Chapter 4031

The endless flames around were absorbed by David crazily, and then merged into the red flame!

“Die...”

David’s eyes suddenly burst into murderous intent, and the red flame suddenly burst out!

At the moment when the red flame was launched, David also used the origin of time. Although David’s origin of time could not stop time and space, he could slow down the flow of time in this area!

In this way, it was almost impossible for Elder Tu to avoid David’s attack!

David knew that facing a master of the Mahayana realm like Elder Tu, he must hit the target with one blow, so that he could escape!

He did not intend to kill Elder Tu. David knew that a master of the Mahayana realm was not so easy to be killed!

Elder Tu was different from Mu Naiyi. Mu Naiyi used a secret method to forcibly improve his strength and reached the Mahayana realm!

But Elder Tu was a master who had already entered the Mahayana realm for many years!

At this moment, Elder Tu only felt that his body movements slowed down, and the flow of time around him was getting slower and slower!

However, the attack launched by David did not seem to be affected by the flow of time!

Elder Tu was startled and looked at David in disbelief!

But then he smiled and said, “I never thought that you, a mere fourth-grade cultivator in the Tribulation Realm, could master the origin of time, which many Mahayana masters have not mastered.”

“But even if you comprehend the origin of time, don’t even think about killing me, because your strength is not enough.”

After all, the gap in strength is huge, and now Elder Tu has used a secret method to let the ghost face possess him. Even if David can control time and launch an attack, Elder Tu is not afraid!

Because David’s attack can’t hurt him, Elder Tu has absolute confidence!

David looked at the confident Elder Tu, and he also knew that his attack couldn’t hurt him!

Not to mention how powerful Elder Tu’s Mahayana strength is, the ghost faces around him are like a copper wall and iron wall, protecting Elder Tu tightly! Deep in the magma river, the surrounding flames could not cause any harm to Elder Tu at all. It was all caused by those ghost faces!

If David had not had the Fire Spirit of the Fire Spirit Star Lord in his hand, he would have been unable to hold on!

However, David raised his mouth. The red flame he had just used was not to defeat Elder Tu! What

David really wanted to use was this flame vortex. Now both of them were in the flame vortex, and they were not afraid of the surrounding flames!

But there was one thing that he and Elder Tu were afraid of, that was the void crack caused by the flame vortex!

If you are sucked into the void crack that leads to nowhere, you may never come back!

This is why David used the origin of time to slow down the flow of time!

And the red flames were also to open the void crack in the flame vortex!

The void crack will not be affected by the flow of time. After all, the void crack is the time of another unknown world, which will not be affected by the flow of time in the heavenly world!

David planned it from the beginning, just to make Elder Tu careless!

Now Elder Tu was indeed careless. He thought that David’s red flame could not hurt him at all, so he was not in a hurry!

But as David’s red flame exploded instantly, the void in the flame vortex was distorted! Then

a void crack appeared in the center of the vortex, and it kept getting bigger!

In the void crack, there was darkness, like a bottomless abyss!

The void crack exuded a huge suction!

Elder Tu was closest to the void crack, feeling the huge suction, and began to panic!

Chapter 4032

He wanted to dodge, but the speed of time made it very difficult for him to move!

At this moment, Elder Tu knew that he had been fooled!

“Boy, you are plotting against me...”

Elder Tu glared at David and roared loudly: “If you have the guts, come and fight me head-on, what tricks are you playing...”

Elder Tu knew at this moment that David did not want to kill him, but wanted to suck him into the crack in the void.

At that time, David would not care about his life or death!

“Ah...”

Elder Tu roared, at the critical moment of life and death, the ghost faces around Elder Tu’s body all became terrifying!

And at the center of Elder Tu’s eyebrows, a large amount of blood was constantly oozing out and being absorbed by those ghost faces!

David’s body shook, and he felt a surge of evil in his body, and suddenly a mouthful of blood spurted out!

This Elder Tu’s dying struggle was really powerful!

As David spurted out a mouthful of blood, the origin of time he had used stopped instantly, and the speed of time returned to normal!

Elder Tu only felt his body loosen up, and he was about to escape the suction of the void crack!

But it was too late now. The void crack was like the mouth of a giant beast, and it had begun to swallow Elder Tu!

Elder Tu was shaking all over, and he felt as if he had fallen into a bottomless abyss. No matter how hard he tried, he could not break free from the void crack!

