

21. Deal With The Devils

Evelyn

Me and dad talked a little more about the storms. I told him what happened yesterday at school, though it was half truth. I just told him that how they said that it was theirs and they just wanted to get close to me that's why they asked me to be their friend.

I was way too ashamed to tell dad about the things they did to me in the car, that's why I kept quiet about it.

But dad was still very angry and blamed himself for everything. He kept saying that because of him the storms met me. I calmed him down and assured him that nothing was his fault.

He also told me that the brothers called him in their office and they were saying the same thing, that they want me. I was feeling even more scared but dad was looking a little hesitant as if he was hiding something but I didn't push him further. After some time we both went to our rooms.

I took a long shower to clear my mind. I came out of the bathroom and applied some moisturizer. I changed into my PJs.

I couldn't get any sleep so I decided to read a book. I was on the second page of the book when suddenly the doorbell rang. My eyebrows furrowed in confusion, I looked at the clock it was almost midnight.

All the servants had already gone to their houses so it was only me and dad. I heard footsteps outside my door and I knew dad got up to open the main door. Who could it be this late? I thought. "WHAT THE HELL YOU ARE DOING HERE!" I flinched when I heard my dad shouting.

I tensed and quickly shut my book, I ran outside the room. Dad is a very calm person and hearing him shouting like that I knew something was wrong. I ran down the stairs and dad's shouting grew louder.

I froze in my way as I stared at the men standing in front of me.

"What are you doing here?" Henry asked with anger and the brothers just looked at him with a smile.

"Well, we want to talk to both of you" Noah said calmly "where is Evelyn?" asked Ace and Henry fumed with anger hearing his daughter's name came out of their mouth. Ace's question was answered when they heard feeble steps coming towards them.

The storms' eyes landed on Evelyn, who stopped walking abruptly after seeing them. The trio's eyes darkened when they saw her body, her breasts were looking more big since she wasn't wearing a bra and her so milky legs were on full display in her pjs. Their dicks twitched, lust was evident in their eyes.

Evelyn felt her heart drop when she saw the brothers standing in front of her. Slowly she started to back away but the storms saw what she was doing and groaned in protest.

"Go to your room Evelyn" said Henry and she nodded her head. She was about to leave "no" said Elijah sternly and continued "come here and sit, it won't be good for your father if you leave him alone with us" he said with a mocking smile and Evelyn's face paled in fear.

She hurriedly went towards her dad and held his hand, she couldn't leave him alone with them. Henry wanted to send her back into her room but seeing her scared face he kept quiet.

They went to the living room and settled on the couch. The storms sat right in front of Evelyn and Henry. "What is it you want to talk about?" Henry asked with a frown but they paid no attention to him and turned towards Evelyn.

"You blocked our numbers" Ace said gritting his teeth while looking at her, her eyes widened. She looked down at her lap and clutched the hem of her top "I-i-w-" she stuttered "so what she blocked you" said Henry crossing his arms over his chest.

"Henry you are trying our patience, we know very well that you told her to block us. Don't get in our way, just because of our babygirl we haven't killed you yet" Ace said narrowing his eyes and Evelyn gasped in horror.

"SHE IS ONLY SEVENTEEN GOD DAMMIT" Henry suddenly shouted and stood up. "She will be eighteen soon" said Noah while looking at Evelyn with a smirk.

She was confused. Why are they talking about my age, she thought. Her confused expression didn't go unnoticed by the brothers. "Seems like you haven't told our babygirl yet" said Elijah tilting his head slightly.

"W-What are they talking about?" Evelyn asked while Henry looked down in frustration. "Dad" she called him. "They w-wa" Henry couldn't finish his sentence. She was getting even more scared now. Henry took a shaky breath.

"They want to marry you" he said and closed his eyes.

Evelyn's world stopped, she felt as if she couldn't breathe. She looked at the storms in horror while they had a smirk on their faces. "All of us will marry you" said Noah as a matter of fact.

