Chapter 3941

“You are a newcomer, you know nothing. Apart from Qian Xiu, there will be no other person who can do this!”

Liu Shitong may quickly put the blame on Qian Xiu, so that he will not have to bear any responsibility!

“Why is it only Senior Sister Qian who can do it?”

David asked back!

“Nonsense, only her current strength can make the fire of the test site surge and cause an explosion. Others don’t have that ability.”

Liu Shitong snorted coldly!

“Without that strength, it is not necessarily impossible to make the fire aura explode. For example, if someone enters with a treasure with fire, and then releases the fire to fuse, can it also cause the aura to surge and explode?”

David asked coldly, looking at Liu Shitong!

When Liu Shitong heard it, his brows frowned, with a bit of panic in his eyes!

And Lu San opened his eyes wide, looking at David with an incredible face!

When he took action at that time, no one saw it, but how did David know it?

“It is indeed possible...”

Elder Cui nodded!

“Elder Cui, don’t listen to the nonsense of this newcomer. They are all outer disciples. How could they have a treasure with the ultimate fire?”

Liu Shitong hurriedly said to Elder Cui!

“Whether there is one or not, we will know it after searching the body. I now suspect that Lu San should have the treasure with the ultimate fire.”

David kept saying to Lu San!

“I don’t have it, I don’t have it...”

Lu San shook his head hurriedly, and his expression became extremely flustered!

“No?” David looked at Lu San with a playful look in his eyes: “If you say no, then search the body and let us see...”

“as****, who are you? Lu San is the outer disciple with the longest seniority after all. Is it your turn to search the body when you say so?”

Liu Shitong scolded David!

If the bronze mirror is found after searching the body, it will be troublesome!

“Junior brother, do you know something?”

Wei Qing saw that David insisted on searching the body, so he asked!

“Brother, that Lu San has something on him. I saw him use it during the assessment. It seems to contain the Ultimate Fire.”

“I guess he wants to increase the aura of the Ultimate Fire so that we can’t bear it and quit.”

“As a result, the operation error caused the fire to explode!”

David whispered to Wei Qing!

When Wei Qing heard this, he was furious. It felt like these guys were cheating.

“Liu Shitong, the fire exploded for no reason. We must find out the reason. The request of the junior brother to search the body is also a reasonable request.”

“Are you guilty and dare not let the search?”

Wei Qing questioned Liu Shitong!

“Why should I feel guilty? I will search it, but everyone will be searched.”

Liu Shitong said calmly!

“Of course, all the people who are being assessed will be searched.” Wei

Qing nodded!

“Ouch...”

Lu San suddenly covered his stomach at this moment, and said with a ferocious expression: “My stomach hurts, I have to go to the toilet, you search others first!” After

Lu San finished speaking, he was about to leave. It seemed that he wanted to get rid of the bronze mirror!

Wei Qing jumped up, stopped Lu San, grabbed his collar and said: “Don’t pretend, kid, do you want to secretly get rid of the things on your body?”

“I’m not, I just feel uncomfortable in my stomach!”

Lu San said stubbornly!

“Stomach upset? You can come up with such an excuse, who do you think will believe it?”

Wei Qing sneered!

Liu Shitong was also angry and glared at Lu San. He could come up with such a childish excuse!

As a cultivator in the Tribulation Realm, you said you had a stomachache and needed to take a shit!

Who the hell could believe it?

This is not an ordinary person!

It seems that Lu San was so panicked that his brain was dull!

“Senior Brother Liu, he...”

Lu San wanted to follow Liu Shitong to ask for help, but Liu Shitong glared at him and said, “Shut up, shut up!”

He was really afraid that Lu San would betray him!

Chapter 3942

You have to know that Elder Cui is selfless and will not buy into the Sect Master's account at all. Even if Liu Shitong's master is the new Sect Master, it's useless!

Lu San is just an outer disciple. No matter how he is punished, it doesn't matter. At most, he will be expelled from the Ziyan Sect!

But Liu Shitong can't do that. He is now also a deacon disciple, and he is also the Sect Master's favorite disciple. He has a promising future!

"Lu San, if you take out the things obediently and explain clearly, Elder Cui may be able to spare your life."

Wei Qing said to Lu San!

"I... I have nothing!"

Lu San said stubbornly!

Wei Qing's eyes condensed slightly, and then he grabbed towards Lu San's arms!

Before Lu San could react, the bronze mirror had appeared in Wei Qing's hand!

"What is this?"

Wei Qing asked!

"This..." Lu San was a little panicked, and didn't know how to answer for a while!

"Let me see..."