Seeing David's smug look not far away, Elder Tu was so angry!

He roared madly, his heart full of unwillingness!

Obviously he was a master of the Mahayana realm, and obviously he was the hunter!

But now David, the prey, could proudly watch him being swallowed by the void crack!

He used the secret method to possess all the ghost faces, and even fed them with his own blood essence, so he was no longer afraid of the flames!

But even so, it still ended up like this!

Elder Tu was really unwilling! Why, why did it become like this?

He couldn't figure it out. He didn't seem to have done anything wrong, but the result was like this!

"Ah....."

Elder Tu roared unwillingly, and those dozens of ghost faces actually flew up from Elder Tu's body and went straight to David!

Elder Tu was planning to take David with him before he died!

Dozens of ghost faces were planning to wrap up David and drag him into the void crack together!

Seeing this, David instinctively retreated, but those dozens of ghost faces were very fast, and they instantly wrapped up David, and then desperately went towards the void crack!

"f**k, let me go..."

David held the Dragon Slaying Sword and desperately attacked those ghost faces, but he didn't know what those ghost faces were made of. They were chopped by the Dragon Slaying Sword without any damage! David burst

out with the ultimate fire again, trying to burn these ghost faces, but these ghost faces were not afraid of the ultimate fire!

“Hahaha, don’t struggle anymore, it’s useless...”

Elder Tu laughed when he saw this. He had given up struggling. Without the protection of the ghost face, Elder Tu’s body rushed towards the void crack!

At the same time, the flames made Elder Tu suffer very painful torture!

But even so, he still sacrificed the ghost face and wanted to die with David!

David frowned and was pulled towards the void crack!

Soon, David and Elder Tu were all swallowed up by the void crack. The two people were like a lone boat in the vast ocean, falling in the endless darkness!

In the void crack, there are space-time blades everywhere. The criss-crossing space-time blades can cut off everything!

This huge void crack is not leading to one space-time, but to countless space-times!

The breath of each space-time is different, and at the intersection of each space-time, there is a sharp space-time blade!

In the crack of the void, the dozens of ghost faces on David’s body seemed to have lost their lives and fell off one after another!

Chapter 4033

Then they fell into different time and space, and some were cut in half by the sharp blades of time and space!

David held his breath and concentrated, and an eye instantly appeared between his eyebrows. In front of David, the endless black turned into a grayish piece, and those sharp blades of time and space were also seen clearly by David! The

Tianming Eye opened, allowing David to easily snatch those sharp blades of time and space!

Seeing the eye that suddenly appeared on David’s forehead, Elder Tu was shocked!

Then there was a scream, and Elder Tu’s legs were instantly cut off by the sharp blades of time and space.

At this time, Elder Tu's legs had separated from his body and fell into different time and space.

Although David can now find those sharp blades of time and space, which space is the way out?

Not every place where the void crack is teleported to is another world!

Some places where the void crack is teleported to are dead places!

The whole world is a dead place, without a single life!

If you go to such a place, there is no other way except death, and it is a lonely and lonely death!

David doesn't want to go to that kind of place!

"Senior, can you help me see which of these void cracks is the way out?"

David had no choice but to ask the Red Cloud Demon Lord!

"You are so stupid, I don't know how you can survive so long."

The Red Cloud Demon Lord rolled his eyes at David, and then said, "There are different auras in each small void crack. If you don't want to leave here, find the one with the closest aura to this place, and you will definitely not go wrong."

"Different spaces, different worlds, the auras cannot be the same, unless they are in the same world!"

The words of the Red Cloud Demon Lord suddenly opened David's eyes!

If the Red Cloud Demon Lord hadn't said it, David really wouldn't have thought of this!

"Senior, thank you, I really got an epiphany..."

David thanked the Red Cloud Demon Lord! "What's there to thank for this? When you reach my level, you can control the breath of thousands of worlds, tear the void at any time, and reach the world you want to go to."

"But the premise is that you must control the breath of that world. Only in this way can you use the breath of that world to tear the void to reach the place you want."

said the Red Cloud Demon Lord!

David was shocked. He thought that people like the Red Cloud Demon Lord could go wherever they wanted. Unexpectedly, there were also restrictions. You must control the breath of the world before you can use the void cracks to teleport there!

“Senior, if I don’t know the breath of the world I want to go to, is there no way to go?”

