

## 46. Manipulators

It was late in the morning, the household staff in the storm mansion were doing their chores. They had strict instructions from the trio to not to disturb them by knocking on their door. a<sup>5</sup>

The warm sunrays fell on evelyn, who was laying on top of elijah. She was in a deep slumber unknown to the fact that three pair of eyes were staring at her intensely. a<sup>1</sup>

The trio had huge smiles on their faces as they admired their gorgeous wife. a<sup>2</sup>

Elijah didn't su ered any nightmares last night, he had the best sleep of his life as he held his babygirl in his arms. Ace woke up feeling content, he stared at her beautiful face. Noah caressed her slightly chubby cheek, last night was a total bliss for him and his brothers. a<sup>2</sup>

The room was quiet, the only thing could be heard was evelyn's so snores. a<sup>9</sup>

"We should wake her up, she needs to eat something" elijah mumbled, ace and noah hummed in response. Noah rubbed her back slowly trying to wake up "baby" he whispered "wake up sweetheart" ace said so ly in her ear. a<sup>9</sup>

-----  
Evelyn a<sup>3</sup>

Pain. That's what the first thing i felt as i woke up. Every part of my body was aching. Slowly i opened my eyes but quickly shut them back as the sun rays fell on my eyes. a<sup>3</sup>

"Good morning angel" someone whispered. My eyes shot open, i frantically looked around and came face to face with ace. He was smiling at me, last night's events came crashing down to me. Wedding and then they- a<sup>0</sup>

I didn't wanted to remember those things. I flinched when a hand came close to my face. It was noah, he ran his disgusting fingers on my cheek. a<sup>0</sup>

I then realize that i was laying on top of elijah's chest. I tried to get up but my body was so sore that it was impossible for me to move. a<sup>1</sup>

Elijah held my waist from behind and helped me get up. I sat up and just looked down. I wrapped the sheets around my naked body, i was angry, really angry, not on those storms but on myself. I felt dirty. a<sup>1</sup>

-----  
"Baby" came elijah's voice a<sup>9</sup>

"don't baby me!" evelyn snarled. She was boiling with rage, she had enough. The trio looked at her with shocked and angry faces. a<sup>9</sup>

Ace grabbed her jaw. She didn't realized when tears of frustration started to roll down from her eyes. a<sup>9</sup>

His eyes so ened a little. "Are you in pain?" he asked with worry. Noah and elijah also got worried. "Yes i am, I'm in a lot of pain. All thanks to you three" she barked. She knew shouting at them like this will going to end bad for her but she didn't cared. She was hurt. a<sup>9</sup>

Storms looked at each other, as if they were talking to each other through their eyes and a er that nodded their head in unison. a<sup>1</sup>

Noah cupped evelyn's face who was looking down and made her look at him. Evelyn mentally prepared herself for a slap but noah just caressed her cheek, elijah and ace also scooted closer to her and rubbed her back. a<sup>1</sup>

Noah kissed her forehead. This made her even more angry and frustrated. a<sup>1</sup>

"What happened, you've nothing to say huh?" she sneered angrily. Elijah patted her head so ly and then kissed her temple. Ace drew patterns from his finger on her back. a<sup>1</sup>

"SAY SOMETHING YOU MONSTERS" she shouted and broke down. She was a crying mess. The trio engulfed her in a hug. "Oh my poor baby, its okay" ace cooed in her ear. a<sup>1</sup>

Evelyn was confused, frustrated. She was ready to argue with them, shout at them and for her to get physically hurt by them but they didn't do anything and kept hugging her. She struggled in their holds "LEAVE ME. I HATE YOU, ALL OF YOU" she shouted like a mad woman. a<sup>6</sup>

The trio kept hugging her "sh sh we understand you're in pain" noah whispered. Evelyn cried her eyes out, she couldn't understand that why they weren't getting angry. a<sup>1</sup>

She failed to realize the games they were playing with her mind. a<sup>2</sup>

They broke the hug, ace cupped her face "its okay, we're here for you" he said with a smile. "No! You all are monste-" elijah cut her o "we're the only one you have babygirl" he said sweetly. a<sup>6</sup>

She vigorously shake her head "stop it just stop-" "a er all we're your husbands" noah said caressing her cheek. Evelyn placed her small hands on her eyes "stop it" she sobbed. a<sup>1</sup>

Elijah removed her hand and made her look at him "you don't have anyone except us puppy" he said wipping her tears. Evelyn struggled to get away from him "no no" she whispered. Noah wrapped his arms around her waist "we'll be always there for you" he said kissing her shoulders. a<sup>3</sup>

"We'll give you the world kitten" ace said taking her small hands in his big ones. "You gonna be our little queen" he said. Noah made her look at him "You can't run away from us now. You are our little wife and you neither can't change it nor can do anything about this, can you?" he said smiling. a<sup>8</sup>

Evelyn's movements turned weaker as she sni le. "We own your soul, your body. We own you just like you own our hearts" ace said placing her in his lap. Evelyn was completely numb at this point. a<sup>3</sup>

Her naive mind was a mess. All her emotions were scattered. She didn't knew that she was getting lost. Lost in the storm's trap. a<sup>1</sup>

With teary eyes she looked up at the trio. Noah wiped her tears with his thumb and placed a gentle kiss on her lips. She stared at them with just one thought in her mind. a<sup>6</sup>

They are right. a<sup>6</sup>

She slowly nodded her head. "Good girl" ace whispered "now little one, that wasn't nice of you to shout at your husbands like that now was it?" noah asked so ly. a<sup>0</sup>

Evelyn shake her head and mumbled a small 'no!'. "So what do you say" he said as if he was talking to a kid "i-i'm sorry, i s-shouldn't have shouted o-on you l-like that" she apologized while hiccuping a little. a<sup>2</sup>