Her eyes widened, her head was spinning. Henry held her hand and she looked up at him. "I'm sorry sweetheart, I tried to tell you but you were already very scared so I kept it to myself" he said.

Evelyn was in a daze, her mind was still processing their words. They want to marry me, all of them, these words rang in her head.

"NO! NEVER. THIS WILL NEVER HAPPEN" Evelyn suddenly shouted. The brothers' smirk dropped after hearing her words, they didn't like it at all. "You heard what my daughter said, now you all can leave" Henry said sternly.

Storms started laughing, a humorless laugh. Evelyn stood even more close to Henry in fear. She was now regretting shouting at them.

"Funny how you think that you have a say in it" Elijah said with a grin. They looked towards Henry.

"Alan Rivera, he is one of your biggest clients right" said Ace. "Now just imagine, that he cut all his contracts with you and slowly slowly all of your clients do the same, what will you do then" said Ace and continued "what will you do if after losing all the clients you got bankrupt" he said.

Evelyn's blood ran cold, she couldn't even imagine the things they were saying. She sat on the couch and tears started falling from her eyes.

Henry's heart broke seeing Evelyn like that, the trio felt an ache in their cold hearts. They went towards her, Henry stood up and tried to stop them from coming near her but Ace and Elijah stood in front of him. Noah went towards her and crouched down in front of her. He gently wiped her tears.

Evelyn hesitantly looked up at him "p-please don't do this to my dad" she pleaded and Noah's eyes softened.

"We won't, only if you accept us. Little one, we want you and we will have you but if you kept showing us your resistance 'sigh' then from tomorrow on we're going to make you and your father's life hell" he said calmly and Evelyn shivered in fear. "We're going to get engaged on your 18th birthday" said Elijah and her face paled. "N-No please i-i" Evelyn's voice cracked and she started crying. Her eyes out.

Henry felt helpless. "We aren't asking you puppy, we are telling you" said Elijah "if you still tried to leave us...we will kill you" said Ace widening in horror, he knew very well that the brothers don't give empty threats. She looked up at Ace, his face showed no emotion and no sign of bluff.

Elijah stepped forward and cupped her face "we are going to get married whether you like it or not, the only choice you have is that you want this to happen in the easy way or the hard way. Either you gonna walk down the aisle holding your dad's hand or we gonna drag you by your hair as you scream and cry for help" Elijah said and Evelyn kept crying.

"H-How can I marry all three of you. It's not right" she stuttered. "Don't worry about that kitten, we will handle everything. All you have to do is, just submit to us" said Ace while running his fingers gently in her hair.

"We want our answer kitten. Otherwise, it won't be good for your father's career" said Ace with a grin. Henry's jaw clenched in anger, he rubbed Evelyn's hand softly.

"Why are you torturing her like that?" he sneered at the storms "we are only stating the facts that's it" said Elijah. "Oh really, can't you see?" Henry got cut off "y-yes" came Evelyn's weak voice. Their heads snapped at her direction. The trio crouched down in front of her where she was sitting.

"Yes what kitten" asked Ace excitedly, "come on little one tell us, yes what?" Noah asked, he was breathing heavily in desperation. Elijah held her hand waiting for her answer.

"Evelyn no" said Henry, he couldn't let his daughter destroy her future because of him. The brothers glared at Henry, daring him to say another word. She slowly looked up at her dad, they looked at each other with a sad look. She turned her eyes towards the storms, they were looking at her with smiles.

"Y-Yes, I-I will marry you" Evelyn's voice cracked at the last part and the storms engulfed her in a tight hug, they had a million-dollar smile on their faces. Henry had a defeated look on his face, tears of anger flowed from his eyes.

They broke the hug and saw her crying, Noah wiped her tears "you made the right decision babygirl" he said, Ace and Elijah nodded their head in agreement.

Evelyn had no one except her dad and she couldn't let anyone hurt him. She knew that now her fate was sealed. She felt numb. She couldn't back out now, overall, she made a deal with the devils.