Seeing this, Liu Shitong stepped forward to snatch the bronze mirror.

Wei Qing flashed and looked at Liu Shitong coldly: "Liu Shitong, are you trying to snatch it and then destroy the evidence?"

"What evidence should I destroy?"

Liu Shitong pretended to be innocent and said: "This is just a bronze mirror, what's the big deal, I don't think I have detected the breath of the ultimate fire from this bronze mirror!" The

ultimate fire in the bronze mirror was absorbed and refined by David, so there was no ultimate fire long ago!

It was precisely because of this that Liu Shitong refused to admit it!

“Yes, this is an ordinary bronze mirror I use for practicing, there is no ultimate fire at all!”

Seeing this, Lu San reacted and said loudly!

Wei Qing tried to inject a spiritual power into the bronze mirror, but although the bronze mirror array pattern flickered, no ultimate fire appeared!

This made Wei Qing a little embarrassed and at a loss!

“Give me this bronze mirror...”

Elder Cui stretched out his hand and said!

“Elder Cui, please take a look. I think it must be this Lu San who did it with the bronze mirror!”

Wei Qing handed the bronze mirror to Elder Cui respectfully!

After seeing the bronze mirror, Elder Cui frowned instantly and his face became very ugly!

“You guys stay, and the others leave here quickly!”

Elder Cui pointed at Wei Qing, Liu Shitong and Lu San, and asked everyone to leave!

“Senior Sister Qian, you’re fine, don’t cry anymore.”

David gently comforted Qian Xiu!

Since Elder Cui asked everyone to leave, it proves that the fire explosion has nothing to do with the people who left!

“You go wait for me outside, I believe Elder Cui will make a decision soon!”

Wei Qing asked David and the others to go out!

After everyone went out, Elder Cui waved his hand and directly laid a formation, and no one could see the situation in the formation!

Seeing this scene, Liu Shitong and Lu San’s faces changed immediately!

You know, Elder Cui is selfless. If he suddenly sets up a formation and punishes them according to the rules of Ziyamen, they will be helpless!

“Liu Shitong, what’s the matter with this bronze mirror?”

Elder Cui asked Liu Shitong with a gloomy face!

“Elder Cui, I... I don’t know either.”

“Isn’t this Lu San’s own thing, used for practicing?”

Liu Shitong said pretentiously!

Pah!

Elder Cui slapped Liu Shitong in the face, and then said viciously: “You are talking nonsense, the formation on this bronze mirror was carved by me personally, and the ultimate fire is sealed in this bronze mirror.”

“It is to allow talented disciples to use the bronze mirror to practice, so that they can comprehend and master the ultimate fire of our Ziyamen faster.”

“How could such an important thing be in the hands of an outer disciple?”

Elder Cui said so, and Liu Shitong was so scared that his face changed color!

Chapter 3943

He didn’t expect that this bronze mirror was made by Elder Cui himself!

This bronze mirror was also given to Liu Shitong by his master, so that Liu Shitong could use it to help him practice. After all, with this bronze mirror, he could be exposed to the ultimate fire all the time and practice faster!

But he didn’t expect that Liu Shitong would take out the bronze mirror and use it to cheat during the assessment!

Plop!

Liu Shitong suddenly knelt down in front of Elder Cui, crying and saying, “Elder Cui, I was wrong. This bronze mirror was given to me by my master for me to practice.”

“It’s just that because Lu San is now a sixth-grade cross-tribulation realm, he can’t master the aura of the ultimate fire, and he has never been able to pass the assessment to become an inner disciple, so I lent him the bronze mirror.”

“I didn’t expect that Lu San would use this bronze mirror to cheat during the assessment, causing the ultimate fire in the assessment site to explode, causing damage to the assessment formation!”

Liu Shitong’s brain was also flexible enough. He didn’t expect that he would react so quickly and find a way to shirk responsibility!

And Lu San looked at Liu Shitong in shock. He never expected that Liu Shitong would react so quickly. Even to this extent, he still put all the responsibility on his head!

“Are you telling the truth?” Elder Cui asked!

“Every word the disciple said is true. I would never dare to deceive Elder Cui...”

Liu Shitong knelt on the ground and said!

“Lu San...”

Elder Cui shouted, and Lu San was so scared that he knelt on the ground with a plop!

At this moment, Liu Shitong kept winking at Lu San!

Now, as long as Lu San took all the responsibility, it would have nothing to do with him!

Looking at Liu Shitong’s eyes, Lu San knew that he could only resist desperately. Even if he gave Liu Shitong out, it would not be good for him!

Maybe if he saved Liu Shitong, he would have a chance in the future!