David asked curiously!

“Stupid, just because you don’t know doesn’t mean that others don’t know. Just let someone help you tear the void and create void cracks, isn’t it okay?”

The Red Cloud Demon Lord said speechlessly!

David was embarrassed when he heard it. What a simple thing, he didn’t even think it through!

It’s like if you don’t know a place and don’t know the way, you can find a driver who knows the way to take you there!

Such a simple truth, David actually asked!

Embarrassed David stopped talking and hurriedly explored the breath emanating from each void crack!

Soon, David noticed a small void crack, because there was a familiar breath in this void crack. The

only breaths that David is familiar with now are the secular world and the heavenly world!

If this void crack does not lead to the heavenly world, then it is the secular world! If he really reaches the secular world, David can go home and have a good look!

To be honest, he misses home!

Whether he goes to the secular world or the heavenly world, David can accept it, so he rushed into the void crack without hesitation!

Accompanied by a huge burst of power, David rolled over, and then his brain went blank and he lost consciousness instantly!

Chapter 4034

After an unknown amount of time, David opened his eyes and found himself in a huge cave!

The entire cave looked very huge, and there seemed to be the sound of running water!

David shook his head. He didn't know where he had been teleported to by the void crack!

"Senior, where are we? Is this still the Heavenly Realm?"

David asked the Red Cloud Demon Lord!

"Please, I can only sense the outside world through you. You are unconscious. What can I know? What's more, in that void crack, I am just a remnant soul. What can I know?" The

Red Cloud Demon Lord rolled his eyes at David and said!

"If you don't know, you don't know. Why are you so angry!"

David muttered. It must be that he didn't let the Red Cloud Demon Lord control his body. This guy was angry!

His own body is not a toy. How can he let the Red Cloud Demon Lord control it at will!

David scanned the cave. At this moment, he had an indescribable feeling in his heart!

He looked forward to being teleported back to the secular world, but he was worried about returning to the secular world!

After all, he still had a lot of things to do in the Heavenly Realm!

There are people waiting for him in the secular world, and there are also people waiting for him

in the heavenly world! David looked around and was surprised to find that the dying Elder Tu was also in this cave. They were actually teleported to the same place!

However, Elder Tu at this time did not look like a Mahayana master at all, but more like an old man in his twilight years!

The grimace on his face was gone, and his breath was very weak. He no longer had the strength of the Mahayana realm!

He used secret techniques, and his legs were cut off by the sharp blade of time and space. After suffering such a blow, it was good for Elder Tu to be alive!

David went up to mention Elder Tu, and sure enough, he was motionless, and he should have fainted!

Seeing this, David slowly squatted down!

“Boy, what are you going to do, wake him up?”

The Red Cloud Demon Lord asked when he saw this! “Save his ancestors, this guy has always wanted to kill me, and he wants to die with me, how can I save him?”

“I just saw that he has a storage bag on him, there should be good things in it, so I took it out to have a look!”

David said coldly!

David is not a saint, those who want to kill him, they deserve to die, how can David save him!

But just when David stretched out his hand to take off the storage bag on Elder Tu, Elder Tu suddenly opened his eyes!

“Go to hell...”

Elder Tu stretched out his claws in an instant and grabbed David’s neck fiercely!

And Elder Tu’s claws, with a sharp breath, are extremely fast. If this claw grabs directly, David’s neck will be broken in an instant!

Seeing that Elder Tu pretended to faint and attacked himself, David didn’t move at all!

Elder Tu grabbed David’s neck and was ecstatic!

“Hahaha, kid, you will die in my hands after all!”

After that, Elder Tu suddenly exerted force!

But no matter how hard Elder Tu tried, he just couldn’t break David’s neck!

In the end, Elder Tu’s

face turned red and his neck became thick, but he still couldn’t do it! Looking at David, he looked at Elder Tu as if he was an idiot!

David's body has been tempered countless times. If Elder Tu was still a master of the Mahayana realm, he would definitely be able to break David's neck!

But now Elder Tu is extremely weak, and it is probably difficult for him to even reach the fusion realm!

With this kind of strength, he still wants to break David's neck, isn't that a joke?

"Don't you know what kind of person you are now? Don't even think about breaking my neck. If I give you an ordinary stone, I'm afraid you can't even crush it now."

