

The Ex Husbands Revenge Chapter 2974

The Ex Husbands Revenge Chapter 2974-What? Does that kid have that many tricks up his sleeves? It's no wonder that neither you nor the Western Boss can defeat him," Brahma was taken aback.

When the Southern Boss was about to lose to Leon, he was the one who saved the Southern Boss.

At the time, he assumed the Southern Boss was too incapable of losing to Leon.

However, upon learning that Leon had an Advanced technique, powerful treasure, and poisonous daggers, he realized that Leon's power surpassed his imagination.

He merely underestimated Leon due to his young age.

"Brahma, enough chit-chatting. I've got an idea of what you are made of. If this is all you can do, prepare to die! Take this. Earthly Plunder!" Leon ignored his surprised reaction and launched the Earthly Plunder again.

A powerful force gathered at the tip of his finger and was sent toward Brahma.

Though he did not know why Brahma was not in the Semi-Saint State, he knew that the lower the level Brahma was in, the easier it would be for him to deal with the three of them.

This was exactly what he wanted.

"Kid, don't think that you're the only one with a technique. Take this. Soul□Piercing Claw!"

Brahma dared not to underestimate Leon any longer and launched his most powerful technique.

A faint, dark mist rose around his fingers before darting toward Leon with tremendous force.

Baam!

Following a deafening sound, Leon's Earthly Plunder and Brahma's Soul□Piercing Claw clashed.

Instantly, Brahma's attack pierced through Leon's and charged toward Leon.

Leon repeated the same trick to take the hit with the Mirror of Sovereign.

At the same time, he launched the Double Attack. His true energy in the Initial Emperor State rose and was sent toward Brahma.

“This again? Kid, do you think I’ll make the same mistake twice? How foolish!”

Brahma mocked.

He already suffered the Double Attack once and was prepared for it.

Hence, he swiftly dodged Leon’s attack and launched the Soul-Piercing Claw once again at the speed of lightning.

“Old man, you are capable, but that’s it!” Leon scoffed.

His actual power could not compare.

to Brahma’s, so he did not have enough time to dodge or counter”

Brahma’s attack. Hence, he stepped forward and executed the Phantom Steps to swiftly move away.

He then turned and charged at Brahma once again

The Ex Husbands Revenge Chapter 2975-Baam! Baam! Baam!

Leon and Brahma were instantly caught up in an intense fight and despite exchanging moves, neither of them seemed to have the upper hand.

After a while, Brahma could tell that Leon was likely in the Peak Almighty State and had a powerful treasure to protect him.

This meant that his strength rivaled that of Brahma and defeating him would not be easy.

Thankfully, treasures could only be used thrice under normal circumstances.

On top of that, Brahma himself was just one step away from reaching the Semi Saint state, which meant he was more powerful than Leon.

Relying on his superior strength, he attacked tirelessly in the hope of exhausting the usage of Leon’s treasure.

Once Leon lost the protection of the treasure, he would be at Brahma’s mercy.

However, reality proved him wrong.

Leon's overall strength reached the Semi-Almighty State and Brahma was no match for him. Leon was merely holding back as he was wary of the Southern Boss and the Western Boss.

To be safe, he was only using seventy percent of his power on Brahma. In case the Southern Boss and the Western Boss took the opportunity to attack Iris, he could act in time.

Therefore, he failed to defeat Brahma for the time being.

Still, with the speed of the Phantom Steps and the defense of the Mirror of Sovereign, it was impossible for him to lose.

After some time, he began to have the upper hand and Brahma started retreating in a defensive position.

"Damn it! This kid is so annoying!" Seeing as he could not break past Leon's defense and was at a disadvantage, Brahma's patience wore thin.

He immediately distanced himself and leaped out of the field to temporarily stop the fight.

"Kid, it's a wonder that you managed to be so powerful at such a young age. I have to admit that you are something. Unfortunately, you are doomed since you ran into me today. I shall show you what I'm capable of!" Brahma said coldly.

He flipped his palm and a silver brass knuckle appeared on his hand. Holding it tightly, he swung his fist and a powerful stream of true energy rose from the brass knuckle. The force surged and swarmed Leon within an instant.

"The Semi-Saint state!" Leon was taken aback.

Since he owned the Mirror of Sovereign, he was rather familiar with treasures.

When Brahma wielded such a powerful attack, he could immediately guess that the brass knuckles were likely a treasure in the Semi-Saint State and its power was nearing the Saint State.

This completely caught him by surprise and he realized he underestimated Brahma.

"How powerful!"

"Oh, no! Everyone, dodge!"

Angus, Levi, and the others were shocked as well.

Brahma's attack was powerful and had a large range. Not only was Leon within its range, but also the people behind him.

Thankfully, this attack was not as powerful as the Potential Energy!!

Force wielded if the past and the others were standing quite far away.

Hence, they all managed to dodge the attack fairly easily.

Naturally, Leon did not have such luck and had nowhere to hide.

In the end, he decisively took the blow with the Mirror of Sovereign and maximized his spirital energy to shield his entire body. In an armor of his spiritual energy, he braced for impact.