“Elder Cui, I was obsessed with using the fire in the bronze mirror to increase the fire in the test site.”

“I just wanted to increase the fire so that everyone else would fail the test and I would be the only one who passed the inner door test, so that I could show off.”

“I didn’t expect that due to an operational error, the fire in the bronze mirror would all escape and merge with the fire in the test site, causing an explosion.” “

I deserve to die, I deserve to die, please punish me, Elder Cui!”

Lu San took all the responsibility himself!

Liu Shitong was relieved when he heard it!

“Elder Cui, this must have been instigated by Liu Shitong, otherwise Lu San would not dare to do it. Liu Shitong must be punished.”

Seeing this, Wei Qing hurriedly said to Elder Cui!

It was clear that Liu Shitong had instructed Lu San to do it!

“Wei Qing, don’t slander me. What evidence do you have that I instructed you to do it?”

Liu Shitong shouted at Wei Qing angrily!

“It’s you. Lu San doesn’t have the courage.”

Wei Qing said!

“It’s not me!” Liu Shitong argued!

The two people argued red in the face and couldn’t get out of it!

“Okay.”

Elder Cui shouted angrily, and the two people shut up instantly!

“Since there is no evidence to prove that Liu Shitong instructed, let’s not argue anymore.”

“This time, the accident will be borne by Lu San. From now on, Lu San will not be allowed to assess inner disciples within 30 years.”

“Liu Shitong is the chief judge of the assessment. If this happens, he will be fined for three years.”

Elder Cui’s words made Liu Shitong and Lu San kneel down and kowtow repeatedly!

For such a thing, this punishment is definitely light!

Although Wei Qing was unhappy, he had no choice!

“Elder Cui, what about this assessment?”

Wei Qing asked!

“The assessment is invalid. Wait until I repair the assessment formation and then conduct the assessment again!”

After Elder Cui finished speaking, he turned around and left, and the formation was automatically eliminated!

Liu Shitong and Lu San's foreheads were covered with cold sweat, and they let out a long sigh!

Chapter 3944

After Wei Qing walked out, Qian Xiu and the others came up to him immediately!

“Brother, what’s going on? What did Elder Cui say?”

Qian Xiu asked!

“Elder Cui asked that Lu San not to be assessed as an inner disciple within 30 years, and Liu Shitong was fined for three years.”

Wei Qing said!

“What about the assessment? We should have passed it, right?”

someone asked!

It was not easy to get to the last level, and it was not every inner assessment that had this kind of luck!

“The assessment is invalid. Elder Cui will repair the assessment formation again. Wait for the notice then!”

Wei Qing shook his head helplessly and said!

“Ah... the assessment is invalid?”

“It’s really a waste of this time.”

“We were very lucky this time. We didn’t expect this to happen.”

Upon hearing that the assessment was invalid, many disciples began to complain!

And David also frowned. If he could not be promoted to an inner disciple, he would not be able to move around in the inner door area, and it would be even more impossible to see the old master!

Now the assessment is invalid. If it is re-assessed, I don’t know when it will take!

“Brother, I remember you said there is another way to become an inner disciple, that is, recommendation by the elders. Three elders can recommend you, right?”

David asked Wei Qing!

Wei Qing nodded, and then said with embarrassment: “Brother, it is not so easy to be recommended by the elders. What’s more, you have just entered Ziyang Sect and have not even been an outer disciple. I am afraid that the method of recommendation by the elders will not work at all!”

David was a little discouraged when he heard it!

“Little brother, don’t be discouraged. Although you can’t be recommended by the elders, there is another way to be promoted to an inner disciple.”

Qian Xiu said!

“What method?” David’s eyes lit up!

“Sister Qian, do you want to talk about the ring challenge?”

Wei Qing asked!

“Yes, if the challenge is successful, you can also be promoted to an inner disciple.”

Qian Xiu nodded!

“Forget it, the sect has not seen a successful challenge for hundreds of years. You let my junior brother challenge, that is to seek death.”

Wei Qing shook his head and said!

“Brother, how to challenge? Who to challenge?”

“Is it that if the challenge is successful, the inner disciple can be promoted?”

David asked doubtfully!

“How can it be so easy? If you challenge the inner disciples, it will be much easier, and Lu San will not have to wait for so many years.”

“You need to challenge the sect’s deacon disciples. Only by defeating the deacon disciples can you become an inner disciple.”

“You can think about it, how can an outer disciple challenge the deacon disciples successfully?”

“Every time the challenge is made, the deacon disciples will go all out, otherwise if they are challenged successfully, they will have no face to stay in Zi Yanmen.”