David grabbed Elder Tu's wrist, exerted a little force, and moved Elder Tu's hand away!

Chapter 4035

Elder Tu wanted to resist, but David exerted force!

Crack!

Elder Tu's entire arm was pulled off by David!

"Ah....."

Elder Tu screamed!

His legs were gone, and now he has lost an arm!

"I thought I was a master of the Mahayana realm, bah..."

David spat fiercely!

"I will kill you....."

Elder Tu waved his only remaining arm and roared loudly!

This guy, at this time, still wanted to kill David!

Seeing this, David kicked and instantly broke Elder Tu's shoulder blade, and the whole arm flew out!

This time, Elder Tu lost both his hands and feet, leaving only a mouth, roaring continuously!

David stepped directly on Elder Tu's head, causing Elder Tu to sob and make no sound!

"You scream, keep screaming?"

David looked at Elder Tu sarcastically!

Elder Tu's face was deformed, and he made a sound unwillingly!

You know, at the beginning, he didn't take David seriously at all. As a Mahayana realm, he felt that he could kill David with a wave of his hand!

But what about now?

He was stepped on by David, but he had no way to stop him!

This feeling of going from heaven to hell made Elder Tu want to die immediately!

"Kill me, kill me..."

Elder Tu tried hard to spit out a few words from his mouth!

At this moment, he felt that death would be better than this!

"Want to die?" David smiled: "The more you want to die, the more I won't let you die. I have to torture you well." "You forced me to run around everywhere, and finally came to this cave in who knows where. If I don't torture you and call you daddy, then I am incompetent!"

David did want to kill this Elder Tu at first, but now he decided to keep him and torture him!

David loosened his feet to avoid stepping on this guy to death!

"I won't be humiliated, absolutely not..."

Elder Tu roared, and his body suddenly swelled up!

It was obvious at a glance that this guy was going to self-destruct!

David was quick-eyed and quick-handed, and kicked him in the back. Elder Tu spurted out a mouthful of blood, and the swollen body instantly wilted!

"You want to self-destruct, it's really a beautiful thought, I will destroy your Dantian, let's see how you can self-destruct!"

David looked at Elder Tu with a sneer!

“Ah... Kill me, if you don't kill me, I will definitely kill you, and our Ghost Face Sect will never let you go!”

Elder Tu roared in despair!

“Hahaha, I won't kill you. Didn't you say that you wanted me to live a life worse than death? I want to see who would rather die than live!”

David laughed, and then opened Elder Tu's storage bag!

There are many treasures, elixirs, and various cultivation resources in the storage bag. As expected of an elder of the Ghost Face Sect, there are indeed a lot of things!

But there is nothing particularly valuable!

But if you think about it, you can understand that the Ghost Face Sect, as a sect of the demon clan, has always been hiding. Even as an elder of the Ghost Face Sect, it is impossible for him to get anything particularly valuable!

“I really don't know how you can practice to the Mahayana realm when you are so fu**ing poor.”

After David looked through the storage bag, he said to Elder Tu!

Elder Tu was so angry that his face turned red, but he couldn't answer David's question!

He could only look at David fiercely and said, “Boy, we are now teleported to an unknown area, and this should be a death place. Even if you torture me, you can't leave this place.”

“Your destination is also to die alone. By then, you will be alone and fall into endless loneliness!”

“Is this a death place?”

David was stunned, and then sent out his spiritual sense to explore the depths of the cave, but his spiritual sense was always blocked by an inexplicable force!

Chapter 4036

At this moment, David frowned: “Is this really a dead place?”

“What a dead place, you believe what he says, a dead place is not like this, but it is indeed a little special!”

Suddenly, a figure appeared beside David!

The residual soul of the Red Cloud Demon Lord actually broke away from David’s sea of consciousness!

Elder Tu was also shocked to see that there was suddenly another person beside David!

But when he saw it clearly, he was shocked and said: “Demon Soul? Is this the demon soul in your sea of consciousness, the one that destroyed my demon souls?”

“Shut the fu** up, you are worthy of being called a demon soul? Are you guys worthy of being called demons?”

“I am the real demon, and you are at most demon cultivators. You don’t have pure demon blood in you. I think you are just a string, a combination of humans and demons.” The

Red Cloud Demon Lord looked at Elder Tu with disdain and said!

This guy always claims to be a demon, but there are not many people with real demon blood. Many demon cultivators are human, and they become demon cultivators because they practiced magic skills!

