a cold resolve, Liam unleashed his full power, killing them swiftly.

The leader of the wolf pack watched the scene in confusion.

The big wolf didn't understand why these people would kill each other.

Still, its anger burned brightly. The death of its offspring wouldn't be forgotten.

After eliminating all threats, Liam retrieved the fallen beast crystal. Without hesitation, he tossed it, along with Santino's body, at the big wolf's feet.

With open palms, he conveyed a message of peace.

He wanted the big wolf to understand he wasn't responsible for its son's death. He hoped this