“Zi Yanmen has been around for hundreds of years. Although there are challengers almost every year, there has never been a successful one. On the contrary, many people have been beaten into cripples.”

“This kind of challenge is too dangerous, so I didn’t tell you.”

Wei Qing followed David and told the story!

“Brother, I want to challenge, but I wonder how to sign up for this challenge?”

David got interested when he heard it!

He was sure that he could succeed in the challenge. Although David didn’t want to expose his strength too early, in order to enter the inner gate, David had to challenge!

“Brother, you are only the fourth level of the Tribulation Realm. If you challenge, you will definitely lose.”

“You should know that the lowest strength of the deacon disciples is the sixth level of the Tribulation Realm!”

“That Liu Shitong is already the eighth level of the Tribulation Realm. It will take a while for him to reach the ninth level of the Tribulation Realm.”

“Do you think you can beat them?”

Wei Qing persuaded David!

“Brother, how do you know if you don’t try? Even if it’s Liu Shitong, I think I can beat him!”

David said confidently!

Chapter 3945

“You are so arrogant! If you have such confidence, I can let you challenge me. As long as you can defeat me, I will let you become an inner disciple.”

At this time, Liu Shitong came out with Lu San!

Just when he heard David's words, Liu Shitong said with disdain!

He didn't believe that David, a fourth-grade guy in the Tribulation Realm, could defeat him!

He could defeat David with one hand!

Liu Shitong's words made many people gather around. Seeing that David was going to challenge Liu Shitong to join the inner disciples, everyone was quite surprised!

You know, David is only the fourth-grade in the Tribulation Realm, and Liu Shitong is the eighth-grade in the Tribulation Realm!

The difference is too great!

"Junior brother, don't listen to him. We are trying to find a way. When Master comes out of the meeting room, we will discuss it with Master."

"If you compete with Liu Shitong, you will definitely die. This guy is not easy to hold back."

"Besides, even if it is a competition in the ring, you don't have to find Liu Shitong. You can choose from the deacon disciples at will. This is your right."

Wei Qing hurriedly followed David and said!

He was afraid that David didn't know the rules and was fooled by Liu Shitong!

"Wei Qing, what rights or no rights? He has no choice but to compete with me. He chooses others, but I don't pass. Don't forget that I am the chief judge of the assessment."

Liu Shitong said with a gloomy look!

This assessment has caused such a big mess. Liu Shitong is feeling uncomfortable. This is a good time to vent his anger on David!

"You are so despicable..."

Qian Xiu saw this and glared at Liu Shitong!

"Despicable?"

Liu Shitong smiled: "This is the rule of the sect. Do you think that the people who make the rules of the sect are despicable?"

“Hahaha, if you want to become an inner disciple, you have to pass Brother Liu.”

“Otherwise, none of you can become an inner disciple.”

Lu San laughed proudly!

“Boy, seeing that you have good qualifications, if you switch to our lineage now, I can easily make you an inner disciple.”

Liu Shitong said to David.

“Are you worthy?”

David smiled coldly!

“Boy, there is a time when you are not stubborn. If you want to become an inner disciple, then beat me!”

Liu Shitong’s eyes condensed slightly!

Wei Qing was so angry at this time!

He was also a deacon disciple, but he had no power at all now. Who made Liu Shitong’s master the new master!

He was now worried that if David followed Liu Shitong, he would definitely get hurt!

Maybe he would be directly crippled!

“Beating you is much easier than shitting and farting!”

David looked at Liu Shitong with disdain!

David’s words immediately made everyone look at him, all with a look of surprise!

A fourth-grade cultivator in the Tribulation Realm dared to say that beating an eighth-grade cultivator in the Tribulation Realm was easier than shitting and farting?

This is too boastful!

“Junior brother, stop talking, shut up!”

Wei Qing frowned. He was afraid that David was provoking Liu Shitong, and it would end badly in the end!

Qian Xiu and others also persuaded David not to speak anymore!

“Brother, what I said is the truth, why can’t I say it?”

“With his strength, I can crush him to death with one hand!”

David sneered!

Since he can’t hide his strength anymore, David might as well show off

! What David said is indeed the truth. With Liu Shitong’s strength, David can indeed defeat him with one hand!

Hearing David’s words, Liu Shitong’s face flushed with anger and said, “Boy, you are too arrogant. I tell you, even if I cripple you in the ring, you deserve it and there will be no punishment.”

“Then if I cripple you in the ring, will there be any punishment?”

David asked!

Wei Qing was speechless after listening to David’s words.

There should be a limit to pretending to be cool, and David’s pretending to be cool is a bit too much!