After these people developed and then created sects, they also began to regard themselves as demons!

But they are not pure demons!

This kind of people will become more and more difficult as their strength develops, because the top demon skills, these people who are not pure demon blood, simply cannot practice!

“Who are you? Dare you say that to me?”

Elder Tu glared at the Red Cloud Demon Lord!

He can be beaten and ridiculed, but he can be said that he is not a demon, and that he is a string, which is too hurtful, and Elder Tu can’t accept it!

“Who am I?”

The Red Cloud Demon Lord was stunned, and then laughed: “I am the Red Cloud Demon Lord of the Heaven Realm, as famous as the Fire Spirit Star Lord. This Shenhua Mountain was formed by the drop of an item from the Fire Spirit Star Lord.”

“Now do you think I say this to you, and you still have any objections?”

The words of the Red Cloud Demon Lord made Elder Tu dumbfounded!

He didn't know Demon Lord Scarlet Cloud, but he had heard of Lord Fire Spirit. According to legend, this Divine Mountain Fire was formed by something dropped by Lord Fire Spirit! Just dropping an item would form a sacred volcano, and even give birth to a large sect like the Purple Flame Sect! Needless

to say, what is the status of the Fire Spirit Star Lord!

And the one in front of him is actually the Demon Lord who is as famous as the Fire Spirit Star Lord!

Elder Tu was scared to death. Now he finally understood why David, who was only at the fourth level of the Tribulation Realm, was so difficult to deal with!

“Senior, your residual soul can suddenly escape from my sea of consciousness. Does it mean that this cave is similar to the Demon Devouring Cave where you are?”

David asked the Red Cloud Demon Lord!

“Yes, but there are similarities. Otherwise, I dare not expose the residual soul to the outside world, but this also proves that this is not a dead place.”

The Red Cloud Demon Lord nodded and said!

“I understand!” David nodded!

He took out the magic whip and whipped Elder Tu.

The magic whip targets the consciousness of the demon clan. Elder Tu was whipped by the magic whip and screamed!

He could endure the physical pain, but Elder Tu couldn't bear this kind of mental and spiritual torture!

“I said, I'm going to beat you so hard that you'll call me daddy...”

David said while whipping me!

But Elder Tu was stubborn and never called David daddy from beginning to end!

Soon, Elder Tu was beaten unconscious. He had no hands or feet, and only his torso was shaking!

Seeing this, David tied up Elder Tu with a magic whip, and then pulled him away by hand, and began to look for a way out of the cave! As

he walked, there were bloodstains all the way behind him!

Elder Tu woke up and saw that he was being pulled by David like a dead dog. He collapsed!

Chapter 4037

David, no matter how Elder Tu howled, kept looking for a way out in the cave!

Fortunately, with the Red Cloud Demon Lord by his side, he didn't feel lonely!

The cave was very large, but it was dark. Even David could only see a hundred meters!

And there was no way to radiate his divine sense. Every time he radiated his divine sense, he would be blocked by an inexplicable force!

There was also a lot of pressure in the cave, and heat waves came from time to time!

"Why do I feel more and more that this is not a cave, but more like the belly of a large monster?"

David said as he observed the surroundings!

The heat waves from time to time were like the breath of a large monster, brought by each breath!

"Don't talk nonsense, what monster can have such a big belly, there can't be such a huge monster in a place like the Heavenly Realm."

"Although in the myriad worlds, anything can happen and anything can appear, but certain rules must be followed."

"The laws of heaven and earth have their own destiny. If such a large monster appears in this small Heavenly Realm, wouldn't it be a disaster?"

The Red Cloud Demon Lord said to David!

David was stunned, and then looked at the Demon Lord Chiyun in surprise: “How do you know this is the Heaven Realm? Can’t it be another world? Are we in other unknown worlds?”

Seeing this, the Demon Lord Chiyun was embarrassed, and then laughed: “I wanted to scare you, but I didn’t expect to let it slip.” “

This is the Heaven Realm, but you didn’t observe it carefully. Although you are talented, you are sometimes as stupid as a pig!”

“Have you never noticed that there are free flame filaments on the stone walls around the cave?”

“Although these flame filaments are very weak and you can’t detect the breath, you can try to merge these flame filaments.”