Storms smiled widely and elijah kissed her forehead. "Its okay puppy" he said. Evelyn felt tired, she wanted comfort. a<sup>1</sup>

She slowly wrapped her arms around ace's huge frame and hid her face in his chest. She sighed. Ace smiled, noah and elijah also engulfed her in a tight hug. a<sup>7</sup>

The brothers made eye contact with each other and smirked. Their obsession was crossing all the limits. For her, they were ready to do anything, even if it meant for them to manipulat her. a<sup>7</sup>

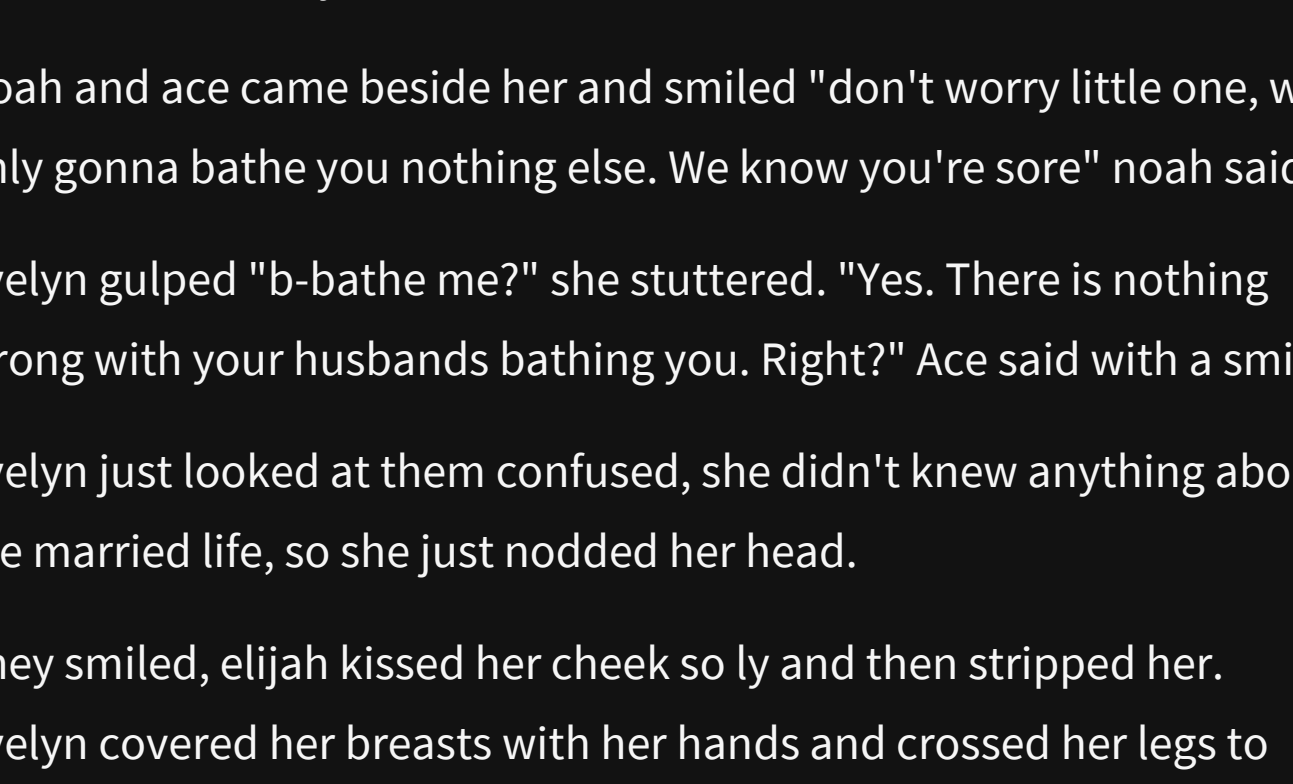

"Such a good little girl" noah whispered while smirking. a<sup>1</sup>

Evelyn felt good a er hearing him praising her like that. Her eyes started to close as she felt their warmth surrounding her. a<sup>2</sup>

"No sweetheart don't sleep right now" ace cooed in her ear. Evelyn slowly nodded and sat up. "You need to take a bath, you'll feel better" said noah. Evelyn hummed, she felt tired, mentally and physically both. a<sup>1</sup>

Elijah picked her up from ace's lap, she quietly wrapped her arms around his neck and rested on his chest. Storms smiled, they loved her submission. Elijah took her towards the bathroom, noah and ace followed behind. a<sup>4</sup>

They entered inside. a<sup>4</sup>

Evelyn looked around, it was beautiful. Elijah placed her down and started to remove the sheets that were wrapped around her. Evelyn looked at him with a panicked expression, she really didn't wanted to do 'it', she was way too sore. a<sup>4</sup>

Noah and ace came beside her and smiled "don't worry little one, we only gonna bathe you nothing else. We know you're sore" noah said. a<sup>5</sup>

Evelyn gulped "b-bathe me?" she stuttered. "Yes. There is nothing wrong with your husbands bathing you. Right?" Ace said with a smile. a<sup>0</sup>

Evelyn just looked at them confused, she didn't knew anything about the married life, so she just nodded her head. a<sup>1</sup>

They smiled, elijah kissed her cheek so ly and then stripped her. Evelyn covered her breasts with her hands and crossed her legs to hide her princess parts. Her cheeks turned red in embarrassment. a<sup>4</sup>

The trio frowned "baby?" called elijah, she hesitantly looked up to see them looking at her with a serious expression. a<sup>4</sup>

He bent down to her eye level "you'll never hide that pretty body of yours from us, understood?" he said sternly. Evelyn stared at him for some time and then nodded her head "y-yes" she replied. a<sup>6</sup>