The other brothers all looked at David, their eyes full of ridicule!

Chapter 3946

David is overestimating his own abilities. If Wei Qing, who is as powerful as Liu Shitong, said this, it might be considered as self-confidence!

But if David said this, it would be a joke, overestimating his own abilities!

How can a fourth-grade cultivator in the Tribulation Realm compare with an eighth-grade cultivator in the Tribulation Realm?

This is a difference

of four small realms! You should know that the higher the realm, the greater the gap between the small realms!

“Brother, don’t say anything more. I will help you find a way to enter the inner gate.”

Wei Qing frowned and said to David with some anger!

“Brother, just wait and see the show.”

David smiled lightly, then looked at Liu Shitong: “This is the assessment that is invalid, and the bet at the beginning is also invalid. Now let’s make a new bet. If you beat me, the spirit coins I bet can still belong to you.”

“Okay, if you beat me, I will give you my spirit coins, and when I see you, I will call you brother.”

Liu Shitong readily agreed!

This is simply giving money to yourself for nothing!

“Where is the arena? Let’s fight now. I don’t have much time to waste on you.”

David asked!

“Junior brother...”

Wei Qing and Qian Xiu wanted to persuade David, but David waved his hand and told them all to be quiet!

“Follow me...”

Liu Shitong jumped up, and David followed closely!

At this point, David didn’t care whether his strength would be exposed or not!

It doesn’t matter if the strength is exposed, as long as the identity is not exposed!

Seeing David leave with Liu Shitong, everyone followed him!

This kind of fight with a difference of four small realms has never happened in the entire Zi Yan Sect!

Wei Qing also followed with worry!

“This junior brother, why is he so reckless?”

Wei Qing’s face was full of anxiety, and he also asked someone to notify his master!

But whether he can notify him, that’s not known, after all, not everyone can enter the meeting hall!

“Hey, Junior Brother is too impulsive. It would be a pity if Liu Shitong crippled him.”

Qian Xiu was also very anxious. It would be a pity if such a good person was crippled!

“Brother, sister, you can forcibly stop Junior Brother and knock him out directly. This kind of fight is simply sending him to death in vain!”

“That’s right, Junior Brother doesn’t know the insidiousness of Liu Shitong, but we know it.”

Many brothers and sisters also said one after another!

“Yes, we will forcibly take Junior Brother away later.”

Qian Xiu seemed to have made a decision! Wei Qing

nodded vigorously. He couldn’t watch David seek death. If something really happened, he couldn’t explain it to Elder Yu!

Liu Shitong took David to the arena. The arena here was made of special diamonds, and there were array patterns flashing around the arena!

Obviously, these array patterns should also be laid by Elder Cui. It is estimated that Elder Cui is the only array master in the entire Ziyang Sect!

And around the arena, there were already many people, all of whom came to watch the excitement!

And the four referee elders were also invited out at this time!

“Liu Shitong, I remember that today is the day of the assessment. Why did you bring people to this competition arena?”

One of the referee elders asked Liu Shitong!

“Referee elder, today because the assessment formation is damaged, some disciples want to challenge and be promoted to inner disciples.”

Liu Shitong said!

“Oh!” The referee elder nodded. After all, there are almost challenges every year, so there are no surprises!

“Let the outer disciples and deacon disciples who challenge come on stage!”

After the referee elder finished speaking, he sat back in his chair!

David followed Liu Shitong and stood on the competition arena!

The referee elder glanced at the two of them, frowned slightly and said: "Liu Shitong, let the deacon disciple come on stage!"

"Referee elder, this time I am challenging!"

Liu Shitong said!

"It's you?" The referee elder was shocked!

Chapter 3947

You have to know that Liu Shitong is the most powerful among the deacon disciples, and now he is also the proud disciple of the new master!

Which blind outer disciple would choose Liu Shitong for the challenge?

Isn't it obvious that he will lose?

The referee elder glanced at David and said, "Is it this disciple who proposed the challenge?"

David is only at the fourth level of the Tribulation Realm. No matter how you look at it, it is impossible for him to challenge Liu Shitong!

The difference in cultivation is a bit too big. If he competes with Liu Shitong, he may not be defeated in one move!

"Yes, it's him!"

Liu Shitong nodded!

"Then what is there to compete for? This competition is meaningless. With this gap in realm, I'm afraid you can kill him with one hand."

The referee elder said boringly!

There is no point in competing with such a big gap in realm!

It was over in the middle of raising his hand, which made them, the referee elders, feel that it was meaningless!

“Referee elder, even if I pinch him to death with one finger, I have to go through the formalities and procedures, otherwise someone will not accept it.”

