

Married At First Sight

Married At First Sight Chapter 3338-After a long silence, Fox forced a smile, but it looked a little fake. "Evan, tell me, what do you want me to do so that you can return the things to me?" Don't tell me that you can't remember where you put them. That's your excuse, and I don't believe a word of it."

Evan looked like a dead pig and said, "It's useless for you to call me an ancestor. I really can't remember it. Believe it or not, I just can't remember it. If you truly want to find my sister-in-law, go ahead. My sister-in-law is approachable, hospitable, and likes making friends. Girls like you are her favorites. Indeed, my sister-in-law is also proficient in martial arts. When you have time, you can compete with my sister-in-law.

However, my sister-in-law is pregnant now, so you should wait until my nephew is born before you compete with her. Even if you ask my sister-in-law to bring it to me, it won't be effective if I can't find it. "The worst that can happen is that my sister-in-law will be upset, and my brother will beat me up."

Evan acted like a rogue, making Fox so angry that she jumped up and down, but she could do nothing about it.

Evan didn't have it at home.

Fox had already turned his house upside down. She seriously suspected that Evan was carrying her things close to him, so she couldn't search for him.

If she truly searched for this scoundrel, he would claim that she exploited him and demanded responsibility for him. She would never be able to clear herself, even if she jumped into the Yellow River.

Evan would really do that.

Based on her understanding of him,.

After a while, Fox stood up and was about to leave.

"Fox." Evan blocked her way and asked, "You're leaving just like that?"

"You scoundrel, I can't do anything to you now. Why don't I leave? I'm sitting here and getting mad at you, but I can't really beat you to death. I don't want to be an enemy of the York family. Evan, if you weren't Old Mrs. York's grandson, I would really destroy you!"

As Fox said, she pushed Evan away.

The force was so great that Evan was pushed so hard that he stumbled before he could stand still.

By the time Evan had calmed down, Fox had already walked to the office door and opened it.

“Fox, now that you are here, let’s have a meal together. It’s my treat. It’s my fault for making you come here for nothing. I’ll treat you to a meal as an apology.”

Evan ran over and tried to hold her hand, but before he touched her hand, she glared at him, and he withdrew his hand awkwardly.

He was afraid that she would truly teach him a lesson in the company, causing him immense embarrassment and humiliation in front of the employees.

Well, after all, he was the boss, and that would be really embarrassing.

Therefore, Evan didn’t dare to touch her at all.

“I can’t eat. I’m so angry with you; how can I eat anything?” Fox stepped out, and Evan followed behind her.

Evan said, “Then just eat your food, and don’t look at me.”

Fox was too lazy to pay attention to him.

“Beep—“

Fox’s cell phone rang, and she received a new message. She took out her cell phone as she walked, and after reading the message, she walked faster.

Evan was about to jog.

It was the first time he saw a girl walking faster than a grown man.

The secretary followed the two people with his eyes, as if he were watching a show.
