

Married At First Sight

Married At First Sight Chapter 3334-Zachary didn't want to say anything anymore.

Serenity said, "Grandma, we had lunch, took a short rest, and then went back to the city. After picking up Sonny, we went to my aunt's house for dinner."

The old lady hummed, "After that, I'll pack and follow you. A couple of old guys rarely visit Wiltspoon. As a landlord, it is difficult for me to give it my all. After that, I'll move in with you for a few days. You, the daughter-in-law and mother-in-law, before I return, what topic are you two discussing?"

The old lady changed the subject too quickly.

Serenity and the other three were silent for a moment.

Tania then answered, "Sonny is going to Johnson's house to play after the winter vacation. Seren and Zack are both busy with work, so I will follow them to take care of Sonny so that they can work with peace of mind and try to finish their work early and take annual leave early. Mom, do you want to come with me?"

The old lady said, "Of course. I miss my great-granddaughter. I will go to my warehouse to pick out a bead later and bring it to my great-granddaughter to give to her as a dowry."

The beads in the old lady's mouth were not beads, but diamonds.

She liked Avah so much that she accepted Avah as her great-granddaughter.

A great-granddaughter is also a great-granddaughter. It makes sense that she has no daughter, no granddaughter, and no great-granddaughter for the time being.

"Seren, Zack, you two have to keep up with each other. The fortune teller has said that you two are destined to have both children. Whether I can hold a biological great-granddaughter depends on you two."

The old lady didn't dare count on other grandchildren and daughters-in-law.

If the Yorks next generation can have a baby girl, it is a blessing from God.

How dare the old lady expect God to give her some great-granddaughters all at once?

The old lady believed in the fortune-teller's ability.

Therefore, the fortune-teller said that if Zachary and Serenity are destined to be husband and wife for a lifetime, they can also have children.

The old lady believed it completely, and now she is very proud when she sees the happy and sweet look of the young couple. If she hadn't acted both softly and hard, Zachary would still be single.

After solving the old problem of Zachary, it will be much easier for the other boys to solve it.

Look, the results have come out.

Zack, Callum, or Kevin all followed the old lady's request to pursue their wives.

Evan might give it a try.

Elian and Tatum were all honest.

As long as the old lady thinks that in a few years she will have several great-grandchildren, she will laugh out of her dreams.

"grandma." Zachary shouted seriously.

The old lady immediately laughed and changed the topic. However, she couldn't put pressure on Seren to give birth to a girl; Zack would be angry.

Although Zachary respected her as a grandma the most,.

When the old lady saw Zachary's serious expression and handsome face, she sometimes had to avoid the edge. Alas, teaching her grandson to be very capable can sometimes be a kind of pressure.