Liu Shitong sneered at David!

But David’s eyes were full of calmness, and there was a bit of a mocking smile on the corner of his mouth!

“Okay, let’s start!”

After the referee elder finished speaking, he gently pressed down on a palm-sized stone with one hand!

Soon, a series of lights suddenly lit up, and several formations wrapped up the arena!

The formation was activated, and David and the others could start. No matter what happened inside, it would not affect the outside!

Similarly, people outside could not affect the people on the arena!

Seeing the formation activated, Wei Qing and Qian Xiu became nervous. They still wanted to stop David. Now that the formation was activated, they had no way to stop it!

Looking at the formations activated around, Liu Shitong smiled coldly and said, “Boy, I didn’t expect you to be so fearless, but today I’m going to use you to establish my power. You deserve your bad luck, so don’t blame me after you die.”

The aura of the eighth level of the Tribulation Realm surged on Liu Shitong’s body, and the entire arena was filled with Liu Shitong’s aura!

“You want to kill me?”

David sneered!

“Nonsense, you, a newcomer, dare to offend me. If I don’t kill you, how can I convince the crowd?”

“But you don’t have to die. As long as you kneel down and beg me now and join our lineage, I can spare your life.”

Liu Shitong said!

He can also let David live. After all, David is a rich second generation. If he joins their lineage, he can also take the opportunity to collect a sum of money!

“Bah, who do you think you are? Just don’t kneel down and beg me not to kill you later.”

David spat fiercely!

That arrogant look made Liu Shitong half dead!

“Brother Liu, slap him to death with a slap. This guy is too arrogant.”

Lu San shouted!

Wei Qing and Qian Xiu were all nervous.

“This little brother, why is he so hard-mouthed? He obviously can’t beat him, so he can’t be honest.”

Qian Xiu was very puzzled!

“This junior brother must be from a wealthy family. He has been spoiled since childhood and doesn’t know what fear is.”

Wei Qing looked at David’s appearance and the generosity of David’s move, guessing that David must be the son of a big family! He

has been living a life of luxury since childhood and has never suffered any setbacks, so he is so arrogant!

But this is Zi Yanmen. If David is still so arrogant, he will suffer!

“Boy, die!”

Liu Shitong was enraged, and his figure disappeared instantly!

Then he saw a figure running straight towards David and slapping him with one palm!

The fierce breath rushed towards David like a tsunami!

Liu Shitong’s other hand was directly behind his back. It seemed that he was going to slap David to death with one hand!

Looking at Liu Shitong who came with a ferocious face, David raised a sneer at the corner of his mouth!

With a gentle wave of his hand, Liu Shitong only felt a flash of white light in front of his eyes, and then he found David in front of him!

“Die...”

Liu Shitong slapped David with one palm!

This palm directly penetrated David's body, but David seemed to be fine!

Liu Shitong was shocked and attacked David again!

But David didn't fight back at all, allowing Liu Shitong to continue to attack him!

“What's wrong with Brother Liu? Is he stupid? Why is he making random moves on the arena?”

Someone asked Lu San!

Lu San was also confused at this moment, and saw that Liu Shitong kept waving his palms in front of David!

But David was not far in front of Liu Shitong, and he didn't move at all!

He looked at Liu Shitong as if he was watching a monkey show.

Wei Qing and Qian Xiu were also surprised, and they couldn't figure out what Liu Shitong was doing!

“Brother Wei Qing, is Liu Shitong sick?”

Qian Xiu asked!

“This... I haven't heard that Liu Shitong is sick? Could it be...”

Wei Qing seemed to have thought of something, and his eyes suddenly widened!

“What's the matter?” Qian Xiu asked curiously!

“Could it be that Liu Shitong was trapped in an illusion, and his whole body was in an illusion, so he became like this.”

Wei Qing analyzed!

“Illusion? How could he be trapped in an illusion?”

Qian Xiu was still full of confusion!

“Junior sister, you are too stupid. Of course, it was the illusion cast by the junior brother that directly made Liu Shitong fall for it.”

“It turns out that the junior brother has already had it all planned out. No wonder he is not afraid of Liu Shitong at all.”

Wei Qing said admiringly.

“Is the junior brother also a formation master? It should be impossible. He is too young. How can he be a formation master?”

Qian Xiu frowned slightly, looking at David on the arena, with a puzzled look on his face!
“Junior sister, Junior Brother may have the magic jade slips on him. As long as the jade slips are activated, the magic will be activated as well.”

“Don’t forget that Junior Brother is very rich, so it is very likely that he spent a lot of money to buy some array jade slips.”

