

The Ex Husbands Revenge

The Ex Husbands Revenge Chapter 2981-“What?” “How’s this possible?”

Everyone was stunned and rubbed their eyes in disbelief.

They all thought that Brahma, the Southern Boss, and the Western Boss were far stronger than Leon, and Leon was doomed.

To their bewilderment, they could not be more wrong.

Not only was Leon unscathed, but he also defeated and injured Brahma, the Southern Boss, and the Western Boss.

It was practically a miracle and none of them would have believed it if they did not see it with their own eyes.

“No! That’s not possible!” Rodney and Felton’s hearts sank.

They knew the strength of Brahma, the Southern Boss, and the Western Boss, and even a martial artist in the Semi-Saint State would have a hard time facing the three.

Leon should have been vulnerable.

None of them could figure out how Leon managed to defeat all three of them, nor could they accept what happened.

“Great!”

“Mister Wolfs so powerful!”

Contrary to their reactions, Angus, Iris, and the others were all overjoyed.

Though they had no idea how Leon managed to defeat the three, they knew that apart from Brahma, the Southern Boss, and the Western Boss, the remaining Farmers were hardly a threat.

Now that Leon injured Brahma, the Southern Boss, and the Western Boss, the tables were turned.

It was only at this moment that they realized Leon refused to escape and insisted on dealing with Brahma, the Southern Boss, and the Western Boss because he could do it, not because he was bragging.

They all underestimated Leon.

“Damn it. How could this happen?”

“Can he possibly be in the Semi-Saint state?”

Brahma, the Southern Boss, and the Western Boss were all shaken, to the core. They all stumbled to get up through the pain and stared at Leon in disbelief.

After the earlier fight, the three of them could tell that Leon’s Hugrigane Break reached the Semi-Saint State, if he would not be able to injure the three of them with a single blow.

Leon was hardly thirty, yet he was already in the Semi-Saint State.

This meant that his talent was unheard of and unrivaled even in the central region.

They were too careless and this resulted in their failure.

Instantly, they realized that Leon likely misled them into believing he was in the Beak Almighty state because he was luring the three of them into a trap.

Unfortunately, it was all too late.
