

1 LU NA

" We are in trouble, right?" Naya looked worried, she scoured her surroundings, but she couldn't find the path that they walked in before.

" No, we are fucked." Luca scowled, he had been very moody ever since he agreed to go camping with her. Naya grimaced when she saw her man sulking. He didn't want to come here. She remembered what he said earlier when she asked him to come with her.

' Camping? I did not come to this life to suffer.' But, despite his grumbles and whining, he came anyway. There was no way Luca would let his girl to be in the wood with other people but him.

Licking her dry lips, Naya said nervously." Well, I guess it's comforting to know that we are fucked together." This woman was too optimist no matter what the situation.

" Hhhh..." Luca let out exaggerated sighed, letting her know that he was pissed, since this was her idea to go camping and go inside the forest to chase after sunset in the cliff. But somehow, his cute, adorable girl forgot the way to the cliff and right now, there was a high chance they would be the one to be chased by bear or wolf here.

" Here." Still grumbling, Luca gave her a bottle of water that was almost finish. Despite his annoyance, he knew that she was thirsty and nervous.

" Thank you," Naya said sheepishly, as she drank the water and left it a little bit for Luca. She handed the water to him and followed his lead. " Do you know where to go?" she finally asked when she realized Luca didn't really walk aimlessly. He would stop occasionally, staring at the sky and then his surroundings before he navigated the direction where he would head again.

" Yeah, kind of," he replied nonchalantly. Luca then explained to her about the direction of the sun and how you knew about west, east, south and north. Meanwhile, Naya listened to his explanation, she was fascinated by how smart this man was, despite how lazy he was. She always knew ever since they dated from junior high school and now they were nearly graduated from high school. This man used to sleep throughout the class, but he was a straight A student. Naya was jealous, she wanted to have a brain like him too.

" Do you understand?" Luca asked because his girl only stared at him and nodded her head, but then he sighed again, knowing the answer.

" You know that direction is not my forte," Naya retorted.

" Ugh, just follow me then," Luca grumbled, he grabbed her hand to keep her close to him. They finally found a clearing area, but when Naya saw it, she squealed in delight. " This is the cliff!" She jumped up and down, very happy. " How do you know? No, don't tell me about the direction again." She stopped herself in time before Luca could explain." Thank you." She tiptoed and kissed his cheek.

" Only a thank you and a kiss?" Luca raised his brows. His eyes dropped to her chest and Naya stomped her feet, annoyed, but her cheeks turned red. Luca wouldn't act on it, but he would give her a hint here and there, talking dirty to her and was very blunt with it.

" Pervert!" Naya grabbed his hand and dragged him toward the cliff to watch the sunset. They were right in time.

" Why? I am only being a pervert to my girl," he complained, but he let her to drag him close to the cliff. " Careful," his voice stern, he twisted his hand and grabbed her hand instead, as he led the way to the edge of the cliff, making sure it was safe.

"I thought we are going to find a way back to the campsite," Naya said, as they sat down, dangling their feet at the edge of the cliff. Luca's hand wrapped around her waist protectively, while below them was a big lake. Naya came here one time with her family a year ago and found this place, thus when her friend said they were going to go camping in this place, she coaxed Luca to come as well, because she wanted to show him this place.

" You said you wanted to see this place." Luca frowned." Woman, you have so many things that you want." Naya punched his arm for that comment, but he didn't flinch at all." But, you do know how to go back to the campsite, right?" Luca shrugged his shoulders and then laid down, using his arm as pillow behind his head, while staring at the bright red sky. Seeing how comfortable it was, Naya followed him, she laid down and Luca stretched out his left arm for her to rest her head.

" It's peaceful here," Luca said, the sun already disappeared behind the trees, but the sky was still burning red.

" See? I told you that you will like it here," Naya giggled. She knew that he would love it, this man simply didn't want to admit it. They stayed like that for a while and when the sky was getting darker, Naya stood up and patted Luca's cheek to wake him up. This man didn't have any trouble to fall asleep whenever he wanted.

" Let's go back. It's dark here." Luca rubbed his face and then got up. He knew that Naya was afraid of dark. Her fear only lessened a little bit when she was with him.

" Let's go." Luca helped her to get up to her feet and then navigated his way back to the campsite. Naya was still amazed of how Luca could do that, but felt so proud to have this man as her man. Once they were back, all of their friend asked them where they had gone, they gave Luca and Naya a meaningful smile.

" Did they think I am a girl with loose morals?" Naya grimaced.

" No, actually they thought I am the one with loose morals, but just in case, you can pretend to be a victim."