Wei Qing explained!

“Yes, yes, that should be it..”

Qian Xiu finally understood now!

At this time, Liu Shitong was on the stage, jumping up and down like a monkey, as if he was fighting with someone, but in fact, he was the only one who was fighting.

David stood not far away, with his hands on his chest, his face full of ridicule!

Soon, Liu Shitong was sweating profusely, obviously exhausted, and his face was ferocious, and he kept yelling!

In Liu Shitong’s eyes, he found that no matter how he beat David, he couldn’t knock David down!

This almost made Liu Shitong collapse!

Just as Liu Shitong was yelling, David finally moved!

David jumped up and then kicked Liu Shitong hard on the back!

Liu Shitong fell directly on the arena like a dog eating shit.

David stepped on Liu Shitong with one foot, and waved to the audience with a victorious attitude!

At this moment, everyone in the audience was surprised and looked at it in disbelief!

Even the referee elders were confused, watching the scene on the arena, and forgot to announce the results!

“Awesome, Junior Brother is awesome!”

“Great, Junior Brother is the best, I love you...”

“Hahaha, dog eating shit, the eighth level of the Tribulation Realm can’t beat the fourth level of the Tribulation Realm, what a joke!”

Wei Qing and the others cheered excitedly!

After being shocked, Wei Qing hurriedly shouted to the referee elder: “Elder, the victory or defeat is based on points, shouldn’t the result be announced?”

“This...”

The referee elder was embarrassed and didn’t know how to announce it!

Liu Shitong, who was stepped on, also woke up from the illusion. Seeing his current embarrassing appearance, he immediately shouted angrily: “Boy, you dare to trick me, I will kill you...”

Chapter 3949

With Liu Shitong’s roar, flames suddenly burned on his body!

David’s figure quickly retreated, and Liu Shitong took the opportunity to stand up, the flame turned into a long sword, and swung it towards David!

“If you want to become an inner disciple of Ziyamen, you must defeat me with the ultimate fire. It’s shameful to use illusions to take shortcuts!”

Liu Shitong yelled while attacking David!

He wanted to tell everyone that he was trapped by David’s illusion, not because he was inferior to others!

“It turns out that this guy used illusions on Senior Brother Liu, it’s really shameful.”

“No wonder Senior Brother Liu was like a fool just now.”

“In the competition of Ziyamen, you actually used illusions. This is not a real skill.”

Lu San and others immediately accused David!

Obviously, this is Liu Shitong making excuses for himself, and he must let David defeat him with the ultimate fire. This is embarrassing!

But now even the referee elders don’t say anything, what can Wei Qing and others do?

Liu Shitong slashed at David with a sword, and this sword instantly caused the space to vibrate, and the entire competition platform was shrouded in flames!

David’s feet paused lightly, and the whole person disappeared in an instant. Then, flames rose above David’s feet!

David used the Fire Control Step to dodge Liu Shitong’s attack!

Liu Shitong’s sword missed, and his face was full of anger!

David didn’t dare to reveal his full strength yet. The reason why he used illusion just now was to make everyone think that he won by taking advantage of the situation!

But who would have thought that the referee elder didn’t make a ruling at all, and didn’t judge Liu Shitong to lose!

Now Liu Shitong doesn’t allow the use of illusions, and can only use the ultimate fire. This is simply too shameless!

David can’t use the ultimate fire of the Purple Flame Sect. If he uses it, he will be investigated!

Whether it is the ultimate fire of the earth’s core, the ultimate fire of the demon clan, or the extremely cold ice flame, David can’t be too exposed! The

Purple Flame Sect originally practiced fire-based exercises. If David exposed too much ultimate fire, he would definitely be suspected, or even arrested for research!

At this time, David could only use the Fire Control Step to dodge temporarily. Fortunately, the Fire Control Step was also a kind of fire-related skill, so Liu Shitong couldn’t say anything!

“Junior brother, this skill of making fire with your feet is really amazing, and the speed is so fast?”

Qian Xiu couldn't help but sigh when she saw David's fire control step.

"What kind of skill is this? Why have I never seen Master use it? I want Master to teach me, the speed is too fast."

Wei Qing looked at David's fire control step with envy on his face!

He thought it was taught by Elder Yu, but he didn't know that this was a real immortal skill. Not to mention Elder Yu, even their sect leader didn't know it!

What's more, David didn't use his full strength in this fire control step, nor did he learn it all.

If you really learn the fire control step, you can move a thousand miles in one step and move instantly!

At this time on the competition stage, Liu Shitong was very angry with David!

He didn't know what kind of fire-related skill David used, but it was so fast that he couldn't hit or catch it at all, just like a loach!