After listening to the words of the Demon Lord Chiyun, David looked carefully around the stone wall, and indeed found many extremely fine flame filaments!

These flame filaments obviously penetrated into the cave little by little from the outside. Because they were too fine, David didn’t notice it at all!

David tried to attract the flame filaments on the stone wall to his surroundings little by little!

It took a long time for David to collect flames like candlelight! However, this little flame was enough for David to detect the breath of the flame.

When David felt the breath of the flame, his eyes widened, and his eyes were full of disbelief!

“This... this...”

David was very shocked!

“How is it, do you feel anything now?”

Chiyun Demon Lord asked with a slight smile on his face!

“This... this is the breath of the flame of Shenhuoshan. Have we never left Shenhuoshan? Are we inside Shenhuoshan?”

David looked at Chiyun Demon Lord and asked!

He didn’t dare to confirm it at all, so he could only wait for Chiyun Demon Lord to answer!

Obviously, Chiyun Demon Lord knew everything, but just didn't tell David. Maybe it was just to play with David and retaliate against David for not letting him control his body!

"Yes, this is the inner cave of Shenhuoshan. We didn't leave Shenhuoshan. The void crack just now just sent us to the inside of Shenhuoshan!"

Chiyun Demon Lord smiled and nodded!

"Damn, you fu**ing knew it a long time ago, but you didn't tell me?"

David glared at Chiyun Demon Lord angrily!

"You won't even let me play with my body, so why should I tell you..."

The Demon Lord Chiyun turned his head away angrily!

The Demon Lord, at this moment, actually looked like an angry old man!

Seeing this, David was speechless. Are all these old guys in the heaven so unique?

Elder Tu was half dead listening to the conversation between David and the Demon Lord Chiyun, and he was completely confused!

Chapter 4038

This is the Heavenly Demon Lord?

Is this David's attitude?

"Okay, I was wrong. Can't I help you recover your body as soon as possible? Then tell me, how can you get out of this cave?" David

could only apologize!

It must be said that even if there is only a wisp of residual soul left, the strength of this Red Cloud Demon Lord is much stronger than himself!

David did not find the flame filament at all, and the Red Cloud Demon Lord not only found it, but also detected the breath of the flame filament!

This is the gap, the gap in strength!

“I don’t know...” said the Red Cloud Demon Lord!

“Why are you still angry? Isn’t it enough that I apologized?” David said speechlessly!

“I really don’t know, it’s useless for you to apologize a hundred times, I haven’t been here.”

“If I have a physical body now, I can flatten the entire Shenhuo Mountain, and then I can get out, right?”

“Otherwise, you can lend me your physical body...”

said the Red Cloud Demon Lord!

When David heard this, he waved his hand and walked forward quickly!

By the time the Shenhuo Mountain was flattened, his physical body would have been reduced to ashes!

David dragged Elder Tu forward, letting Elder Tu’s body bump and bang in the rugged cave! No matter

how Elder Tu called out, David pretended not to hear!

Soon, David and the others came to a fork in the road. There were four roads in total, and David chose one road based on his feeling!

Since he knew that this was the Heaven Realm, and it was inside the Shenhushan Mountain, David was not panicked!

No matter how he walked, he could eventually get out of the Shenhushan Mountain!

But not long after walking, another fork in the road appeared, and David continued to choose a road to continue walking!

Although there was pressure in the cave, it was nothing for David!

The Red Cloud Demon Lord was a remnant soul, so he was even less afraid of any pressure!

But Elder Tu, although only the torso was left, still had to bear the pressure, and had to endure the humiliation of his body constantly bumping against the stones and being dragged like a dead dog!

The thing Elder Tu wanted most now was death!

He wanted to die so much, but unfortunately David wouldn’t let him die!

“You choose the road blindly like this, without any rules, can you get out?”

Seeing David just walking randomly by feeling, the Red Cloud Demon Lord finally asked helplessly!

“I’ll walk by feeling. If I can’t get out, I’ll keep walking. I can’t see any rules!”

“Or you tell me, which way to go?”

David said indifferently!

The Red Cloud Demon Lord looked at David. He knew that David was doing it on purpose, forcing him to point the way!

And David also understood the character of the Red Cloud Demon Lord. If he asked actively, he would definitely not tell!

So David walked like this, and when the Red Cloud Demon Lord felt bored, he would take the initiative to speak!

Now the Red Cloud Demon Lord took the initiative to speak.

“I don’t know how to get out of here, but there are so many forks in the road. If you walk by feeling, you will definitely get lost, and you can’t emit spiritual consciousness here.”

“But I’ll teach you a way to find the correct route!”

said the Red Cloud Demon Lord!

“What way?” David’s eyes lit up. He had been waiting for the Red Cloud Demon Lord’s way!

“Of course, we have to explore the way. With so many forks in the road, it is impossible for every road to be accessible, so you can explore the way first...” said

the Red Cloud Demon Lord! “Explore the way? How can I explore the way by myself? With so many forks in the road, it will take me forever to walk through them all by myself!” David was immediately discouraged when he heard the Red Cloud Demon Lord’s method! “Stupid, who asked you to explore the way? You can let other things explore the way for you!” The Red Cloud Demon Lord rolled his eyes at David and said! “Other things?” David looked around, and then set his sights on Elder Tu! This guy has no limbs, how can he explore the way? Seeing that David didn’t understand what he meant, the Red Cloud Demon Lord had to say: “I will teach you a set of secret methods. You first collect the flame filaments in this cave, and then there will be something to explore the way!”

Chapter 4039

David was overjoyed when he heard this. The things that the Red Cloud Demon Lord taught must be good.

David desperately collected the flame filaments in the cave. This time, after collecting a ball of flame as big as the palm of his hand, David stopped!

“Drop your blood into this flame!”

said the Red Cloud Demon Lord!

David hurriedly did it. When a drop of blood dripped into the flame, the flame was like it had life and jumped happily!

Seeing this scene, David hurriedly looked at the Red Cloud Demon Lord, wanting to know what to do next!

The Red Cloud Demon Lord came to David's ear and told him a formula!

David was chanting, accompanied by a flash of spiritual light, and the flame suddenly separated and turned into more than a dozen little mice burning with flames!

The red hair was like a burning flame, and these little mice squeaked, which was very cute!

David was stunned when he saw this scene, because he could clearly feel the existence of each little mouse!

And the vision of each little mouse will also appear in his mind!

“Don't be surprised, this is just a small matter. When you help me recover my body, I can teach you more!”

“This kind of red-haired mouse is made of flames, and there is your blood essence, so their actions are controlled by you.”

“Now you can let these red-haired mice explore the way, but they can only be used for exploring the way. After all, it's just a drop of your blood essence. Don't let these red-haired mice have combat capabilities!”

“When your drop of blood essence is consumed, these red-haired mice will disappear!”

Chiyun Demon Lord said to David!

David nodded, looking at those red-haired mice, they are very cute!

Because these red-haired mice are transformed from the flames condensed by the flame filaments in the cave, these red-haired mice are not uncomfortable with the environment in the cave!

This is why Chiyun Demon Lord asked David to collect the flame filaments! Soon, David directed the red-haired rats to go to different forks in the road, while David waited in place!

David could accurately perceive the movements of each red-haired rat, and even the places where the red-haired rats saw could appear in David's brain!

Fortunately, David's sea of consciousness was vast enough, otherwise the information brought by more than a dozen red-haired rats would burst David's brain!

More than a dozen red-haired rats were extremely fast, constantly shuttling in the cave!

"Wait, it is estimated that there will be no results in a short time. I think while waiting for the results, you should still carve a defensive formation around to prevent any beasts from appearing in this cave!"

After the red-haired rats left, the Red Cloud Demon Lord said to David!

David stared at the Red Cloud Demon Lord in a daze. He always felt that this guy should know something, but he just didn't say it!

David didn't say anything, but carved a simple defensive formation around!

After all, this cave is extremely quiet, where are there any monsters!

Carving a defensive formation is just for psychological comfort!

After doing all this, David was bored and waiting for the result of the red-haired rat. He casually took the magic whip and whipped Elder Tu from time to time, making Elder Tu scream!

Elder Tu was so regretful at this time. Why did he regret provoking David?

This guy is a devil. He can torture himself like this!

Seeing David whipping Elder Tu for fun, the Red Cloud Demon Lord couldn't help but laugh!

It seems that this guy is also petty, which is even more in line with the temper of the Red Cloud Demon Lord!

Just when David was whipping Elder Tu, he suddenly stopped, and then frowned!

“Did you touch something?”

The Red Cloud Demon Lord looked at David and asked lightly!