"Feathers flying all over the sky..."

Liu Shitong shouted, and the long sword in his hand burst into flames, the flames rushed into the sky, and then fell from the sky, turning into flames all over the sky, like a downpour!

Seeing this, David also instantly used the ultimate fire to transform into a sword, and then swung the sword upwards!

From the ground, countless flames shot up into the sky, and collided directly with Liu Shitong's flames! There

was a constant roar, and the flames swung by David followed Liu Shitong's flames, colliding and disappearing in mid-air!

Just like setting off fireworks, a burst of light dissipated!

Liu Shitong looked at this scene, and the whole person became ferocious!

His move couldn't hurt David at all!

When the others saw this scene, they were all silent!

Even Wei Qing and the others stopped talking, thinking that David used illusions to trick Liu Shitong!

But now, the two sides are really colliding with each other!

David didn't even fall behind!

Chapter 3950

Liu Shitong's face was ferocious. He couldn't believe that David, a cultivator of the fourth level of the Tribulation Realm, could actually fight to a draw with him, a cultivator of the eighth level of the Tribulation Realm!

With Liu Shitong's roar, he once again fired a large number of flaming sword beams!

David looked at Liu Shitong's almost crazy look, and couldn't help but raise his mouth. He knew that Liu Shitong had been almost collapsed by his anger!

Boom!

David instantly slashed out a sword beam, which directly shattered Liu Shitong's flaming sword beams, and at the same time went straight to Liu Shitong, blasting Liu Shitong out!

Then Liu Shitong fell down with a bang, stirring up a burst of smoke and dust!

At this moment, everyone's face was full of shock!

If David could fight to a draw with Liu Shitong, it would be shocking enough!

But now, he actually knocked Liu Shitong out with one sword!

This contrast really made it difficult for everyone to accept it for a while!

The fourth level of the Tribulation Realm blasted the eighth level of the Tribulation Realm away with one sword. Isn't this a joke?

Even if there are geniuses who can fight beyond their level, it is impossible to cross so many realms!

This has exceeded everyone's cognition!

Wei Qing opened his mouth wide and couldn't believe it: "This... Junior Brother actually relied on his strength to defeat Liu Shitong?"

At first, he thought that Liu Shitong was under an illusion, so he was attacked by David!

But now?

This is a pure competition of strength, and there is no possibility of any opportunism!

Even in this pure competition of strength, Liu Shitong was actually beaten away!

“Junior Brother must have hidden his cultivation. No wonder he dared to easily accept Liu Shitong’s competition!”

Qian Xiu looked at David with admiration. She thought David must have hidden his strength!

It is normal for some masters to hide their strength for various reasons!

And many people will do this!

Just like David now, he suppresses his realm to the fourth level of the Tribulation Realm, but his real strength is very high!

In this way, Liu Shitong would think that he would definitely win!

But in the real comparison, he was beaten by others. This is a typical case of playing the pig to eat the tiger!

In this way, David’s reputation was greatly boosted, and he could also humiliate Liu Shitong!

“It is very likely that this little junior brother’s realm is higher than mine!”

Wei Qing also believed that David was hiding his strength!

They could not imagine that David was only the fourth level of the Tribulation Realm, and he did not hide his realm at all!

It was just that David’s identity was not comparable to that of ordinary cultivators like them, so this result was caused!

“Despicable, shameless, hiding the realm, unexpected, such a despicable person cannot join our Ziyang Sect.”

Seeing this scene, Lu San quickly yelled!

He believed that David had hidden his realm and deliberately showed weakness to make Liu Shitong careless!

This opportunistic way is not a real fight at all!

The referee elder also had a stern face at this moment!

If David really deliberately concealed his realm at the beginning, in order to make Liu Shitong paralyzed and careless, then this fight really couldn't count!

After all, this is the inner sect assessment competition of Zi Yan Sect, not a life-and-death battle!

There is no need to use such means!

Such a scheming person is not suitable to be an inner sect disciple of Zi Yan Sect!

“Boy, you fooled me, relying on hiding your realm to fool me!”

Liu Shitong climbed up and wiped the blood from the corner of his mouth!

The referee elder had also opened the formation of the arena at this moment, jumped onto the arena, and said in a cold and angry voice: “You deliberately hid your realm and caused the opponent to misjudge. This way of winning is not fair and does not meet the conditions of our Zi Yan Sect.”

“You can't be an inner sect disciple of our Zi Yan Sect, go back to where you came from!”

Seeing this, Wei Qing, Qian Xiu and others also rushed to the arena, wanting to plead for David!
